I. <u>REPORTS OF COMMITTEES</u>

I.1 Committee of the Whole

I.1.a Report from the April 4, 2019 COTW Meeting

I.1.a.a FCM Special Advocacy Fund Election 2019 City of Victoria Contribution

Moved By Councillor Loveday Seconded By Councillor Potts

WHEREAS FCM has a long track-record of delivering gains for all Canadian municipalities, like the permanent Gas Tax Fund.

WHEREAS FCM's hard work and influence has significantly shaped historic gains for local governments starting with our Election 2015 breakthrough, including:

- The Investing in Canada infrastructure plan a 12-year, \$180 billion federal investment in local infrastructure, from public transit to wastewater system upgrades.
- Canada's first-ever national housing strategy, including key commitments to repair and build affordable housing across the country.
- A strengthened seat at the table, including through unprecedented engagement with federal ministers, as well as with opposition leaders and the Prime Minister.
- A predictable federal allocation model for transit expansions that puts municipalities in the driver's seat.
- A \$2 billion rural and northern infrastructure fund the biggest investment of its kind in a generation.

- Better access to high-speed broadband through the federal Connect to Innovate program and the CRTC decision to mandate universal broadband access.
- New capacity-building programs on asset management and climate change — led by FCM — as well as a new \$125 million capital investment in FCM's Green Municipal Fund.

WHEREAS the 2019 election is a vital opportunity to build on those gains and to consolidate the municipal sector's position as an essential national partner to any federal government no matter which party wins the next federal election.

WHEREAS FCM's Special Advocacy Fund will drive FCM's most ambitious campaign ever, which will include reaching out to every federal party to keep municipal priorities front-and-centre heading into and throughout Election 2019, as well as in the crucial first months of a new government.

BE IT RESOLVED that Council approves \$6,600 from surplus to cover Victoria's participation in FCM's Special Advocacy Fund.

I.1.a.e Liquor Licence Application for 301 Cook - Beagle Pub -Increase Hours (Fairfield)

Moved By Councillor Collins Seconded By Councillor Alto

That Council direct staff to provide the following response to the Liquor Licensing Agency:

 Council, after conducting a review with respect to noise and community impacts, does support the application of The Beagle Pub located at 301 Cook Street having hours of operation from 11:00 am to 11:00 pm Monday through Thursday, 11:00 am to 12:00 am Friday, 9:00 am to 12:00 am Saturday, and 9:00 am to 11:00 pm Sunday.

Providing the following comments on the prescribed considerations:

- a. The impact of noise on the community in the vicinity of the establishment has been considered in relation to the request and assumptions are the noise impacts would be proportional in comparison to existing licence capacity, and associated noise levels in the vicinity. The request, if approved affects only opening hours on Saturday and Sunday allowing the establishment to open two hours early on those days and the adjustment is not likely to cause additional impacts.
- b. If the application is approved, the impact on the community is expected to be positive economically as the approval supports the business plan and long term viability of the establishment.
- c. The views of residents were solicited via a mail out to 306 neighbouring property owners and occupiers within 100 metres of the licensed location and a notice posted at the property. The City received nine letters in response to the request which included three in support of the application and six opposed.
- d. Council recommends the license endorsements be approved.
