

**Small Lot Rezoning Petition**

Except as noted below, the petitions were included in the original submission.

Number of Properties	21	
Properties supporting the application	18	<u>90%</u>
Properties opposed to the application	2	10%
Neutral	1	

75% is the amount which the Small Lot Rezoning Package says is 'satisfactory'. The petitions show **considerable community support** for the rezoning.

Note:

- The neighbour at 228 Superior received the petition in February at which time he indicated his support for the proposal. He reiterated his support at the James Bay Community Association Meeting in March. However, he has not returned his signed petition and for that reason we have had to consider him neutral.
- We did not receive the petition from the neighbour at 232 Superior until May 26 so it was not included in the original submission. It is attached here.
- The petition from 226 Superior was not received until June 24. It too is attached here.

- The owner at 221 Superior Street has changed his mind. His signed petition in favour of the project is attached.

Comments:

Rezoning to include a small lot and two story house creates significant shading and privacy issues for our home. All of our east facing windows (80% of our total windows) will be shaded from sunrise to noon negating any direct sunlight from entering our home. As well the location and design of the house will impact our privacy in our yard.
