The Victoria Police Department does not have any site-specific comments with respect to this application. We would reply upon the existing fit and proper results through the LCRB and their background checks through the RCMP, and the community consultation process through the City of Victoria, Sustainable Planning and Community Development. The Victoria Police Department will not be conducting any further background investigation (in part due to the lack of named individuals) on the application by "The Original FARM" at 1402 Douglas St.
