Thank you Legislative Service. I appreciate the follow up and the response from the bylaw office.

I will just attach one more thing regarding the incident described in the report on Oct 22 that I was not aware of until today.

Past exchanges (7)

18 oct. - 31 oct. 2024

You went to Tampa
Tampa, United States

Your host
David and Bethany

3 guests 13 nights

[See details of the exchange](#)

10 oct. - 22 oct. 2024

Nancy stayed at your home
From Hamilton, Bermuda

Your guest
Nancy F

3 guests 12 nights

[See details of the exchange](#)

For the record I'd also like to mention the STRAA Guidance https://www2.gov.bc.ca/assets/gov/housing-and-tenancy/tools-for-government/short-term-rentals/str_policy_guidance_2023.pdf, page ten, clearly establishes the legality of home exchanges.

I can provide plane and cruise ship tickets, chats and conversations with my guests during those dates when we were away from home as well as more details of my home exchange account activity. However, I know nothing will be enough for the bylaw office or the council.

Best Regards,

Maikel Munoz
