

City of Victoria

BRITISH COLUMBIA

Annual Report

YEAR ENDED DECEMBER 31, 2018

Welcome to Victoria

Capital City of British Columbia

Located on the southern tip of Vancouver Island, on the homelands of the Songhees and Esquimalt peoples, Victoria is a forward-thinking, active community. The city is home to a dynamic, thriving economy and vibrant arts and culture scene, with an unparalleled natural environment enjoyed by residents and visitors. It's a place where sustainability, health and well-being are the cornerstones of creating a prosperous future.

Maintain:

Mayor and City Council

The Mayor and Council of the City of Victoria were each elected for a four-year term in the municipal election held in October 2018. The City has 13 formal neighbourhoods recognized and appoints a Council Liaison to each neighbourhood. Some members of Council are also appointed to the Board of the Capital Regional District (CRD). Appointments are made by the City to external boards and committees. There are also external sub-committees or other groups to which members are appointed by those external bodies.

Council has one committee: Committee of the Whole. Committee of the Whole, comprised of the Mayor and all eight Councillors, focuses on broad policy issues that affect the community or organization as a whole, land development regulations and policy, and specific land development applications.

Message from Mayor Lisa Helps

2018 was the final year of the last Council's ambitious four-year strategic plan.

Last year, we completed a number of major capital projects including, but not limited to the *sx̱weŋx̱wəŋ tənəx̱w* James Bay Library, Johnson Street Bridge, Belleville Plaza improvements, Dallas Road Seawall repairs, Fort Street Bike Lane and Douglas Street transit and bike priority lanes.

Not only did we work hard in 2018 and over the last term to invest in infrastructure to improve quality of life and well-being like storm sewers, roads, parks, bike lanes, and more. But also, the 2018 financial statements and staff's accompanying report to Council indicate that the City's financial situation improved from 2014–2018.

Based on direction from Council, staff have assessed the City's financial condition by evaluating three important financial indicators: sustainability, flexibility and vulnerability.

Financial condition is a measure of a government's financial health to meet its existing financial obligations.

The City's ratio of assets to liabilities is positive and trending upward. This indicates strengthening sustainability: current revenue is sufficient to cover operating costs and resources are on hand to finance future operations without increasing the debt or tax burden.

To further reinforce this strong financial position, the City's Financial Sustainability Policy maintains our ratio of total debt services charges to taxation revenue to a level well below the legislated allowable maximum.

But if I had to name the most significant financial achievement in the past year and over the past term, it would be the significant increase we have been able to make to the City's reserve funds.

The City's Reserve Fund Policy, reviewed and updated in 2015, guides the development and use of reserve funds. Between 2014 and 2018, the City grew its reserve balances from \$160 million to \$210 million.

We will continue to increase our reserve balances to ensure adequate financial resources are on hand to improve and replace the City's infrastructure over the long term. This will help protect taxpayers from unexpected surprises and gives the City extra flexibility to fund new parks and public improvements, as well as renew critical infrastructure to keep the city running.

I want to thank staff for their hard work in 2018 in delivering high-quality services and capital projects that were on time and on budget. And a special thanks to our staff in the Finance Department for strong fiscal management and strong policy recommendations to Council in 2018 and over the past term.

Lisa Helps

Message from the City Manager

The City of Victoria's Annual Report is an opportunity to reflect on the work completed in the past year to carry out Council's Strategic Plan and deliver the more than 200 community services you depend on for a safe, healthy, vibrant and prosperous city.

In 2018, we were able to complete a number of large capital projects, as well as deliver on smaller day-to-day improvements to increase the quality of life in our neighbourhoods.

More than 10,000 people came out on a beautiful sunny day in March to join their neighbours for a community street party to officially open the new Johnson Street Bridge. Two months later, the City opened the Greater Victoria Public Library *sxʷeŋxʷəŋ təŋəxʷ* James Bay Branch, which includes a community meeting space. From day one, families in James Bay have made the library their new community living room. The branch, the second in the city and the 12th in the regional system, is named after the Lekwungen family group who lived in the area and reflects the City's ongoing work towards reconciliation.

Staff also made progress on the City's long-term renewal plan for aging underground infrastructure. This includes replacement and rehabilitation of water, sewer and stormwater pipes to protect neighbourhoods, businesses and residents and make our community more resilient to natural disasters and climate change.

To increase open government and transparency, the City's new Open Data Portal brings together a multitude of city information in one place with online tools to explore and download data, analyze datasets using maps, and develop new web and mobile applications. A new online agenda management and webcasting platform for Council and Committee Meetings makes it easier for people to access Council documents and sets the stage for future accessibility improvements.

Other digital service improvements include online electrical permits that now save time for contractors. This will expand to plumbing permits next and eventually we will be going paperless for all types of building permit applications. A new recreation registration and reservation system now sees one-in-three registrations booked online, fast, secure and easy.

The City's Archives took its first step online – and it was a big one. A new searchable digitized archives database makes more than 10,000 archival photos and records available to the public at a click.

Victoria ended the year on a high note as the community played co-host to the 2019 World Junior Hockey Championship at the Save-On-Foods Memorial Centre. The city welcomed the world and hundreds of local volunteers stepped up as they always do to showcase our proud community spirit. The 17-day event was a major economic boost to the city and further solidified our

reputation as one of the best sport tourism destinations in the country.

Residential and commercial construction hit new highs. Permit values have doubled, while construction values are three times what we saw in 2015. This equates to more people living, working and enjoying the city, adding to the economic vitality of our neighbourhoods and supporting local businesses.

I want to extend my thanks to everyone who played a role in the successes and highlights featured in this report. Without the dedication and thoughtful contribution of City staff, citizens, business leaders, community and neighbourhood associations, and many others, these achievements would not have been possible.

We look forward to continuing our work together to create a thriving, inclusive, and healthy city.

Sincerely,

Jocelyn Jenkyns,
City Manager

Message from the Chief Financial Officer

I am pleased to present the City of Victoria's audited consolidated financial statements for the year ended December 31, 2018. The financial statements are the responsibility of the City of Victoria's management and have been prepared in compliance with Section 167 of the Community Charter and in accordance with generally accepted accounting principles approved by the Public Sector Accounting Board (PSAB). The City maintains a system of internal accounting controls, including policies and procedures, designed to safeguard the assets of the corporation and provide reliable financial information. The financial statements have been audited by BDO Canada LLP, who have expressed that in their opinion these statements present fairly, in all material aspects, the financial position of the City as at December 31, 2018.

Financial reporting standards require the preparation of four statements, and notes to those statements, to ensure comparability between government organizations nationally. To highlight financial condition indicators that can be useful to the readers of these statements, and provide a more detailed explanation of the financial activity for the year, the summary below describes significant operating results for 2018.

Operational Results

The City's Financial Sustainability Policy guides financial decisions made during the Financial Planning process. The primary objective of this policy states: "policies shall be designed and structured to develop principles that guide, support, and respect the direction of the community so that taxpayers can look forward to stable, equitable and affordable property taxation." The information in the Financial

Statements for the year ended December 31, 2018 reflect the results of these guiding policies and principles.

The City's net financial position continued to grow in 2018, illustrating the ongoing commitment to strengthening the City's capacity to meet financial obligations. Unlike senior government organizations, municipalities are legislated not to incur deficits and debt for operations. Debt can only be incurred for capital purposes, and an accumulated surplus must be maintained. The City's growing assets to liabilities ratio indicates strengthening sustainability: the City's operations provide resources on hand to meet current obligations and finance future operations.

The accumulated surplus grew in the year to a total of \$675 million as a result of the City's investment in capital assets and reserve balances since its inception. Equity in capital assets, such as roads, underground infrastructure, land, and buildings, makes up the most significant portion of the accumulated surplus balance (\$455.6 million), followed by reserve balances (\$215 million). The growth of reserve balances, combined with prudent debt management, are further indicators of strengthening sustainability and flexibility, elements which support the financial health of the City.

Consolidated revenues for 2018 were \$15.5 million higher than 2017, primarily due to increased revenue from parking services and Victoria Conference Centre, and increased taxes levied. The largest expense increases were \$3.13 million in Transportation Services and \$2.02 million in Planning and Development, a result of: amortization of capital assets; increased cost of materials and supplies; and contractual

wage and benefit increases. The net result for 2018 is a contribution to accumulated surplus of \$55.3 million for the year, consisting primarily of increased investment in tangible capital assets, followed by growth in reserve balances, with a small portion of general operating fund surplus which is available for future spending.

