Re: Application to Extend Hours of Operation Food Primary Licence – 1002 Blanshard Street, Clarke & Co.

Dear Manager Bylaw and Licensing Services,

The DRA Land Use Committee has reviewed the application to extend operating hours for the Food Primary Licence at 1002 Blanshard Street, otherwise known as Clarke & Co. Additionally, we have communicated with the strata and residents at the nearby residential building at 838 Broughton Street, The Escher, for additional input.

Feedback is as follows:

- With an occupant load of 32 persons, the extension of the operating hours from midnight to 1:00 am is not anticipated to create additional noise or nuisance to neighbours.
- Nearby residents did not express any concerns with this operation under the existing hours. Furthermore, they did not raise any objections to the proposed change in operating hours.

The DRA has ongoing concerns regarding food primary locations operating liquor service late night in downtown areas proximal to residential buildings. However, it appears reasonable to support the staff recommendation to extend hours to 1 am daily in this particular case due to the relatively small size of the establishment.

Sincerely,

Ian Sutherland
Chair
Downtown Residents Association Land Use Committee
