Thank you for asking for input from the neighborhood.

I am a resident of Linwood Court, a seniors affordable housing building at 3200 Linwood Avenue.

Also in the neighborhood is a supportive housing building, Orchard Grove.

These two buildings house a vulnerable population.

Also we are near two Elementary Schools(Cloverdale and Quadra), and an award winning Preschool (Parkdale) on Tolmie and Jackson.

Cannabis is a product that could contribute to the addiction crisis that we already have in our city, therefore I am not in favour of a license to sell cannabis being issued here.

Thank you,

Anke VanEk

Hello

I am writing to express my NON approval of the Cannabis RISE store opening on 3198 Quadra Street. When this was first proposed I sent an email voicing my concerns.

There are two elementary schools with in a block or two and a daycare a block away. Kids walk by all the time.

This neighborhood does not need this. This part of Quadra is residential focused . This type of store should be kept in main areas. There is one at Quadra and Hillside which is more of a main hub.

The homeless population and funky element is encroaching on our wonderful neighborhood. Let's keep it to the Mayfair mall area who's businesses have been destroyed.

Thank you

I would like to express my concerns about the proposed cannabis store in our neighborhood. This part of Quadra is very quiet and safe, which is one of the reasons my family chose to live here. We live directly across from the proposed store location, and as a parent of two young children and a newborn, I'm particularly concerned about the potential impact on their health and well-being.

I worry about the possibility of cannabis smoke in the air and how it might affect my children. I believe this type of business does not align with the character of our family-friendly community.

For these reasons, I strongly oppose the opening of a cannabis store in our neighborhood.

Subject: RE: Public Notice for Cannabis Store on 3198 Quadra Street

Good morning,

I am writing in response to the public notice I received on April 29th with respect to the issuance of a cannabis retail store license on 3198 Quadra Street. My husband and I live at 3234 Quadra Street and love the inclusion of walkable businesses at the corner of Tolmie Ave and Quadra Street. **We support the issuance of this license**, as it brings a new and different business to the area.

Thank you,

Sarah LaBoucane
