

February 13, 2018

Cascadia Liquor Store Development Variance Permit Application for Relocation/Expansion COMMUNICATIONS & ENGAGEMENT RESULTS SUMMARY

THE GOAL

The goal of the Communications and Engagement Strategy was to assess and record community support for the relocation and expansion of the Cascadia Liquor Store in Quadra Village from 2631 Quadra Street to 2670 Fifth Street in support of the Development Variance Permit application to the City of Victoria.

THE APPROACH

This strategy, prepared by CitySpaces Consulting and implemented by Cascadia staff, comprised two main components:

1. Activities that focused on the wider community, and
2. Activities that focused on specific individuals, businesses, and organizations.

All communications were intended to clearly and openly explain the reason for the Development Variance Permit, why the larger location is needed, and how the new location will improve the Quadra Village shopping experience for consumers and neighbours alike.

THE ACTIVITIES & THEIR RESULTS

1) Petition & Community Information Flyer

- A petition was prepared and made available for signatures within the existing Cascadia Liquor location. The petition clearly explains what it supports and outlines the benefits of the project. Signers were asked to provide their names and addresses in addition to their signatures. As of the writing of this report approximately 1,200 signatures of support have been received.
- An information flyer was also available alongside the petition, and more thoroughly explained what Cascadia Liquor was intending to do with its application to the City. Information about the impending Open House event was also included. Cascadia staff were also always available to answer any questions about the project.
- See the Appendices for the full petition and flyer sample.

2) Immediate & Surrounding Business Neighbours

- Cascadia Liquor staff personally visited immediate and surrounding business neighbours to talk about the project. The information flyer, as well as project plans, were also part of these conversations. Individual forms for indicating support were left with these businesses, and more than 15 of them have been returned to Cascadia — all indicate support or indifference for the project.
- See the Appendices for returned forms of support.

3) Community Open House Event

- A community open house event was held on Saturday, February 3, 2018 from 1 pm to 4 pm in the proposed new store location. Almost 500 invitation flyers were hand delivered to

businesses and residents within a 100-metre radius of the Quadra Village Shopping Centre property line. These invitations were delivered 12 days in advance of the open house.

- At the event, the rationale, floorplans, and proposed timeline for the project were presented to the community, with several Cascadia staff members on hand to answer any questions. The petition was also available for signatures.
- The event was very successful. Of those who attended, 47 signed-in. Anecdotal feedback was very positive, and the only written comment form completed was also in support of the project.
- See the Appendices for the sign-in sheet, comment form, and invitation sample.

4) Other Opportunities

- Hillside Quadra Neighbourhood Action Group

Ann Brydle (Manager of Cascadia Quadra Village) and Jeremy Pott (Cascadia's Regional Operations Manager) attended the January 8, 2018 meeting of the Hillside Quadra Neighbourhood Action Group to address any comment or concerns related to the annual review of the existing location's Good Neighbour Agreement.

Ann and Jeremy also gave a presentation outlining the details of the Development Permit Application and variance. They were also able to answer questions regarding the existing Good Neighbour Agreement and how the new location will improve security for the shopping centre. They were also asked about how Cascadia supports the community, if another liquor retailer could take Cascadia's existing location and if it was possible to install a community message board in the new location. See the Appendices for the full meeting minutes.

- Hillside Quadra Community Association Land Use Committee (CALUC)

Members of the CALUC were present at the Quadra Neighbourhood Action Group meeting and Cascadia Liquor subsequently provided detailed information on the proposal to the chair.

- The Hillside-Quadra News

The Hillside-Quadra News is an online community news site for the neighbourhood. The Cascadia project was presented in a feature article, and information (including details of the open house) was also shared through the site's social media channels. See the Appendices for examples from Hillside-Quadra News.

- Victoria City Hall

Early on in the development of this project, Cascadia Architect and Cascadia staff members met with the City's Planner for Hillside-Quadra, Mike Angrove, to find out the best way to move forward within the City's development processes. Cascadia staff met with the Council representative for Hillside-Quadra, Ben Isitt at the Neighbourhood Action Group meeting to provide an overview of the project prior to submission of the final Development Permit Application.

