

Rezoning & Heritage Development Permit Application

An aerial photograph of a large, rectangular, multi-story building with a flat roof and numerous windows, situated in an urban environment. The building has a light-colored facade and a dark roof. It is surrounded by other buildings and streets. A small car is visible on the street in front of the building.

An aerial photograph of an industrial complex, possibly a refinery or chemical plant. The facility includes several large, cylindrical storage tanks, various processing units, and a network of pipes and roads. The surrounding area appears to be a mix of industrial and undeveloped land.
