

To whom it may concern,

Thank you for your report outlining our application for a permanent patio at Bard & Banker, 1022 Government Street. We have removed all heaters and umbrellas that were potentially blocking storefront visibility to Lush, and we are happy to keep it that way. Outside of our one neighbors concerns, everything else outlined in the report we are on board with and content to abide by.

We appreciate all the time and effort in getting to this stage of the process and look forward to hearing the committees decision.

Sincerely,

Connor MacNeil
