BCLC Casino Victoria

That Council direct staff to undertake the public engagement required under the Gaming Control Act in the form of a public hearing, to be held at the same time as the public hearing required for a rezoning application under the Local Government Act and Casino Rezoning Guidelines for the proposed gaming facility in Victoria, including specific outreach to both Esquimalt and Songhees First Nations.

That staff inform BCLC that any rezoning would need to include a Community Benefits Agreement including but not limited to provisions for at least 10% of the labour force employed to build the casino and 10% of those hired to operate it come from economically marginalized and/or underemployed groups.

That any neighbourhood association that may be the host of any applications be added to the engagement of local stakeholders.
