Victoria Housing Reserve Fund Program Guidelines

Program Overview

The Victoria Housing Reserve Fund was established for the purpose of the providing grants for funding to:

- Assist in the development and retention of affordable housing for households with very low, low, or moderate incomes to support community diversity and infrastructure; and
- Facilitate the development of affordable rental housing, and affordable home ownership projects.

Successful applicants will be required to enter into a Housing Agreement with the City of Victoria to ensure the units receiving funding remain affordable housing in perpetuity, or for a time approved by Council. A final report is also required.

For the purposes of this program, the following definitions from the **City of Victoria Housing Targets (2016 - 2031)*** will be used:

| | Very Low Income | Low Income | Low to Moderate Income |
|------------------------------------|----------------------------|-------------------|-----------------------------------|
| Annual Income | < \$20k/yr | \$20 - \$35k/yr | \$35 - \$55k/yr |
| Housing Costs (Monthly) | < \$500 | \$500 - \$875 | \$875 - \$1,375 |

***NOTE TO COUNCIL:** Staff will be bringing forward new housing targets as part of the update to the Victoria Housing Strategy to Council that will be rectified with the new target definitions accordingly.

Who can apply?

Typically, eligible applicants must be a registered non-profit society or partner with a registered non-profit society that will own and operate the housing. Exceptions may apply for affordable home ownership projects, where it can be demonstrated that funding will directly offset the price of unit purchase; however, several restrictions apply. If you are *not* a registered non-profit society, please contact the City of Victoria to determine eligibility prior to submitting a funding application.

Project Eligibility

All projects must:

- Include financial leveraging and partnerships with other government funding agencies, private industry, community agencies and/or individuals;
- Have VHRF contributions not exceed non-refundable contributions from other levels of government on the same project;
- Target housing for very low, low, and low to moderate income households as defined above;
- Adhere to the Tenant Assistance Policy and submit a Tenant Assistance Plan for staff approval;
- Be located in the City of Victoria;
- Utilize housing reserve funds for construction, development, purchase, or other one-time costs at the discretion of Council;
- If approved, enter into a Housing Agreement securing units funded as affordable housing in perpetuity, or for a time negotiated and approved by Council motion.

Victoria Housing Reserve Fund Program Guidelines

Affordable Home Ownership Projects

Applications for Affordable home ownership projects must clearly outline how the project will work, including how the fund will improve the affordability of the units; how the units will remain affordable over time, project administration, tenant eligibility criteria, rental and resale restrictions, and other relevant details.

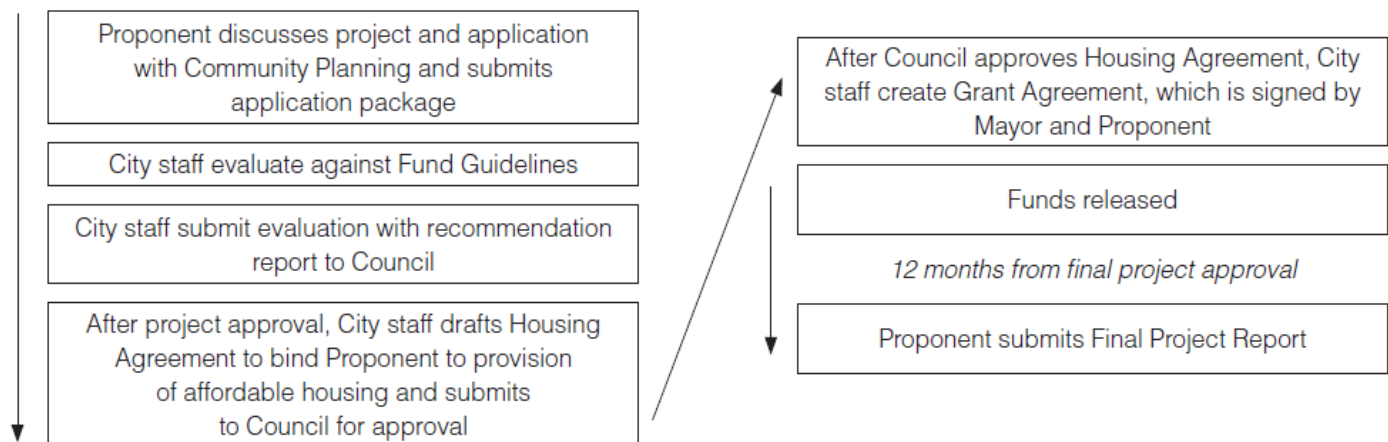

At Council's sole discretion, higher income thresholds for affordable home ownership projects than affordable rental may be considered; however typically units must be offered at a minimum of 10% below market value, with greater consideration for maximum grant funding for projects that offer better affordability.

How to Apply

Applications are accepted on or before the bi-annual deadlines of March 31 and September 30, and are assessed concurrently. Project approval is subject to Council's sole discretion and availability of funding.

1. Review the Program Guidelines to determine eligibility. If you are unsure if your project is eligible or if you have questions about the process, contact the Community Planning Division. A pre-application meeting is strongly encouraged.
2. Complete the application package, ensuring inclusion of all documents identified on the Application Checklist.
3. Submit the application in person, by mail, or email, confirming receipt by contacting the Community Planning Division.
4. Applications are targeted to be assessed concurrently ~~within one month after the intake deadline, and two months to receive a Council decision.~~