Highlights

The City of Victoria continues its efforts to expand on initiatives implemented in prior years. In 2018, building on its Project Management Framework and increasing transparency of capital budget reporting, the City expanded on its quarterly accountability reporting of major capital projects and programs, identifying major achievements and accomplishments in work plan deliverables. This included major fleet changes, underground utilities and larger specific projects.

The City's effort to increase transparency and public understanding is also reflected in summarized financial information and plain-language material included in this year's annual report.

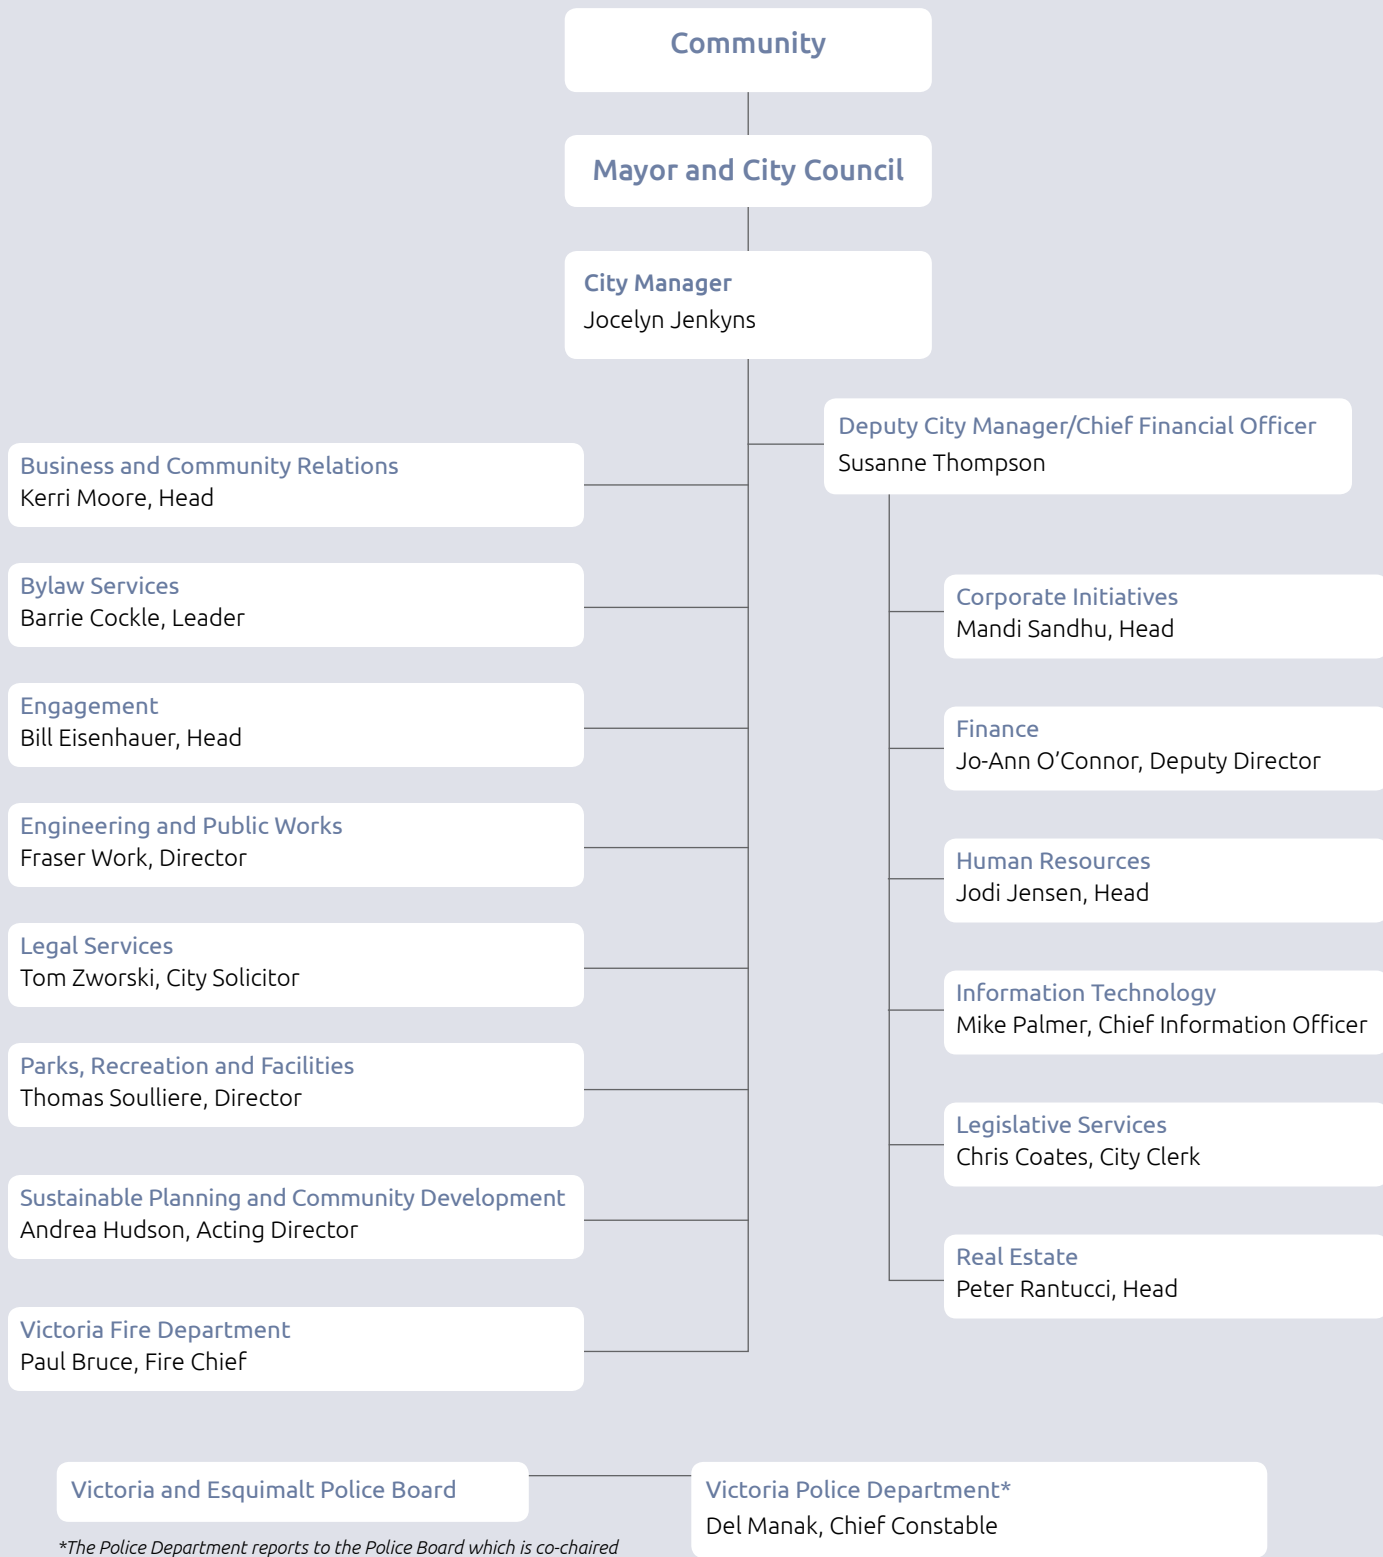

Working collaboratively, the City maintains its commitment to continuous improvement and long term financial sustainability as reflected in its service enhancements; financial policies and processes; increasing investment in capital assets and reserves; and prudent management of debt.

Sincerely,

Susanne Thompson, CPA, CGA
Deputy City Manager/Chief Financial Officer
April 25, 2019

2018 Organizational Chart

City of Victoria | as of December 31, 2018

Strategic Plan 2015 – 2018

In April 2015 Mayor and Council adopted a new Strategic Plan that guides the direction for the City.