CONCLUSION

From all the feedback received, both written and anecdotal from Cascadia staff, the residential and business communities within and surrounding Quadra Village Shopping Centre support the expansion of Cascadia Liquor to its proposed new space located at 2670 Fifth Street.

APPENDIX A

Petition for Support

Help Support our Expansion!

The Cascadia Liquor Quadra store is applying to the City of Victoria for a **Development Variance Permit** to allow us to move to the larger location right next door in Quadra Village Shopping Centre (2670 Fifth Street).

The advantage of the new location will provide:

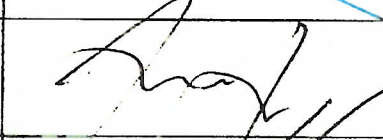

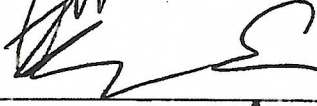

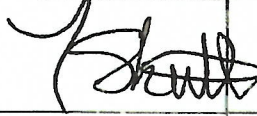

- A bright & modern interior with an expanded & enhanced product selection
- Less parking lot congestion for customers and other Quadra Village retailers.
- Better building security (no rear access, front door bollards, etc.), and better product security during deliveries (private loading dock).
- Meet demand from neighbourhood and improve customer experience.

Help Support our Expansion!

The Cascadia Liquor Quadra store is applying to the City of Victoria for a Development Variance Permit to allow us to move to the larger location right next door in Quadra Village Shopping Centre (2670 Fifth Street).

The advantage of the new location will provide:

- A bright & modern interior with an expanded & enhanced product selection
- Less parking lot congestion for customers and other Quadra Village retailers.
- Better building security (no rear access, front door bollards, etc.), and better product security during deliveries (private loading dock).
- Meet demand from neighbourhood and improve customer experience.

Help Support our Expansion!

The Cascadia Liquor Quadra store is applying to the City of Victoria for a Development Variance Permit to allow us to move to the larger location right next door in Quadra Village Shopping Centre (2670 Fifth Street).

The advantage of the new location will provide:

- A bright & modern interior with an expanded & enhanced product selection
- Less parking lot congestion for customers and other Quadra Village retailers.
- Better building security (no rear access, front door bollards, etc.), and better product security during deliveries (private loading dock).
- Meet demand from neighbourhood and improve customer experience.

Help Support our Expansion!

The Cascadia Liquor Quadra store is applying to the City of Victoria for a Development Variance Permit to allow us to move to the larger location right next door in Quadra Village Shopping Centre (2670 Fifth Street).

The advantage of the new location will provide:

- A bright & modern interior with an expanded & enhanced product selection
- Less parking lot congestion for customers and other Quadra Village retailers.
- Better building security (no rear access, front door bollards, etc.), and better product security during deliveries (private loading dock).
- Meet demand from neighbourhood and improve customer experience.

Help Support our Expansion!

The Cascadia Liquor Quadra store is applying to the City of Victoria for a **Development Variance Permit** to allow us to move to the larger location right next door in Quadra Village Shopping Centre (2670 Fifth Street).

The advantage of the new location will provide:

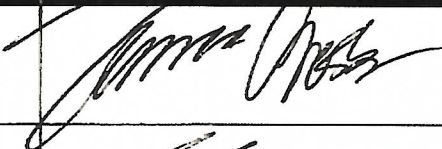

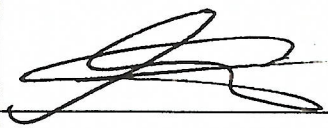

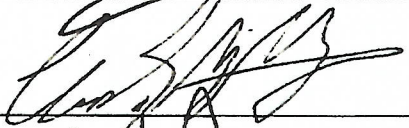

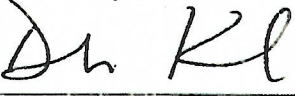

- A bright & modern interior with an expanded & enhanced product selection
- Less parking lot congestion for customers and other Quadra Village retailers.
- Better building security (no rear access, front door bollards, etc.), and better product security during deliveries (private loading dock).
- Meet demand from neighbourhood and improve customer experience.

HELP SUPPORT OUR EXPANSION!

