

Council Report

For the Meeting of March 28th, 2019

To: Council **Date:** March 21st, 2019
From: Chris Coates, City Clerk
Subject: *Mobile Bicycle Vending Miscellaneous Amendments Bylaw No.19-040*

RECOMMENDATION

That Council give first, second, and third reading to the *Mobile Bicycle Vending Miscellaneous Amendments Bylaw No.19-040*.

EXECUTIVE SUMMARY

On March 14th, Council directed staff to bring forward an amendment bylaw containing provisions for a mobile bicycle vending program.

The *Mobile Bicycle Vending Miscellaneous Amendments Bylaw No.19-040* is attached as Appendix A for Council's consideration.

It was determined that potential size limit requirements for mobile bicycle vending units are not evident in any existing City bylaws or enacted in other Canadian jurisdictions. In view of the lack of clear rationale and experience to support a policy recommendation on issues relating to a possible size restriction, staff have not included size restrictions in the proposed bylaw.

The recommendation is that Council give first, second, and third reading to the *Mobile Bicycle Vending Miscellaneous Amendments Bylaw No.19-040*.
