Appendix A. Proposed Changes to the Grant Policy

(proposed changes are highlighted in yellow)

A. PURPOSE

The purpose of the My Great Neighbourhood Grant Policy is to guide the allocation of grants that impact public space and support community activities.

B. OBJECTIVES

The objectives of the My Great Neighbourhood Grants is to bring neighbours together to animate under-utilized community space that will leave a positive physical legacy in public spaces and to support community development through action and education.

C. DEFINITIONS

Great Neighbourhood projects that qualify for this funding fall into two separate categories:

Placemaking projects have the following characteristics:

- They are initiated by local residents.
- They animate under-utilized community spaces.
- They create gathering spots that bring people together.
- They are partnerships between the community and the City of Victoria.
- The community takes the lead in these projects. City staff provides advice in design, development, installation and construction.
- They can be a pilot project.
- They must be completed within one year upon receiving funding.
- They contribute to neighbourhood pride and enhance quality of life.

Activity projects have the following characteristics:

- They are initiated by local residents.
- They engage and/or educate community members.
- They promote community development and community programming.
- They serve as a neighbourhood improvement campaign.
- The community takes the lead in these projects. City staff provides advice in regulatory guidelines
- They can be a pilot project.
- They must be completed within one year upon receiving funding.
- They contribute to neighbourhood pride and enhance quality of life.

My Great Neighbourhood Placemaking and Activity grants require a 100% matching contribution by the community. The City will fund up to \$5,000 to match the equivalent contribution the neighbourhood makes for a Placemaking grant and up to \$1,000 for an Activity grant. The matching contribution can be a combination of volunteer labour, donated services, donated materials and supplies and other funds raised. A rate of \$20/hr will be used to calculate the match made with volunteer labour. If professional services are provided, the professional donating their services will provide the value of their contribution.

D. ELIGIBILITY CRITERIA

The program is open to all not-for-profit organizations including community and neighbourhood associations and schools. Ad hoc, informal organizations and businesses may also apply for funding by partnering with a local not-for-profit group. The not-for-profit group is required to submit the application, and if approved, will receive the funding. The project must be within Victoria to be eligible for funding.

The applicant must meet all the following criteria to apply for a grant:

- Registered non-profit organization in good standing in the Province of BC or registered charitable organization in good standing with the Canada Revenue Agency
- Each application can submit one application per intake period (Registered non-profit organization in good standing can support multiple groups)
- Organization can reside outside of Victoria
- The project must be in Victoria and benefit residents of the City of Victoria
- Evidence of clear mandate and competent administration
- Not in arrears with the City of Victoria
- Not in bankruptcy or seeking creditor protection
- Projects must be completed within one year upon receiving funding
- Reporting requirements
- Must outline match from the community
- Must outline how the project will be maintained

Eligible expenses for Placemaking funding include:

- Materials (paint, equipment, wood, etc.)
- Insurance fees
- Equipment rentals
- Professional labour costs

If the applicant is successful, the grant payment will be made to the not-for-profit organization to provide to the group they are supporting.

Applicants are limited to one placemaking project and one activity grant per annual intake. For a multi-phased project to be considered, a substantial new element must be introduced with each application. This program limits a maximum of three (3) proposals for the same project area. Applications for new projects will be prioritized over recurring applications, factoring in quality of application.

The process of reviewing the grants includes the following steps:

1. Intake period opens
2. Applications submitted by deadline
3. Staff review applications for eligibility
4. Staff conduct a technical review of the applications to ensure they meet City of Victoria standards and bylaws
5. Applications that impact public space will be vetted through appropriate departments to assess the project or program feasibility
6. The City's unions will be notified of eligible applications for their review and notification of any staff considerations

7. Eligible applications will be presented to the Committee of the Whole
8. Council awards the grants

10. Successful recipients will have up to one year to complete their project.
11. Recipients report on grant use and deliverables as projects are completed. Council will be updated through the quarterly report.

G. DECISION MAKING

Staff will review all applications and evaluate based on the eligibility requirements and technical review. All eligible grant applications will be presented to Council for review. City Council will decide on all grant allocations.

H. GRANT LIMITATIONS

Not all applicants meeting the eligibility requirements will necessarily receive a grant. Grants are one-time approvals and are not an automatic ongoing source of annual funding.

I MAINTENANCE AND PROJECT LIFESPAN

Successful Placemaking projects will be maintained for a mutually agreed upon lifespan not to exceed 5 years in total by the community organization once completed. Maintenance may be renewed beyond the initial term through mutual agreement of the City and the community organization. If the item created through the project falls into disrepair, requires replacement or becomes a safety concern it will be removed by the City of Victoria. Activity projects will be maintained for a period of up to six months by the community organization once activated.

J MONITORING AND REPORTING

Each grant recipient will be required to submit a post-program report as specified by the City of Victoria.

K. TIME EXTENSIONS AND REPAYMENT OF GRANTS

If the grant will not be used for the stated purpose, the full amount must be returned to the City of Victoria.

At the discretion of the Neighbourhood Team, a three-month extension may be granted for placemaking projects; a second three-month extension may be granted under extenuating circumstances. If after eighteen months (one year to complete and six months of extension) the project is not complete, the City will ask for the grant funds to be returned.

At the discretion of the Neighbourhood Team, one three-month grant extension for an activity may be granted under extenuating circumstances.