Our Goal

"Victoria is a leading edge capital city that embraces the future and builds on the past, where human well-being and the environment are priorities, where the community feels valued, heard and understood and where City Hall is trusted. Victoria is a city that is livable, affordable, prosperous and vibrant, where we all work in partnership to create and seize opportunities and get things done."

Objectives

- 1 Innovate and Lead
- 2 Engage and Empower the Community
- 3 Strive for Excellence in Planning and Land Use
- 4 Build the Financial Capacity of the Organization
- 5 Create Prosperity Through Economic Development
- 6 Make Victoria More Affordable
- 7 Facilitate Social Inclusion and Community Wellness
- 8 Enhance and Steward Public Spaces, Green Spaces and Food Systems
- 9 Complete a Multi-Modal and Active Transportation Network
- 10 Nurture Our Arts, Culture and Learning Capital
- 11 Steward Water Systems and Waste Streams Responsibly
- 12 Take Climate Action and Prepare for Emergencies
- 13 Demonstrate Regional Leadership

The City of Victoria's 2018 Annual Report provides a summary of the City's strategic objectives and major accomplishments achieved throughout the year for these objectives, as well as key performance metrics. These metrics include major service demand trends impacting municipal operations in a number of areas including, but not limited to, development permits, festival and special events, parking, facility use and calls for emergency service.

Performance measures:	2017	2018
# of time-loss injury claims	47	60
# of hours of sick time used per FTE	68.32	72.67
# of days lost to workplace injury	802	1,316

Innovate and Lead

We are constantly seeking new ways to deliver the best programs and services to our citizens, building a strong team and organization culture to enable the City of Victoria to innovate and lead.

Outcomes the City is working towards in this area include:

Organizational culture is collaborative, supportive and empowering

Staff are organized into cross-departmental project teams with strong project management capacity

Highlights of what we achieved in 2018

Introduced **online Electrical Permits**, allowing contractors to apply, pay for and receive their electrical permits via online transactions, resulting in increased convenience and time savings

Received the **2018 Award of Excellence for Cultural Planning** from the Creative City Network of Canada for the Create Victoria Arts and Culture Master Plan

Implemented a new and improved agenda management and webcasting platform

for Council and Committee Meetings that consolidated two separate systems into one and has more powerful tools for the agenda creation process

Implemented a new industry standard document and **records management system** for the Legal Department that improves case management and creates efficiencies for all legal records

Launched the **new online digitized Archives database**. The searchable database is available to the public and contains more than 10,000 archival photos and records.

Introduced **online Bylaw Service Requests forms**, allowing the public to request bylaw services via the ConnectVictoria mobile app or from the City's website

Deployed **modern office productivity tools** as part of our continuous improvements to promote efficient work processes, document collaboration and file management

Provided an **expanded range of services to support employee health and well-being** through a new Employee and Family Assistance Plan provider. In addition to counselling services, employees and their family members may access life smart coaching for expert advice, coaching and customized information on career planning, life planning, care-giving and health management.

Performance measures:

	2017	2018
# of user sessions on victoria.ca	1,081,090	1,400,200
Social media audience (Facebook, Twitter and Instagram)	72,700	82,000
Social media engagement (likes, shares, retweets, comments)	101,200	71,448
# of engagement activities	179	107

Engage and Empower the Community

Effective engagement is an integral part of good government. An engaged community creates opportunities for individuals with diverse perspectives to come together and share their ideas with staff and elected officials. It's also an opportunity to listen and learn from others and to assist decision-makers as they explore ways to improve City plans, programs and services.

Outcomes the City is working towards in this area include:

Engaging in a meaningful, two-way conversation with the public

Being a regional leader in open and transparent government

Empowering neighbourhood residents, place-makers and others to lead and implement projects

Highlights of what we achieved in 2018

Hosted the **second annual Engagement Summit, themed 'One City, Many Voices.'**

The event included City staff, panelists and 60 community members exploring ways to inform the City's engagement activities.

Launched the **City's new Open Data Portal**, enabling the community to explore and download

open data, analyze datasets using maps, and develop new web and mobile applications

14,009
2017

16,159
2018

of citizens participating in engagement activities

Worked with the citizen-led **Participatory Budgeting Steering Committee** to develop a model to empower the community in budget decision-making.

Twenty-eight project proposals were submitted by individuals and organizations with ideas on how best to spend \$52,500 of the City's budget. Over 4,300 votes were received and three proposals were selected.

Hosted the **My Great Neighbourhood Block Party** along with community partners which included a key note speaker, a showcase of projects recently funded

through the City's grant program, as well as interactive activities for all ages

Approved **\$56,300 in My Great Neighbourhood grant funding** for 21 community-initiated placemaking projects including a portable bike track, a community and a native plant garden, a play space renewal, a little library, and a neighbourhood festival

Continued the popular *Cities in the 21st Century: Lunch Time Lectures* series at City Hall

As part of the City's Youth Strategy, piloted a **City Hall School Day** program with School District 61. Five classes from local public schools visited City Hall to take part in workshops, meet the Mayor and Councillors and learn about how their city works.

Supported the **Orange Shirt Day: Every Child Matters** ceremony in Centennial Square for the second consecutive

year, in partnership with the Bridges for Women Society that recognizes the harm that Canada's residential school system had on generations of Indigenous families and their communities

Engaged thousands of residents on a wide range of topics including

neighbourhood planning for Burnside Gorge, Fairfield and Gonzales, cycling network improvements, the future of the Crystal Pool, Vic West Park, Centennial Square, and the 2018 Financial Plan

Performance measures:	2017	2018
Construction permits issued	3,759	3,706
\$ value of construction permits	\$308 M	\$414 M
Development Permit application volume	397	371

Worked with the Fairfield, Gonzales and Victoria West neighbourhoods on updating their neighbourhood plans. All included extensive consultation with the community on various topics. The Fairfield Neighbourhood Plan process was extended to allow time for further public engagement to resolve concerns around specific policy areas.

Strive for Excellence in Planning and Land Use

Excellence in planning and land use is demonstrated through efforts to bolster housing diversity within complete, sustainable communities, community-focused planning initiatives, protection of heritage buildings, public realm initiatives, and streamlined policies and processes

Outcomes the City is working towards in this area include:

Increase diverse supply of housing available in the city targeting a range of incomes

Reduced processing time for all types of applications from building permits to rezoning

Streamlined land use policies

Enlivened public spaces

Highlights of what we achieved in 2018

Approved a **new plan for the Victoria West neighbourhood** that will guide future growth, development and decision-making in Vic West over the next 20 years

Approved a **new Zoning Bylaw 2018**, which provides updated regulations within the Downtown Central Business District and Old Town

Approved **new city-wide off-street parking regulations** for vehicles and bicycles that help support affordable housing and promote active and multi-modal transportation

Approved an approach for **updating industrial zoning in Rock Bay** as part of ongoing implementation of the Downtown Core Area Plan. The new industrial zones are anticipated to support economic development and industrial activity within the Rock Bay employment area and streamline the bylaw by reducing the number of site-specific zones.

Began to implement the City's newly granted legislative authority of **Residential Rental Tenure Zoning** to help preserve and increase the supply of residential multi-family housing in Victoria

Amended the *Building Bylaw* to adopt the BC Energy Step Code to establish measurable energy-efficiency requirements for new construction. The approach was based on criteria developed from industry feedback, including considerations for regional coordination, industry capacity and readiness, climate action, housing affordability and cost implications.

Introduced **on-line application capabilities for electrical permits** and started to work to expand to plumbing permit, and digital (paperless) applications for all building permit types

Continued heritage preservation through heritage designations and heritage tax exemptions for a number of properties around the city

Created an inventory of all existing rental market housing stock in the city

Total Construction Permit Value (\$Millions)

Approved Short-term Rental Business and Zoning regulation bylaws to establish rules around the operation of short-term rentals to limit their impact on long-term rental housing availability

Implemented a **new Tenant Assistance Policy** to request developers provide financial compensation and assistance to tenants impacted by redevelopment proposals

Funded Our Place Society to build and manage a storage space to provide daytime storage for individuals experiencing homelessness

Performance measures:

	2017	2018
ParkVictoria app transactions	605,798	778,068
Value of investment interest earned	\$3.493 M	\$5.419 M
Actual rate of return on investments	1.60%	2.42%
New property tax revenue from new construction	\$1.195 M	\$2.573 M

Build the Financial Capacity of the Organization

As stewards of public funds, the City is accountable to the community to ensure value for tax dollars.

