

Cultural Day 2019

OVERVIEW

This project is about creating a social gathering of cultures and arts in the community to celebrate multiculturalism. An opportunity to showcase cultural performances and to enjoy traditional food from different cultures and religious backgrounds. Our vision is to initiate an annual event to allow people in Victoria to embrace the diversity of backgrounds and to promote a stigma-free community. This event is organized by a group of youth from the City of Victoria Youth Council

GOALS

1. Bring people from different cultures together
2. Advocate for multiculturalism in Canada
3. Create a comfortable atmosphere for the educational sharing of culture
4. Engaging and fun activities for children, youth, and adults

LOCATION

City Hall (TBD)

DATE

May 25th, 2019. A one-day event that starts at around 10 in the morning and runs until 3 in the afternoon.

ACTIVITY PLANS

1. Speeches/presentations

We invite speakers with different cultural and religious backgrounds to present a story that relates to the theme of building a better future and further promoting a stigma-free community.

2. Cultural performance

This is an opportunity for people to showcase their culture through a form of art. We believe through cultural performance is one of the best ways for people to connect and engage with culture.

3. Cultural fair

The event will end off with a cultural fair where there will be booths that offer hands-on experience including cultural food sharing, cultural games, and activities etc. people have the opportunity to connect with presenters and learn about sponsored organizations.
