Section 3. About Your Organization

Please provide a brief description of the goals and objectives of the organization.

Ballet Victoria plays a vital role in the Capital Region and beyond, to promote diverse, emerging, and established Canadian dance talent in an inclusive and accessible environment; to educate the public on the value of dance in all communities; and to produce seasons of professional performances.

Our programs and activities focus on inclusion and accessibility to the art for all communities. Our unique repertoire fosters artistic vitality and excellence in dance. Our cultural contribution through 50+ seasonal performances is appreciated by BC residents and international audiences. BV employs 12+ professional dancers who reside in Victoria and mounts 4+ original productions each season at the Royal Theatre. Using a common language of movement and emotions, dance is an uplifting expression of humanity's creative spirit for all communities.

Our productions are very affordable to maintain accessibility and inclusivity. In 2008, BV started its accessibility Program to remove the financial barrier for those who could not access performances at the Royal Theatre. BV provides discounted tickets (up to 50%) and supports select charitable groups and vulnerable communities with free tickets.

Tea for Tutu began in 2008 to address the physical and financial limitations of local seniors. Today, the program includes anyone facing any accessibility barriers: seniors, anyone with physical/financial limitations, equity deserving people etc. BV offers 12+ free community performances in Kirk Hall (fully wheelchair accessible), followed by a social hour where patrons and artists mingle over tea and cookies. Unique in Canada, this program is a catalyst to bring diverse communities together.

In 2014, BV launched its dance education program, the Ballet Victoria Conservatory (BVC) offering affordable to dance training to all, from youth to adults. BVC offers a post-secondary PTIRU -certified Aspirant Program for emerging professional dancers. BVC's Tuition Assistance Program offers youth the opportunity to dance by removing financial barriers. BVC fosters physical literacy, social interaction, health and fitness, discipline, confidence and mental acuity.

BV fosters and promotes community, inclusivity, and reconciliation through representation, collaboration and meaningful repertoire and artistic practices.

Section 4. Principal Use Of This Property

Please provide a brief description of the principal use of the property and how this use benefits the community.

Located at 643 Broughton Street, the Ballet Victoria studio is a 1,150 sq foot space that BV and BVC share. The space is leased from St Andrew's Presbyterian as well as an office and two change rooms.
BV also rents St Andrew's Kirk Hall for its Tea for Tutu performances (12+ performances per year). BVC uses Kirk Hall for workshops and performances. (Courtney street side)
Kirk Hall is also used by others for community projects, performances, St Andrew's weekly tea (post service) and other events (receptions for weddings and funerals etc).

The company works from 9:00 am to 4:00 pm in the studio and the Conservatory uses the space from 4:00 pm to 8:00 pm or 9:00 pm. The school also uses the space on Saturday from 9:00 to 6:00 pm (from September to June each year). In July and August, BV and BVC offer camps (dance intensive). BV and BVC serves youth and adults, educating them in the art of ballet as well as developing their flexibility, strength and mental health.
BV and BVC cross over Arts and Culture, Education, Athletic and Recreation as well as Social services with its Tea for Tutu and its various community programs: Accessibility, Tea for Tutu, and community dance classes.

The studio, the office and the change rooms are used 6 to 7 days a week, all year by BV and BVC (Broughton street side). This is BV's main lease and used exclusively by BV and BVC,

The studio is used to create and rehearse all of BV and BVC MainStage productions. The dance studio is the most important space of Ballet Victoria.

BV has a very strong and loyal group of volunteers that garner community’s approval and support. Tea for Tutu is run entirely by volunteers (8 to 10 volunteers per day per performance). It is led by a volunteer committee chaired by a BV Board member. It is BV’s most important community program and requires great care and support from the BV volunteers to greet the audience and usher them, as well as to serve tea and cookies after the performance where the audience and the artists mingle.

Folio/Roll Number: 11-752-xxx (42 strata units) Address: 210 Gorge Road East

Legal Description: Strata Plan EPS8628

Registered Owner (if different than above): _____

Section 3. About Your Organization

Please provide a brief description of the goals and objectives of the organization.

Vision: A community where no one is forced to sleep on the street or go hungry and everyone has the dignity that comes with home, health, and connection.

Mission: Working with our partners in the capital region, we offer life-changing services to adults who are impacted by poverty, colonization, stigma, and homelessness. These services include permanent housing, emergency shelter, health and dental care, employment assistance, and social and recreational opportunities.

Guiding Principles: Meet clients where they are at; Advocate for those we serve; Approach each client with empathy; Practice integrity and mutual respect in all our relationships; Commit to anti-racism, decolonization, and cultural humility.

Today, close to 400 employees work at 20 Cool Aid locations in Victoria, Saanich, and Langford, providing emergency shelter, permanent supportive housing, housing for seniors, primary health and dental care, nutritious meals, and other wellness programs to the capital region's most vulnerable people

Section 4. Principal Use Of This Property

Please provide a brief description of the principal use of the property and how this use benefits the community.

210 Gorge Street East is a unique property which completed construction in 2022, and contains 72 rental units (each strata titled). 21 of the units are supportive housing owned by the Provincial Rental Housing Corporation and paying shelter rate rents, 9 of the units are owned by the PRHC and paying shelter rate rents, 42 units are owned by Cool Aid and are paying a variety of affordable rents.

The project mixes supportive housing units directly with affordable units. This has created conditions for a unique community environment providing real benefit to those looking to potentially move on the housing continuum from supportive housing to more independent living. It also creates an inclusive community experience for all residents.

This project receives no rent subsidy from the province and needs to pay all operating expenses and mortgages associated with the redevelopment costs out of collected rents. Island Health provides funding for staffing related to the supportive housing units.

We feel there is real benefit to the residents of this building, but also to the greater community, as we work at ways to integrate diverse community members in new approaches to affordable and supportive housing.

Section 5. Commercial Activity

Please provide a brief description of any commercial activities that your organization conducts on this property.

There is a 100 square foot commercially zoned space on the first floor. We had a month to month lease with a coffee shop operator for a short period of time as an experiment. Lack of foot traffic resulted in them terminating the lease. Cool Aid hopes to open a social enterprise cafe in the future.

Section 6. Volunteer Information

Please provide a brief description of how your organization incorporates volunteers to deliver services.

At Cool Aid, volunteers work with a team of individuals who are dedicated to helping others and making a positive difference in the lives of some of Victoria’s most vulnerable people.

There are 60 unique volunteer roles at Cool Aid, allowing us to offer many extra programs. 215 volunteers provided 6,253 hours of volunteer service in 2024.

The time given to us by our volunteers is immeasurably valuable and we appreciate every moment of it. With their help, we are able to expand and enrich many of our programs, making a difference in the lives of those we serve.