This **CASCADIA LIQUOR** location is applying to the City of Victoria for a Development Variance Permit to allow us to move to the larger location right next door in Quadra Village Shopping Centre (2670 Fifth Street).

We hope you'll support our expansion/relocation by signing our petition.

WHY ARE WE RELOCATING?

DEMAND

Our relocation supports the vibrant growth of Quadra Village, with many new local businesses expanding or moving into the block to service the evolving commercial and residential needs of the area, including an increased demand for extended products and services.

IMPROVED CUSTOMER EXPERIENCE

With relocation, we'll be able to offer an elevated shopping experience. The store will be bright and modern, with wide aisles, inviting sightlines, and an extended product range with a focus on local producers, organic, and hard-to-find products from the Pacific Northwest and around the world.

(continued on reverse ►)

CASCADIA
liquor

COMMUNITY SAFETY & SECURITY

This new space was previously occupied by a provincial government liquor store. Custom built with crime prevention in mind, the frontage is reinforced with bollards and concrete dividers. The windows, which are limited to the front of the store, will be covered with exterior vinyl or other security element to prevent breakage. Additionally, the commercial loading bay is centrally located and well-lit. There is no rear access.

We are committed to the "Good Neighbour" policy, which has been incorporated into our lease agreement for the property. This policy includes things like not selling single portions of wine, beer, or spirits; a closing time that corresponds to our other retail neighbours; and maintaining a restrictive volume recycling program for bottles and cans.

OPERATIONAL & SITE IMPROVEMENTS

The existing loading dock will facilitate easier (and safer) receiving and processing of product, which we currently handle on the exterior sidewalk. This causes disruption to neighbouring tenants and customers, and increases traffic congestion.

Redirection of parking lot traffic flow to the new location (12 parking spots in front, 9 dedicated spots), will free up spaces for customers of Fairway Market, People's Pharmacy, and the new tenant for our existing space.

Help Support our Expansion!

We hope you'll support our expansion/relocation
by signing our petition at the following:

1. Our Cascadia Quadra Location
2. Our Open house for more information:
February 3, 1-4pm
Quadra Village Shopping Centre (2670 Fifth Street).

WHY ARE WE RELOCATING?

- ✓ **DEMAND**
Our relocation supports the vibrant growth of Quadra Village, with many new local businesses expanding or moving into the block to service the evolving commercial and residential needs of the area, including an increased demand for extended products and services.
- ✓ **IMPROVED CUSTOMER EXPERIENCE**
We'll be able to offer an elevated shopping experience. The store will be bright and modern, with wide aisles, inviting sightlines, and an extended product range with a focus on local producers, organic, and hard-to-find products.
- ✓ **COMMUNITY SAFETY & SECURITY**
We are committed to the "Good Neighbour" policy, which includes a closing time that corresponds to our other retail neighbours, not selling single portions of wine, beer or spirits and maintaining a recycling program for bottles and cans.
- ✓ **OPERATIONAL & SITE IMPROVEMENTS**
The existing loading dock will facilitate easier (and safer) product receiving which is currently handled on the exterior sidewalk causing disruption to neighbouring tenants and customers.

APPENDIX E

Hillside Quadra Neighbourhood Action Group Meeting Minutes
(January 8, 2018)

**Hillside - Quadra Neighbourhood Action Committee Meeting
8 January 2018**

Minutes (draft)

1. Welcome and Introductions

In attendance: 13 community members plus City of Victoria staff and 2 representatives from Cascadia Liquor.

2. Approval of Agenda (Chair)

3. Approval of Previous Meeting Minutes (Chair)

4. Cascadia Liquor – Good Neighbour Agreement Annual Review – Ann Brydle, Manager, and Jeremy Pott, Regional Operations Manager.

- No major events at the Quadra Village location. Very busy holiday season.
- Jeremy Pott is relatively new to Cascadia (10 months), comes from a background in hospitality.
- Cascadia continues to expand, with their newest location in Nanoose Bay.