Outcomes the City is working towards in this area include:

Maximized and where possible consolidated City-owned assets, put to best and highest use including market rate commercial leases

Increased revenue from City-owned property

Highlights of what we achieved in 2018

Received an unqualified (clean) opinion from external auditors on the **City's 2017 Financial Statements**

Granted permissive tax exemptions of \$1,972,961 to 105 organizations/157 properties

Began development of a **Strategic Real Estate land acquisition, management and disposal strategy** linked to inform the City's long-term capital planning process

Consulted with the public on the 2018 Draft Financial Plan, including a Town Hall meeting once again that was open to participation in person, online, and by phone

Achieved **87.7% property taxes collected by due date**, similar to previous years. There was an increase in customers taking advantage of the City's online payment options; over 50% of Home Owner Grant claims were made electronically, and **80% of installment payments were made online**.

Number of Parking Transactions

*based on delegate days at average delegate spend

Create Prosperity Through Economic Development

The strength of our economy is the foundation for supporting our entire community.

Outcomes the City is working towards in this area include:

Reduced retail and commercial vacancies downtown

Improved health, consumer purchasing power, and social solidarity with implementation of Municipal Incomes Strategy

Highlights of what we achieved in 2018

Fielded **492 inquiries at the Business Hub** (313 related to starting a new business). Home-based business inquiries were the most common at 34%, followed by a mix of innovative entrepreneurial ideas, retail, and restaurants.

Co-hosted the 2019 World Junior Hockey Championship Tournament at the Save-On-Foods Memorial Centre

VCC Delegate Days

Co-hosted the second annual Innovation Forum with the Government of Canada Office of Small and Medium Enterprises

Hosted several **Small Business Information Sessions** at City Hall, connecting small businesses with resources they need to get started, or continue to grow

Continued to partner with post-secondary institutions on CityStudio

Victoria, where students and community members co-create, design and launch projects. Yates Street Community Garden project, Cascadia Collaborative-Emerging Green Builders, and SFU Urban Studies were just a few of the programs.

Continued to explore ways to **reduce red tape** to make it easier to do business in the City, including options to apply for new business licences online, as well as research on the potential to permit a Vancouver Island-wide business licence

Participated in a number of initiatives, workshops, events, conferences and **tradeshows** through the Business Hub with the goal of attracting businesses to the City of Victoria

Launched the first **Victoria Business Survey** to provide economic indicators for business development

Welcomed 122 registrants to the National Angel Capital Organization Summit. Participants were exposed to our local talent, innovation, and vibrant city through a variety of activities and events.

Initiated a **Talent Attraction Forum** in partnership with the South Island Prosperity Partnership to focus on the technology sector challenges and potential strategies to attract and retain talent to Victoria

Performance measures:	2017	2018	Performance measures:	2017	2018
# of new housing units	837	1,333	# of purpose-built rental units approved through building permits issued	248	532
Total dwelling unit conversions	8	371	% of overall vacancy rate	0.8	1.2
Total secondary suites (new and conversions)	46	39	Average sale price for single family homes	\$ 905,556	\$ 959,059
Demolitions (units)	62	42	Average sale price for condominiums	\$ 452,732	\$ 515,107
# of rental units (affordable rental) created by Housing Reserve Fund	62	63	Average sale price for townhouses	\$ 636,456	\$ 732,831

Make Victoria More Affordable

We are committed to developing innovative housing policy solutions, including measures that will improve housing affordability and increase the supply of affordable housing units in partnership with the private and non-profit sectors, the Capital Regional District, and the provincial and federal governments.

Outcomes the City is working towards in this area include:

Increased range of affordable housing not only for those in need of supports but also for working people, families and youth

Appropriate solutions in place, including adequate housing, for all individuals experiencing chronic homelessness

Highlights of what we achieved in 2018

Rental Vacancy Rate %

Approved a **Victoria Housing Fund grant in the amount of \$30,000** to the North Park Manor Society to assist in the construction of three new affordable rental units for low and medium income seniors at the North Park Manor

Made progress on implementing key Victoria Housing Strategy actions aimed at increasing the number and diversity of housing units in the city

Approved a number of rental tenure zoning initiatives. First steps

included preparing amendments to the City's zoning bylaws to enable rental tenure zoning in Victoria and develop regulations that would apply to secondary suites and garden suites, and rezoning applications proposing new purpose-built rental units.

Continued progress on the **Market Rental Revitalization Strategy**, including development of a rental building inventory, conducting condition assessments of buildings, hosting several focus groups with stakeholders (landlords, property managers, tenants and tenant advocates), and undertaking energy efficiency and seismic upgrade analysis on key building types in the city

Approved **\$25,000 to partner with BC Housing and Island Health to increase services for Our Place** to address gaps in the spring/summer opening hours. The new spring and summer operating hours more closely align with those of other service providers, helping to meet the needs of individuals seeking services and support.

Conditionally approved a number of **updates to the Victoria Housing Reserve Fund guidelines** as part of the City's ongoing efforts to address affordable housing in Victoria. Two intake dates (March and September) will allow applications to be evaluated concurrently, the fund will be updated to a tiered funding model, focusing on projects located in Victoria, and require projects to adhere to the City's Tenant Assistance Policy.

Approved a grant to the Victoria Cool Aid Society to assist in the construction of **50 new affordable apartments** at 210 Gorge Road East

Entered into a letter of intent with the Capital Regional Housing Corporation and School District 61 to see the development of approximately **155 new affordable housing units** for low to moderate income families to be built on City, School Board and BC Housing-owned lands adjacent to the Victoria High School

Completed negotiations with BC Housing for lease renewal of 1240 Yates Street to support the My Place transitional shelter housing

Performance measures:	2017	2018
Crystal Pool and Fitness Centre:		
% of total registrations online	20.1	27.6
# of camp registrants	1,934	1,882
# of children who learned to swim	1,352	2,120
LIFE program participants	1,611	1,602
Bookings of Royal Athletic Park	75	92
People attending Royal Athletic Park	75,000	88,600

Facilitate Social Inclusion and Community Wellness

The City of Victoria is a healthy and inclusive community, committed to the well-being of all citizens.

Outcomes the City is working towards in this area include:

Public recreation and cultural facilities are first rate

City infrastructure and facilities are more accessible for everyone

Enhanced quality of life

Highlights of what we achieved in 2018

Launched a **new recreation registration and reservation software system**. Online registration increased from 20% last year to nearly 28% this year.

Collaborated with community members and stakeholders to develop a plan for replacement of the Crystal Pool and Fitness Centre

of children who learned to swim

2017: 1,352

2018: 2,120

Introduced a variety of new inclusive and adaptive swim programs. As a result, **54 children with disabilities participated in learn-to-swim programs and 117 women enrolled in women-only lessons**. The City worked in partnership with the BC Muslim Association and Victoria Foundation to run after hours **fun swims for women and children in the Muslim community** who are unable to swim when men are present.

Partnered with the Greater Victoria Public Library to open the **sx'wənx'wəŋ təŋəx'w** James Bay Branch (pronounced s-hweng hw-ung

tongue-oo-hw). The library is named after the Lekwungen family group who lived in the area and reflects the City's ongoing work towards Reconciliation as it recognizes the traditional territory of the Lekwungen-speaking people, known today as the Songhees and Esquimalt Nations.

Enrolled approximately **1,600 residents, including 452 children and 1,150 adults**, in the Leisure Involvement for Everyone program, providing access for individuals facing financial barriers to participation

Hosted the **15th annual Veedub Skate Competition** at Vic West Skate Park. The event welcomed 150 participants between the ages of eight and 48.

Commenced implementation of the Youth Strategy, approved in 2017

Received a program **grant for \$19,750** from Island Health in partnership with Health and Recreation Partnership. This funding supports a **10-week nature and wellness program for youth** living with anxiety or other mental health related disorders.

Offered **nine weeks of summer camp programming for 1,600 children** at locations throughout the city, including Crystal Pool and Fitness Centre, Beacon Hill Park, Hollywood Park, Topaz Park, Central Park and Vic West Park

Performance measures:	2017	2018
Trees removed from public property	150	421
Trees planted on public property	328	416
City parks and green spaces	137	137

Enhance and Steward Public Spaces, Green Spaces and Food Systems

In the City of Gardens, residents are connected to their green spaces and public places.

