Dear Ms. Gorman:

Re: Regional Vegetation Management Strategy

At their meeting held March 25, 2019, Council considered the above noted matters and resolved as follows:

"That Council direct staff to write a letter to the Capital Regional District and all member local governments indicating Council's interest in participating in a co-application submitted by the CRD on behalf of its members to UBCM's Community Resiliency Investment Program for the development of a regional vegetation management strategy."

During discussion of this matter, Council noted their interest in attending a meeting with the CRD and member local governments to receive additional information on the proposed regional vegetation management strategy prior to committing to participating in a co-application to be submitted to UBCM's Community Resiliency Investment Program.

Please contact me by telephone at 250-598-3311, or by email at dhopkins@oakbay.ca if you require any additional information.

Sincerely,
