

To Mayor Lisa Helps and Victoria city council.

I am writing this letter to request a Variance for parking regarding the rezoning application for 2520 Turner st. According to the calculations shown on the city of Victoria web site it has been determined that we will need 3 parking stalls. Currently we have Two. As well we have a drive way that our members could use. We have Installed a bike rack on the south side of our building that can accomodate 5 bikes and are encouraging our members to use the galloping goose trail or public transit both of which are located meters away. Thank you for your consideration.

To whom it may concern,

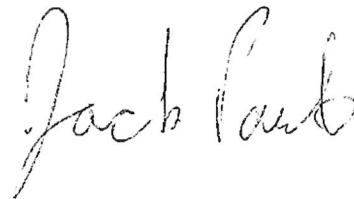

I am Jack Paulo owner of the Pro Shop on Bay st.
we have enjoyed having Absolute Medicinal as neighbour's for the last
2years.

They have become a valued member of the local business community helping
bring

commerce to the the shops in the neighbourhood.

They have always been clean & quiet and their clientele have always been
friendly and respectful.

We wish them continued success in the foreseeable future.

Hello, To whom it may concern:

I am writing to recommend the approval of the rezoning application that Absolute Medicinal has applied for. We have been doing good business for two years with shared parking with no problems.

I believe they do a good service and are a highlight to the neighbourhood.

I and the neighbourhood, would be disappointed to lose them.

Sincerely,

Jodi Mann

Hello my name is Kieth Wallace,
Owner and operator of Wallace Welding and
Fabrication, I am writing this letter in support of
Absolute Medicinal's rezoning application.

We have been nieghbour's since 2016. I am also
a member of their shop and have found them to
be friendly, professional and diligent with their
membership policy. I feel they are an asset to
the neighborhood as they provide pain relief to a
lot of tradesmen who work in the area.

As a neighbour they have done their part to keep
the area looking good and free from litter.

We are looking forward to having them in the
niebourhood for years to come.