Outcomes the City is working towards in this area include:

Greenspace, parks and food systems are enhanced, well-maintained and fully utilized

David Foster Harbour Pathway is celebrated for its wayfinding that links all harbour front developments

Highlights of what we achieved in 2018

Designed and constructed park amenities and multi-modal pathway improvements on newly acquired lands, which expanded Cecelia Ravine Park

Installed **five mason bee houses** in Beacon Hill Park. The mason bee houses are located along Bridge Way, and near the Rose Garden.

Number of City-owned trees:
33,000

Approved the **Topaz Park Improvement Plan**, a 10-year vision for the park that expands the range of activities to better support the needs of the community. Over 3,600 people actively participated in consultation events for this project over the past year. Overall, citizens expressed a very high level of support (87%) for the proposed park improvements.

Showcased the City's annual spring bulb and flower displays, with **16,981 bulbs** and **18,482 annuals** this year

Renewed sport courts, including seven tennis courts in Todd Park, Banfield Park and Stadacona Park, and the basketball court at Vic West Park

Held **three community tree planting events**, resulting in 55 new trees and 500 shrubs in Beacon Hill Park, Pemberton Park and Cecelia Ravine Park

Hosted special events at Royal Athletic Park including the Great Canadian Beer Festival, Rifflandia Music Festival, and Brewery and the Beast

Made progress on implementing the **Visual Victoria wayfinding system**, including installation of pylon signs in the Inner Harbour, Chinatown, and in front of City Hall, and directional and pylon signs along the David Foster Harbour Pathway. A First Nations blessing ceremony was held when the pylon signs were unveiled.

Performance measures:	2017	2018	Performance measures:	2017	2018
Km of road paved	1.35	2.1	New LED pedestrian countdown signals	2	4
Sidewalk projects completed	2	2	Major street rehabilitation projects completed	3	6
Metres of AAA infrastructure installed	2,400	3,200	Local street rehabilitation projects completed	6	4
Bus shelters installed	4	4			

Complete a Multi-Modal and Active Transportation Network

We are building new infrastructure and transforming our transportation system to improve safety for people who walk, bike, take the bus and drive.

Outcomes the City is working towards in this area include:

Public transit is accessible to all and rivals private automobile trip duration

Pedestrian travel is safe, comfortable and enjoyable for all ages and abilities

Victoria is a national leader for cycling infrastructure and complete streets planning

Highlights of what we achieved in 2018

Largely completed repairs on the **existing seawall** to provide a sound structure that protects the existing road, sidewalk, and underground utilities on Dallas Road between Dock Street and Lewis Street

Completed the **Capital Station Bus Station** pilot project, including negotiation of leases

to support regional transportation within downtown

Opened the **Douglas Street Southbound transit and bike priority lane** between Tolmie and Hillside Avenues. The project was funded by the Province of BC and the Victoria Regional Transit Commission.

Completed the **Belleville Street project** including widened sidewalks, boulevard trees, a new mid-block crosswalk, marked bike lanes and repaving of the street between Oswego and Menzies

Negotiated the acquisition of lands in support of the **David Foster Harbour Pathway**, east of Raymur Point to Laurel Point, from Transport Canada

Installed **audible/accessible pedestrian signals** at several locations throughout the City, a recommendation from the Accessibility Working Group

Constructed the Beacon Hill Park Connector as a part of the AAA network. This provides a safe and accessible shared-use path for pedestrians and cyclists linking James Bay and Fairfield neighbourhoods.

Opened the new **Johnson Street Bridge**. Features of the new bridge include three vehicle travel lanes, on-road bike lanes, a multi-use deck for pedestrians and cyclists, a dedicated pedestrian pathway, and bascule pier observation deck, which allows pedestrians to walk under the bridge and view the internal machinery that raises and lowers the structure.

Sidewalk Network Completion

■ Length of new sidewalks in 2018..... 0.12km
■ Length of upgraded sidewalks in 2018..... 2.1km
Total length of completed sidewalk network.... 465.8km
City Blocks that have sidewalks..... 88.7%

Opened the **new Fort Street protected bike lanes** as a part of the All Ages and Abilities (AAA) cycling network. The project retained 95%

of on-street parking and added new trees, public seating, acoustic pedestrian signals, upgraded pedestrian crossings, new sidewalk segments and bike parking. Fort Street was named one of the Top 10 cycling infrastructure projects in North America. Completed the design, analysis and consultation for AAA infrastructure on Wharf and Humboldt Streets and started the design process for Vancouver Street.

Opened the **Reeson Park pathway as a part of the David Foster Harbour Pathway**

Implemented a **“back to school” road safety education program** with all elementary schools in the municipality and sponsored youth cycling skills courses with Central Middle School

Performance measures:	2017	2018

Block parties	31	28
Special event and film permits issued	368	350
# of days of filming	203	155

Nurture our Arts, Cultural and Learning Capital

Victoria radiates creativity and thrives as a home to creative people and everyday artistic experiences. City is dedicated to fostering a thriving cultural ecosystem where creativity, innovation and artistic excellence can flourish.

Outcomes the City is working towards in this area include:

Implementation of the Create Victoria Arts and Culture Master Plan

Support for arts and culture is increased, inclusive and strategic

Highlights of what we achieved in 2018

Selected Agartu Ali as the **2018 Youth Poet Laureate**. Her *Poems of Colour* event was an evening of poetry that celebrated diversity and explored themes of race and ethnicity.

Provided opportunities for the public to learn the history of Indigenous peoples through **Sacred**, a permanent exhibition throughout City Hall

Number of free, city-organized arts and culture programs and events in Centennial Square and Cameron Bandshell

Hosted events to mark **National Poetry Month** in April including Poet Laureate Night, Starfields Festival, Poems for the Planet, and the Annual Mayor's Poetry Challenge

Revised the **Public Art Policy**

Selected local artist Austin Willis for the **Commercial Alley Art Gallery** and launched the **Commute** bus shelter exhibition program

Indigenous Artist in Resident Lindsay Delaronde completed a number of projects including **facilitating a men's performance** focused on art, culture, resurgence, performance and healing; the **Indigenous Artist Symposium** in collaboration with the Royal BC Museum; and a performance entitled **Forgive**, exploring a narrative of Indigenous voices confronting colonial history

Produced the annual **CityVibe** festival and event brochure, a free guide to the many summer festivals and events happening around the City

Hosted events including **Vacant Storefront Program**, grant and funding workshop, and two sessions on **Arts Philanthropy** hosted by the Union Club of BC

Recognized Bill Gaston and Monique Gray Smith at the **Victoria Book Prize Society Awards Gala**

Increased investment for the Festival Investment Grant program

Launched **Concrete Canvas**, an outdoor mural series for street art and creative expression in the Rock Bay neighbourhood

Supported steady film production activity around the city

Artist in Resident Luke Ramsey completed nine projects including a 10-week collaborative drawing workshop with local youth artists resulting in a large illuminated artwork and mural decal now installed into the **sx'ənɣwəŋ tənəx'** James Bay Library

Celebrated Canada Day Victoria in the Inner Harbour with local, multicultural programming

Create Victoria, the City's Arts and Culture Master Plan, won the Creative City Network of Canada Award for Excellence in Cultural Planning

Facilitated a feasibility study, design charrette and project support to explore **repurposing 28 Bastion Square into a Creative Hub**

Performance measures:	2017	2018

Tonnes of residential organics collected	2,183	2,117

Steward Water Systems and Waste Streams Responsibly

Acting as stewards for our natural environment helps ensure the sustained health of our community.

Outcomes the City is working towards in this area include:

The City handles waste in a responsible way

Support CRD in construction of a sewage treatment plant

Highlights of what we achieved in 2018

Rolled out the **Checkout Bag Regulation Bylaw** and launched the **BYO Bag Victoria!** education and awareness campaign. A toolkit was created to support businesses help communicate the changes associated with the new bylaw to their customers and included a series of tips sheets, posters, handbills, till toppers, and decals. The bylaw intends to reduce plastic bag waste in our community.

