**Subject:** Proposed Changes to 457/459 Kipling

Hi: We live at 448 Kipling St., right across the street from the residences in question. That structure, 457/59 has always been a duplex ever since we moved here in 1991. The proposed changes to the structure would update this old building. We are very much in favour of the rezoning to R-2 Two Family Dwelling for this lot. The owners have been meticulous and sensitive in keeping the neighbours aware of their proposed changes and are a welcome addition to our neighbourhood. We cannot be at the November 8th meeting but wholeheartedly endorse this application.

Sincerely,  
Gil and Angela Henry,  
Owners of 448 Kipling St.
