This is to advise you that I do support the proposal for the four-storey brew-pub and distillery. I believe that this development will be an asset to the community financially and job creation which is always a good thing.

Hi,  
I won't have a chance to come to the hearing on the 20th of Sept, re: the permit for the brew-pub and distillery. Me and my family are in favour of the rezoning. A brew-pub would be a great addition to the area. Being close to Moon Under Water and to Spinnakers has been a perk of our neighbourhood in Vic West.

Thank you,