Development Variance Permit Application:

- DVP sought to support relocating the Quadra Village store to a new location within the same plaza.
- Planning to relocate to a larger space that was originally a BCLC location and most recently Aaron's. The new space is currently vacant.
- Current storefront location is very busy – larger space will allow for a wider range of services that are available at other Cascadia locations, including master classes and information/education sessions.
- Cascadia has partnered with Café Fantastico to provide similar information services in Quadra Village.
- An open house for the new space is planned for early February – no firm date yet.
- Cascadia is requesting letter of support from the NAC to support the application process.
- A variance is required to allow for liquor sales in a space greater than 200m² - rezoning is not required.
- The new space will provide a safer and more efficiency loading/unloading space. A formal loading bay, rather than unloading on the sidewalk, will be safer for employees and community members.
- The short term parking stalls in front of Cascadia will be relocated in front of the new location.
- The new location will offer new services, but the product offerings will not change (no single can sales).
- Plan to distribute flyers to nearby residential buildings regarding the plans and the open house.
- One resident at the meeting noted the positive impact Cascadia and their employees have on the plaza and community members visiting the plaza.
- No renovations planned other than cosmetic upgrades to interior and exterior.

Community member questions:

1. What about the incident log required as part of the original agreement with the community?
 - a. No increase to in-store incidents, but staff have observed that some activities have increased in the plaza (aggressive panhandling, other problematic activities)
 - b. It doesn't appear that the plaza security has changed.
 - c. The new location will increase exterior lighting to deter activities such as dumping, drug activities, etc.
2. How does Cascadia support the community?
 - a. Ben Isitt noted that charitable activities are not considered as part of development approval process.
 - b. Ice sales and bottle donations go directly to the community. For example, \$1000 to the Quadra Village Community Centre in 2017.
 - c. Staff is encouraged to volunteer for Quadra Village Day.

3. If Cascadia moves, will this open the door to second liquor store in the old location?
 - a. Only one liquor retailer is permitted in the plaza. This development will not allow for new liquor sales in the current location once Cascadia has moved.
4. Can a community notice board be included as part of the new location?
 - a. Cascadia will review options and report back.

5. City Hall Update (Councillor Isitt & City of Victoria staff liaison Gary Pemberton)

- “No Dumping” sign has been installed on the VISA building.
- January 20 – Topaz Park Session at L’Ecole Quadra
- **My Great Neighbourhood Grants** have been approved for:
 - Topaz bike music fest (activity category)
 - Mural on the CDI building (place making category)
 - Wark Street Commons revitalization (place making category)
- Topaz park survey is open until January 28th online. Survey and information available on the City of Victoria website: <http://www.victoria.ca/EN/main/residents/parks/improvements/topaz-park.html>
- 2018 Budget:
 - 180k traffic management plan with a focus on Hillside-Quadra, James Bay, and Oaklands.
 - 200k for Topaz Park improvements
 - 200k Summit Park playground
 - 50k for traffic bollards replacement – Kings @ Fifth
 - Pilot @ Haultain and Kings has been bumped to next year
 - QVCC funds have been renewed.
- Questions about the delays on the crosswalk at Cook and Haultain
 - Gary responded shortly after the meeting to confirm that work will be completed in the coming weeks.
- Community member asked Gary to send thanks to public work staff for quick work on a water main repair on a Saturday night. Positive comments about the quick action on Wark Street repairs as well, based on a request submitted online: <http://www.victoria.ca/EN/meta/contact/service-request-form.html>
- Community question about traffic planning for the Summit for vehicles entering and existing from Hillside
 - Ben Isitt requested an email reminder to look into this further and report back.
- “Speed reader” electronic notice boards will be available for each neighbourhood in the coming year.

6. NAC Priorities 2018 (All)

- Strong interest in cycle paths in the community – Graham could be developed into a “all ages and abilities (AAA)” cycle path, building on the new crossing lights at Hillside.
 - Ben Isitt – this can be done without separated lanes by reducing traffic to <2000 vehicles/day and <25 km/h through traffic calming measures.
- General discussion regarding the discourse on cycling in Victoria media and City Hall.
- LED streetlights have created some new dark spots at night
 - Ben suggests contacting public works directly.
- Bus stops and shelters could use attention. Some lack seating, some are in disrepair, and some are poorly located (#4 eastbound @ Graham).
- Interest expressed to get support and information for boulevard gardens.
 - Ben suggests reaching out to “street greens” website and seeking information.
 - Possible migrate neighbourhood grants
- Request for volunteer to apply for a grant for a neighbourhood garage sale
- Traffic signal timing Hillside @ Blanchard is too short for many community members to cross safely
 - Request to invite traffic engineers to upcoming NAC meeting.
- Leaves left on boulevards for collection are killing grass
- Garbage and furniture dumping in the neighbourhood continues to be a problem in some locations, including private property (plazas and apartment buildings).
- Tolmie is becoming a thoroughfare to avoid Quadra @ Finlayson
- General concern over loss of green space in the community