Average organic waste diversion rate:

Continued major upgrades to the City's aging underground infrastructure including replacement or rehabilitation of sewer mains, waterworks mains, and stormwater mains

Began the development of a zero waste strategy, looking at available options and strategies for reducing corporate and community solid waste

Became a founding partner in a national program to reduce food waste. The **Love Food Hate Waste** campaign aims to change Canadians' behaviours around food and reduce the amount of food wasted across the country. The campaign was introduced to the community with materials raising awareness of food waste in City Hall and on the sides of the City's garbage fleet.

Held the **19th Annual Public Works Day**, an open house to provide elementary students an opportunity to learn more about how City staff work to ensure the community is healthy, safe and sustainable

Take Climate Action and Prepare for Emergencies

The City is resilient in the face of emergencies and disasters, encouraging everyday readiness in ways that support individual, family and neighbourhood resilience.

Outcomes the City is working towards in this area include:

- City and community have reduced greenhouse gas emissions
- A new Fire Station to replace the current Headquarters

Highlights of what we achieved in 2018

Continued to experience success with **Vic-Alert**, the **City's Emergency Notification System**. The tool has approximately 60,000 subscribers, primarily the result of the tsunami warning which occurred on January 23, 2018.

Completed the installation of **four electric vehicle (EV) chargers** in City parkades. This brings the city's public EV charging infrastructure to a **total of 13 Level 2 stations**.

Adopted the **City's Climate Leadership Plan**, the City's action plan to reduce greenhouse gases (GHGs) by 80 percent below 2007 levels by 2050 and transition to 100 percent renewable energy by mid-century

Entered into an **emergency response services agreement with the Canadian Red Cross (CRC)** which establishes parameters for collaboration between the City of Victoria and the CRC to ensure the provision of humanitarian assistance in the event of an emergency

Participated in **Fire Prevention Week** with the theme "Look. Listen. Learn. Be aware – fire can happen anywhere." Fire drills and fire safety messages were delivered to **15 schools** and approximately **4,000 students and teachers**.

Completed a multi-year competitive selection process and entered into an agreement with the leading proponent for the construction of a new post-disaster building to house the City's main firehall/Emergency Operations Centre, with 130 units of affordable housing to be built above

Firefighter aggregate training hours

19,831	16,295
2017	2018

Updated the City of Victoria's Emergency Plan

Delivered **fire safety and emergency preparedness community education programming** to over **10,700 attendees** this year. These education sessions included Fire Prevention Week, fire safety talks, emergency program workshops, Shake Out, fire drills, and school education programs.

Received **7,700 requests for service** in 2018 through the Victoria Fire Department, resulting in 7,325 responses, a decrease from 8,064 calls in 2017. The opioid epidemic continued to increase overdose related calls, with **845 calls in 2018** in comparison to 657 in 2017, a 29% increase.

Completed Victoria Fire Department recruitment with the creation of an eligibility list of qualified candidates to fill current and future vacancies, including the Department's **first female fire fighter**

Deployed an engine and tanker to the BC Wildfires in the interior. Fire crews were deployed in August to deliver structural fire protection to Fort St. James and surrounding communities.

Demonstrate Regional Leadership

As the regional commercial hub, and as the Capital City, Victoria is well-positioned to play a leadership role in the Capital Region.

Outcomes the City is working towards in this area include:

Enhanced governance is in place in the Region, especially with respect to emergency services dispatch

Highlights of what we achieved in 2018

Committed to consulting with representatives of the development community on the proposed adoption of the **BC Energy Step Code**. The Step Code is an amendment to the BC Building Code that establishes performance-based energy efficiency requirements for new residential and commercial construction with the ultimate goal that all new buildings will be **“net-zero energy ready” by 2032**. On November 1, 2018 Step Code Level 1 came into effect.

Held a joint Committee of the Whole meeting with the City of Victoria and the District of Saanich Councils to **consider a referendum question on establishing a Citizens’ Assembly** to explore the costs and benefits of the amalgamation of Saanich and Victoria. That meeting resulted in both Councils voting to place the following question on the **2018 Municipal Election ballot**:

“Are you in favour of spending up to \$250,000 for establishing a Citizens’ Assembly to explore the costs, benefits and disadvantages of the amalgamation between the District of Saanich and the City of Victoria?”

Hosted the Association of Vancouver Island and Coastal Communities 69th Annual General Meeting and Convention at the Victoria Conference Centre

Informed citizens in advance of the **General Municipal Election** regarding what they needed to know to participate in the election on October 20. Information was communicated through the City’s free Victoria Votes app, a joint-municipal wrap of an issue of the Times Colonist, social media, posters, rack cards, an online Candidates Guide and the City’s website. **Total voter turnout in the City of Victoria was 29,707 – 43.5% of registered voters, the highest turnout in recent history.**

Approved the Regional Growth Strategy, which has been agreed to by all regional municipalities

Hosted the Local Government Management Association of BC 2018 Conference and Annual General Meeting at the Victoria Conference Centre

Victoria Police Department

The Victoria Police Department (VicPD) is the oldest police department west of the Great Lakes and has been proudly serving the City of Victoria since 1858 and the Township of Esquimalt since 2003.

In 2018, VicPD officers were on the front lines of the opioid crisis and saved numerous lives through the administration of Naloxone to overdose victims. They also saw an increase in mental health-related calls, which encompassed almost 18% of all occurrences.

59,012 calls for service

47,176 9-1-1 calls

VicPD finalized preparations for the **transition of our 911 Communication Centre** to the South Island Police Dispatch Centre, which will combine 911, non-emergency call-taking and dispatch services for the Victoria, Saanich, Central Saanich, Oak Bay and Cowichan Valley areas

VicPD officers and staff connected with the citizens we serve at over 500 community events and meetings

VicPD worked with a number of community partners to **ensure public safety at major events**, especially the Canada Day celebrations that drew tens of thousands of citizens to events in downtown Victoria

15 deserving citizens were recognized with VicPD Civic Service Awards for stepping up to contribute to their community's safety

The **Block Watch Program completed an 11-point renewal plan** to make the program more beneficial for the participants. Highlights of these improvements include a redesigned VicPD Block Watch sign, more training, and better lines of communication from the department to participants.

VicPD Volunteers and Reserves gave more than 17,000 hours to our communities through crime prevention programs such as Lock Out Auto Crime, Speed Watch, and Cell Watch, resulting in over 58,000 vehicles being checked through these programs

VicPD responded to **1,470 media requests**, issued over **200 news releases** and continued to build positive relationships through the various social media platforms including Twitter, Facebook, Reddit, and Instagram

FINANCIAL STATEMENTS OF

The Corporation of the City of Victoria

Year Ended December 31, 2018

Management's Responsibility for the Financial Statements

The accompanying financial statements of The Corporation of the City of Victoria (the "City") are the responsibility of management and have been prepared in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of Chartered Professional Accountants Canada. A summary of the significant accounting policies are described in the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The City's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

Mayor and Council meet with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

The financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the City. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the City's financial statements.

City Manager

Deputy City Manager/CFO

April 25, 2019

Independent Auditors' Report

To the Mayor and Councilors of The Corporation of the City of Victoria Opinion

We have audited the financial statements of The Corporation of the City of Victoria, which comprise the Statement of Financial Position as at December 31, 2018, the Statements of Operations, Change in Net Financial Assets and Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2018, and its results of operations, its changes in net financial assets, and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.

Independent Auditors' Report

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cash and Cash Equivalents, end of year	\$ 104,955,258	\$ 110,003,479

The accompanying notes are an integral part of these financial statements.

Notes to Financial Statements

December 31, 2018

The Corporation of the City of Victoria (the "City") is incorporated and operates under the provisions of the Local Government Act and the Community Charter of British Columbia. The City provides municipal services such as: protective services, transportation services, environmental and public health services, community planning, parks, recreation and community development, water utility, sewer utility and other general government operations.

The Corporation of the City of Victoria (the "City") are prepared by management in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants Canada. Significant accounting policies adopted by the City are as follows:

1. Significant Accounting Policies

(a) Reporting Entity

The financial statements include a combination of all the assets, liabilities, accumulated surplus, revenues and expenses of all of the City's activities and funds. Inter-departmental balances and organizational transactions have been eliminated.

The financial statements exclude trust assets that are administered for the benefit of external parties (Note 15).

