Subject: 210 Gorge redevelopment

Dear Mayor and Council Members,

I am a resident of the Burnside Gorge neighbourhood residing at 3111 Harriet Rd, and I'm writing to express my support for Cool Aid's proposal to build 82 units of much needed affordable rental housing in our community. I attended a presentation at the Land Use Committee meeting on Monday, June 11th and had the opportunity to see the revised plans for the new building and was very pleased. I feel that a lot of care and attention has been taken to design a building which will be a real asset for the community and strongly believe that we need more affordable rental housing urgently.

Thank you,

Kathleen

Subject: 210 Gorge Road - Proposed Redevelopment

Dear Mayor and Council Members,

I am a resident of the Burnside Gorge neighbourhood residing at [3089 Albany Street](#). I am writing to express my support for the Victoria Cool Aid Society's proposal to build 82 units of much needed affordable rental housing at [210 Gorge Road](#).

I attended a presentation to the Land Use Committee meeting on Monday, June 11th and had the opportunity to see the revised plans for the new building. I feel the Victoria Cool Aid Society has utilized their expertise gained from many other projects they are involved with and have applied that to the design and for the proposed use of this new building. I feel this proposed development will only improve the existing site and provide much needed affordable housing for our community.

Thank you,
Bobbie Moretti

Subject: 210 Gorge Road Proposal

Dear Mayor and Council Members,

As a homeowner in the Burnside Gorge neighbourhood, I would like to express my support for Cool Aid's proposal to build 82 units of much needed affordable rental housing at 210 Gorge Road.

I attended the presentation at the Land Use Committee meeting on Monday, June 11th and was very happy to see the revised plans for the building. I feel that a lot of care and attention has been taken to design a building which will be a real asset for the community, especially as we face such a strong and urgent need for more affordable rental housing.

I urge council to approve this project.

Many thanks,

Scott Daly