- Uncertain future of VISA building
- Transportation issues for seniors and those with mobility issues are not adequately considered with current emphasis on bike lanes
 - More focus needed on transportation options that are not cars or bikes (mobility scooters, golf carts, other mobility options) as transportation planning is completed.
- Request for “bigger and better” Cascadia, crosswalks, and parks
- Suggestion to identify some parks as an option for temporary markets or other temporary commercial activities, similar to many European cities.
- Jackson/Tolmie park is underused
 - Possible community garden space? Zoo? Other options for better use?
- Concerns regarding speed limits on Quadra and BC Transit’s past interest in higher speed limit (50km/h rather than current 40 km/h) on Quadra
 - Questions about the long term plan for Quadra – wider and faster?

7. Land Use Update (Jenny F.)

2813-2887 Quadra Street and 2814-2890 and 2780/82 Fifth Street (Quadra Villa). Considered and moved forward at the Committee of the Whole (CoTW) December 14th. A public hearing date has not yet been set. A proposal to build 34 units of rental housing in three blocks on the existing parking lot and duplex lot.

2639/2641 Quadra Street, AAA Dispensary, approved as a cannabis retailer November 23, 2017.

The proposal for a Cannabis Dispensary at 3189 Quadra was **declined** at the December 7th Committee of the Whole meeting (largely due to advocacy from the École Quadra PAC, as mentioned in the video of the CoTW meeting).

Zoning Bylaw 2017 was withdrawn from the Council Agenda of December 14. It is going back to staff and then to CoTW again.

upcoming

2650 Quadra Street MeltTown has withdrawn their rezoning application and is now applying for a Temporary Use Permit for one year. Comes to Committee of the Whole **January 11th** and the staff recommendation is to decline.

1265 Vista Heights is going to council on **January 11th** for an "opportunity for public comment". Request for variances to: allow roof deck, reduce front yard setback and increase parking stall area grade.

Schedule D--Home Occupations Public Hearing January 11th. The new schedule allows for up to three home-based businesses in one location, with only one allowing customers to attend the property, and excludes cannabis businesses. This is a change from the current Schedule D which only allows one home-based business per property.

1249 Finlayson—CALUC Meeting January 24th. A small lot rezoning. Rotate the existing house which currently fronts on Highview so that it will front on Finlayson, and then to subdivide the lot to create a small lot.

1301 Hillside—CALUC Meeting with Oaklands January 30th at the Oaklands Neighbourhood House, 2629 Victor Street. A proposal to build a six-storey 45 unit rental apartment building.

2582 Vancouver Street—Preliminary Meeting at the February 5th NAC Meeting.

2566/2570/2580 Fifth Street—CALUC Meeting in February (TBA). A land assembly of three single family zoned lots within the urban residential zone and a rezoning to allow the building of 45 rental apartments in two buildings.

1050/52 Hillside and 2708 Graham—Committee of the Whole date not yet set. This is a Development Permit with Variances (DPV). Residents can comment on the variances in writing and at the council meeting (date TBA). There is no CALUC meeting. DPV for 4 new townhouse units to the rear of the existing duplex. The proposal requires variances for the number of buildings, site area, setbacks, site coverage and parking for vehicles and bicycle requirements.

3031 Jackson proponents have resubmitted new plans for a rezoning application for the construction of 8 townhouses. Concurrent with a development permit with variance application. Variances requested: Relaxation to the lot width from 60.00m to 53.17m. Relaxation to the separation space between blocks 1 and 2 from 7.50m to 4.90m. Relaxation to the separation space between blocks 2 and 3 from 7.50m to 7.30m. Relaxation to the distance between blocks 1 and 2 from 10.0m to 4.90m. Relaxation to the distance between blocks 2 and 3 from 10.0m to 6.68m.