(b) Basis of Accounting

The City follows the accrual method of accounting for revenues and expenses. Revenues are accounted for in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(c) Government Transfers

Government transfers are recognized in the financial statements as revenues in the period the transfers are authorized and any eligibility criteria have been met, except when and to the extent that the transfer gives rise to an obligation that meets the definition of a liability for the recipient government. Transfers received which meet the definition of a liability are included in deferred revenue and are recognized over the period that the liability is settled.

(d) Deferred Revenue

Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or the services are performed.

(e) Deposits and Prepayments

Receipts restricted by third parties for future services or repayment are deferred and reported as deposits and are refundable under certain circumstances. Deposits and prepayments are recognized as revenue when qualifying expenditures are incurred.

(f) Taxation Revenue

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. Annual levies for non-optional municipal services and general administrative services are recorded as taxes for municipal services in the year they are levied. Taxes receivable are recognized net of an allowance for anticipated uncollectible amounts. Levies imposed by other taxing authorities are not included as taxes for municipal purposes.

Through the British Columbia Assessment's appeal process, taxes may be adjusted by way of supplementary roll adjustments. The effects of these adjustments on taxes are recognized at the time they are awarded.

(g) Investment Income

Investment income is reported as revenue in the period earned. When required by the funding agreement, investment income earned on deferred revenue is deferred and forms part of the deferred revenue balance.

(h) Cash and Cash Equivalents

Cash equivalents include short term highly liquid investments with a term to maturity of 90 days or less at acquisition. Cash equivalents also include investments in the Municipal Finance Authority of British Columbia ("MFA") Money Market Funds which are recorded at cost plus earnings reinvested in the funds.

(i) Long-Term Debt

Long-term debt is recorded net of related sinking fund balances and actuarial earnings.

Notes to Financial Statements

December 31, 2018

1. Significant Accounting Policies (continued)

(j) Employee Future Benefits

- (i) The City and its employees make contributions to the GYLRA-CUPE Long Term Disability Trust and Municipal Pension Plan. As these are multi-employer pension plans, contributions are expensed as incurred.
- (ii) Sick leave and other retirement benefits are also available to the City’s employees. The costs of these benefits are actuarially determined based on years of service and best estimates of retirement ages and expected future salary and wage increases. The obligations under these benefit plans are accrued based on projected benefits as the employees render services necessary to earn the future benefits.

(k) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The costs, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

	Useful life in years
Land improvements	15 – 50
Buildings	20 – 50
Furniture, equipment, technology and motor vehicles	5 – 25
Roads, bridges and highways	10 – 80
Water infrastructure	20 – 125
Sewer infrastructure	50 – 100
Drainage infrastructure	50 – 100

Tangible capital assets are written down when conditions indicate that they no longer contribute to the City’s ability to provide goods and services, or when the value of future economic benefits associated with the asset are less than the book value of the asset. Assets under construction are not amortized until the asset is available for service. The City does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

(ii) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(iii) Natural Resources

Natural resources are not recognized as assets in the financial statements.

(iv) Works of Art and Cultural and Historic Assets

Works of art and cultural and historic assets are not recorded as assets in these financial statements.

(v) Leased Tangible Capital Assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(vi) Inventories of Supplies

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(vii) Tangible Capital Assets Disclosed at Nominal Values

Where an estimate of fair value could not be made upon adoption of accounting standard PSAS 3150 – Tangible Capital Assets, the tangible capital asset was recognized at a nominal value.

Notes to Financial Statements

December 31, 2018

1. Significant Accounting Policies (continued)

(l) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating useful lives of tangible capital assets, estimating provisions for accrued liabilities, estimates related to contaminated sites and in performing actuarial valuations of employee future benefits. Actual results could differ from these estimates.

(m) Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, soil water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. Liabilities are recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- (i) an environmental standard exists;
- (ii) contamination exceeds the environmental standard;
- (iii) the Authority is directly responsible or accepts responsibility;
- (iv) It is expected that future economic benefits will be given up; and
- (v) a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the mediation strategy for a contaminated site. No liability for contaminated sites exists as at December 31, 2017 or 2018.

2. Cash and Cash Equivalents:

	2018	2017
Cash	\$ 31,423,204	\$ 25,475,696
MFA Money Market Funds	73,532,054	69,527,783
Guaranteed investment certificate	–	15,000,000
	\$ 104,955,258	\$ 110,003,479

3. Accounts Receivable

	2018	2017
Sewer	\$ 3,850,910	\$ 3,468,768
Water	14,885,088	14,800,754
Grants	2,466,218	4,741,274
GST and carbon tax	455,020	772,560
Investment interest income	1,461,091	923,120
Parks, recreation and community development	2,571,827	2,304,463
Municipal tickets	1,585,811	1,411,054
Victoria police department	1,160,651	875,504
Rental properties	64,334	69,053
Permits	475,856	334,811
Garbage	532,044	505,837
Third party billing	544,892	406,507
Miscellaneous	2,099,374	1,182,507
Valuation allowance	(1,035,335)	(795,405)
	\$ 31,117,781	\$ 31,000,807

Notes to Financial Statements

December 31, 2018

4. Portfolio Investments

	Yield	Maturity	2018	2017
Schedule 1 bank bonds	3.10%	December 17, 2019	\$ 9,000,000	\$ –
Term deposits	2.35% to 3.07%	December 24, 2019	\$ 162,000,025	137,900,025
			\$ 171,000,025	\$ 137,900,025

Portfolio investments are comprised of Canadian bank bonds and Guaranteed Investment Certificates of Canadian Banks and Credit Unions with yields of 2.35% to 3.07% (2017 – 1.88% to 2.25%), and maturity dates to December 24, 2019. The City's investments are carried at cost which approximates market values.

5. Mortgage Receivable

In 2011, the Federal Government of Canada entered into an agreement with the Capital Regional District to provide a financial contribution for new permanent, safe, transitional and supportive housing. Subsequently, the Capital Regional District entered into a sub project funding agreement in which \$1,200,000 was contributed to the City towards the purchase of two properties within the City. The agreement states that if the properties are not operated for their intended purpose or are sold and the proceeds of disposition are not applied to providing similar services then the City will be required to repay the contribution amount. The amount of the required repayment is dependent on the length of time that the intended purpose of the contribution is met and extends to March 31, 2026 at which point no further repayment is required.

In 2013, one of the properties was purchased by Provincial Rental Housing Corporation. In 2015, the remaining property was purchased by a not-for-profit housing society and a mortgage of \$1,300,000 was issued by the City. The mortgage bears no interest and is secured by the property. Payment is not due until the mortgage matures on September 15, 2029. The mortgage is guaranteed by BC Housing Management Commission, therefore if the not-for-profit organization defaults on the terms of the loan, BC Housing Management Commission assumes responsibility for the loan repayment. The balance represents the present value of the payment, using the City's estimated cost of borrowing.

Both purchases include transfer of the funding agreement repayment obligation applicable to each property.

6. Accounts Payable and Accrued Liabilities

	2018	2017
Trade account payable	\$ 11,055,700	\$ 8,662,899
Capital projects	3,156,782	3,484,069
Payroll accounts payable	7,940,805	7,213,279
Contract holdbacks	717,393	6,192,934
School authorities	651,689	686,706
Capital Regional District	437,644	445,004
Capital Regional District sewer	2,374,072	1,378,996
Legal settlements	1,916,051	1,003,683
Recreation Integration Victoria	86,472	81,830
BC Transit	130,151	140,112
Regional Hospital District	92,429	96,469
BC Assessment Authority	19,565	20,162
	\$ 28,578,753	\$ 29,406,143

Notes to Financial Statements

December 31, 2018

7. Deferred Revenue

	2018	2017
Building permit fees	\$ 7,182,343	\$ 5,612,043
Development cost charges	19,388,787	15,973,761
General operating deferred revenue	4,031,691	3,290,377
	\$ 30,602,821	\$ 24,876,181

Building permit fees		
Opening balance of building permit fees	\$ 5,612,043	\$ 3,958,073
Add: fees and contributions received	3,917,843	3,666,196
Less: revenue earned and/or fees refunded	(2,347,543)	(2,012,226)
	\$ 7,182,343	\$ 5,612,043

Development cost charges		
Opening balance of unspent funds	\$ 15,973,761	\$ 13,534,862
Add: development cost charges received during year	3,174,580	2,474,357
Add: interest earned	354,619	216,357
Less: amount spent on projects and recorded as revenue	(114,173)	(251,815)
	\$ 19,388,787	\$ 15,973,761

Development cost charges include the following:

Water and environment	\$ 715,316	\$ 748,809
Transportation	7,844,455	6,614,537
Water	883,940	676,462
Drainage	522,365	393,136
Sewage	3,301,083	2,720,171
Parkland acquisition and development	6,121,628	4,820,646
	\$ 19,388,787	\$ 15,973,761

There are no waivers and/or reductions in development cost charges during 2018 or 2017.

