ADVISORY DESIGN PANEL

2008 –
2009

MEMBERSHIP COMPOSITION

It was moved by Councillor Hughes, seconded by Councillor McLean, that

- (1) The March 10, 1994 Council resolution regarding the size of Advisory Design Panel membership be amended to read

"seven members plus one Councillor alternate, one architect alternate and one landscape architect alternate."

- (2) Section 1.3 of the Advisory Design Panel Terms of Reference be amended to read

"Membership of the Victoria Advisory Design Panel shall consist of Council appointees as follows

Three registered architects, one Councillor, and not more than three greater Victoria residents with appropriate design qualifications, including, but not restricted to landscape architect, design consultant, professional engineer, heritage consultant and development consultant. One Councillor alternate, one architect alternate and one landscape architect alternate shall also be appointed."