8. Neighbourhood Updates - community news, business news (All)

- African supermarket opening soon! (Quadra just north of Hillside)
- Luthier who lives on Basil Ave will be taking over Old Town Strings.
- Masjid Al-Iman Mosque (Quadra @ Queens) will be marking the 1 year anniversary of the January 29, 2017 Quebec City mosque shooting on January 28th or 29th. Please contact the Masjid Al-Iman mosque for more details <http://org.thebcma.com/victoria>

Reminder: Become a member of the Downtown Blanshard Advisory Committee

Next NAC meeting: February 5th 2018 at 7:00 p.m., 901 Kings Rd.

To join the NAC email list and receive neighbourhood updates contact nag@quadravillagecc.com.

Contact Hillside Quadra Neighbourhood Action Committee (NAC) at nag@quadravillagecc.com.

Land Use and Transportation

Cascadia Liquor is proposing some changes to the Quadra Village shopping experience. Motivated to provide an enhanced customer experience through site improvements, the Cascadia Quadra location is applying to move to a larger location right behind its existing location in the Quadra Village Shopping Centre.

"We are excited about the possibility of expanding our product selection and providing an even better shopping experience to Victoria residents," says Cascadia Quadra General Manager, Ann Brydle. "We are looking for community support as we apply to the City of Victoria for a Development Variance Permit".

Cascadia is asking for the community to support their expansion/relocation by signing their petition.

This can be done at the current Cascadia Quadra location (across from Fairway Market) or at a community open house taking place on **Saturday February 3rd from 1:00pm – 4:00pm**. The open house will be in the old Aaron's location at Quadra Village Shopping Centre.

Cascadia management believe that the expansion will improve both the overall shopping experience and the parking and delivery logistics at the shopping centre. The intended space (formerly Aaron's) was once a provincial government liquor store and is better set-up for security and deliveries.

Cascadia Quadra Village is also committed to its "Good Neighbour" policy that sets a closing time corresponding with other retail neighbours, prohibits the sale of single portions of wine, beer, or spirits and maintains a restrictive volume recycling program for bottles and cans.

"The new site improvements will create easier and safer receiving and processing of product," says Ann "which is currently handled

Proposed new location of the Cascadia
Liquor store

Manager, Ann Brydle

on the exterior sidewalk causing disruption to neighbouring tenants and customers, and increasing traffic congestion."

Cascadia Quadra has been serving the community since 2009 and the store has proven itself to be a positive community partner. The envisioned new store will be bright and modern, with wide aisles, inviting sightlines, and an extended product range with a focus on local producers,

organic products, and hard-to-find products from the Pacific Northwest and around the world. Customers will also have the opportunity to taste new flavours during weekly product tastings.

For more information on the relocation or how to support, please contact Ann Brydle at 250.590.1940 or abrydle@cascadialiquor.com.

To learn more, visit the Relocation Community Open House:

February 3, 1:00pm-4:00pm

2670 Fifth Street in Quadra Village

CASCADIA LIQUOR'S QUADRA VILLAGE EXPANSION: COMMUNITY OPEN HOUSE ON SAT FEB 3

Cascadia are applying to the City of Victoria for a Development Variance Permit to allow them to move to the larger location right next door in Quadra Village Shopping Centre (2670 Fifth Street).

Cascadia are asking for the community to support their expansion/relocation by signing their petition. This can be done at the current Cascadia Quadra location (across from Fairway Market) or at a community open house taking place on Saturday February 3rd from 1:00pm - 4:00pm. The open house will be in the old Aaron's location at Quadra Village Shopping Centre.

WHY ARE THEY RELOCATING?

RESPONSE TO DEMAND – for extended products and services.

IMPROVED CUSTOMER EXPERIENCE - a bright, modern store, with wide aisles, and an extended product range.

OPERATIONAL & SITE IMPROVEMENTS - easier (and safer) product receiving and more efficient use of available parking spaces.

Cascadia are committed to the "Good Neighbour" policy, which includes a closing time that corresponds to other retail neighbours, not selling single portions of wine, beer or spirits and maintaining a recycling program for bottles and cans.
