Subject: Proposed changes to 224 Superior Street

To whom it may concern,

I am of the opinion that the proposed changes to the noted address should be allowed to proceed, ONLY if the Heritage designation of the building on the outside is restored. It is my understanding that some changes have already been made that should not have been undertaken.

I would also add, there are concerns from the neighbour to the west of this property that the proposed design will completely eliminate all access to sunlight for them, which seems completely unfair to allow, and in my opinion, a terrible precedent for the city to set, allowing one neighbour to improve property at the absolute expense of another.

I also would like to bring to your notice that the present owners refuse to cut a large hedge on the east side of the property, neighbouring us. This hedge is approximately 40 feet high and deprives us of sunlight on the west side of our home. This has been an ongoing issue for at least ten years, so we are fully aware of what a detriment something similar would be, to the neighbour on the west.

I send this in confidence and would like my email address to remain confidential.

Many thanks,
Blaise Nelson