Notes to Financial Statements

December 31, 2018

8. Long-Term Debt

The City issues debt instruments through the Municipal Finance Authority ("MFA"), pursuant to security issuing bylaws under authority of the Local Government Act, to finance certain capital expenditures. Sinking fund balances, managed by the MFA, are used to reduce long-term debt. Interest rates on long-term debt range from 2.10% to 4.90%. The weighted average interest rate for 2018 was 2.91% (2017 – 3.03%).

(a) Gross amount of debt and the repayment and actuarial earnings to retire the debt are as follows:

	Rate	Gross debt	Repayment & actuarial earnings	Net debt 2018	Net debt 2017	Year of Maturity
Issue 79	2.10%	10,000,000	(3,341,759)	6,658,241	6,964,861	2033
Issue 80	2.40%	10,000,000	(3,287,481)	6,712,519	7,014,160	2033
Issue 81	2.40%	10,000,000	(3,052,111)	6,947,889	7,241,543	2034
Issue 102	2.25%	4,509,000	(3,046,901)	1,462,099	1,796,523	2022
Issue 103	4.65%	1,800,000	(1,109,083)	690,917	822,398	2023
Issue 105	4.90%	5,240,015	(2,833,472)	2,406,543	2,772,968	2024
Issue 110	4.50%	5,200,000	(2,462,893)	2,737,107	3,088,846	2025
Issue 115	3.89%	10,200,000	(2,727,336)	7,472,664	7,908,274	2031
Issue 130	3.00%	23,200,000	(3,336,686)	19,863,314	20,747,183	2034
Issue 139	2.10%	5,500,000	(418,485)	5,081,515	5,293,850	2036
Issue 142	3.15%	9,600,000	(359,855)	91,240,145	9,600,000	2037
		\$ 95,249,015	\$ (25,976,062)	\$ 69,272,953	\$ 73,250,606	

(b) Future aggregate payments of net outstanding debenture debt, including sinking fund payments, over the next five years and thereafter are as follows:

2019	\$ 4,091,598
2020	4,258,040
2021	4,431,404
2022	4,611,983
2023	4,394,540
Thereafter	<u>47,485,388</u>

Total	\$ 69,272,953
--------------	----------------------

(c) Scheduled debt repayments may be suspended in the event of excess sinking fund earnings within the MFA. Principal paid during the year was \$3,064,671 (2017 – \$2,691,090). Interest paid during the year was \$2,769,203 (2017 – \$2,668,366).

Notes to Financial Statements

December 31, 2018

9. Employee Future Benefit Liability

Information about liabilities for the City's employee obligation is as follows:

	2018	2017
Accrued benefit obligation		
Balance, beginning of year	\$ 18,270,101	\$ 18,093,001
Service cost	1,298,000	1,389,300
Interest cost	537,300	618,700
Benefits payments	(1,801,600)	(1,364,400)
Immediate recognition loss/(gain) for event driven liabilities	90,000	(167,700)
Actuarial (gain)/loss	(818,600)	(298,800)
Accrued benefit obligation, end of year	17,575,201	18,270,101
Less unamortized net actuarial loss	(72,059)	(1,022,577)
Add pension over contributions due to staff	393,558	440,663
Accrued benefit liability, end of year	\$ 17,896,700	\$ 17,688,187

The accrued benefit obligation and the benefit costs for the year were estimated by actuarial valuation as of December 31, 2018 by an independent actuarial firm. Key estimates were used in the valuation including the following:

	2018	2017
Discount rates	3.30%	2.90%
Expected future inflation rates	2.25%	2.25%
Expected wage and salary increases	2.33% to 4.38%	2.33% to 4.38%
Estimated average remaining service life of employees	11 years	11 years

The accrued benefit liability includes both vested and non-vested amounts as follows:

	City	Police	2018	2017
Vested benefits	\$ 4,828,606	\$ 8,052,435	\$ 12,881,041	\$ 12,185,123
Non-vested benefits	4,015,957	999,702	5,015,659	5,503,064
Total accrued benefit liabilities	8,844,563	9,052,137	17,896,700	17,688,187
Charged to operating funds in current and past years	(4,828,605)	(7,676,753)	(12,505,358)	(11,722,766)
Portion of benefits charged against reserves	\$ 4,015,958	\$ 1,375,384	\$ 5,391,342	\$ 5,965,421

Vested benefits include lump sum payments, death benefits, and certain sick leave and vacation in the year of retirement benefits. Vested benefits are contractually required to be paid to an employee regardless of their future employment. Non-vested benefits include long service leave, personal leave program and certain sick leave programs. Non-vested benefits are conditional upon future employment.

Notes to Financial Statements

December 31, 2018

9. Employee Future Benefit Liability (continued)

GVLRA – CUPE Long Term Disability Trust

The Trust was established January 1, 1987 as a result of negotiations between the Greater Victoria Labour Relations Association representing a number of employers and the Canadian Union of Public Employees representing a number of CUPE locals.

The Trust's sole purpose is to provide a long term disability income benefit plan. The City and its employees each contribute equal amounts into the Trust. The total plan provision for approved and unreported claims was actuarially determined as of December 31, 2017. At December 31, 2017, the total plan provision for approved claim was \$15,844,900 and the provision for unreported claims was \$1,332,400 with an accumulated surplus of \$3,852,573. The total plan provision for approved and unreported claims and net surplus or deficit at December 31, 2018 will be available later in 2019.

The City paid \$561,314 (2017 – \$584,709) for employer contributions and City employees paid \$561,314 (2017 – \$584,709) for employee contributions to the Plan in fiscal 2018.

Municipal Pension Plan

The City of Victoria and its employees contribute to the Municipal Pension Plan (a jointly trustee pension plan) (the "Plan"). The Board of Trustees, representing Plan members and employers, is responsible for administering the Plan, including investment of assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2017, the Plan has about 197,000 active members and approximately 95,000 retired members. Active members include approximately 39,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the Plan and adequacy of the funding. The actuary determines an appropriate combined employer and member contribution rate to fund the Plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long term rate of member and employer contributions sufficient to provide benefits for average future entrants to the Plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as of December 31, 2015, indicated a \$2,224 million funding surplus for basic pension benefits on a going concern basis. As a result of the 2015 basic account actuarial valuation surplus and pursuant to the joint trustee agreement, \$1,927 million was transferred to the rate stabilization account and \$297 million of the surplus ensured the required contribution rates remained unchanged. The next valuation will be as at December 31, 2018, with results available later in 2019.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and costs to individual employers participating in the Plan.

The City of Victoria paid \$11,515,427 (2017 – \$11,428,849) for employer contributions and City of Victoria employees paid \$9,089,467 (2017 – \$8,964,286) for the Plan in fiscal 2018.

- a) Work in Progress – Assets under construction having a value of \$27,772,870 (2017 – \$11 5,308,436) have not been amortized. Amortization of these assets will commence when the asset is put into service.
- b) Contributed Assets – No contributed assets have been recognized in 2018 or 2017.
- c) Tangible Capital Assets Disclosed at Nominal Values – Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value.
- d) Works of Art and Historical Treasures – The City manages and controls various works of art and non-operational historical cultural assets. These assets are not recorded as tangible capital assets are not amortized.
- e) Write down of Tangible Capital Assets – No write down of tangible capital assets occurred during 2018 or 2017.
- f) Leased Tangible Capital Assets – Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

11. Accumulated Surplus

Accumulated surplus consists of individual fund surplus and reserve funds as follows:

	2018	2017
Surplus		
Equity in tangible capital assets	\$ 455,615,655	\$ 422,401,080
Non-Statutory Reserve Accounts		
Development Stabilization Reserve Account	1,880,449	327,846
Reserves		
Operating Fund	4,544,049	4,026,427
Financial Stability Reserves	60,145,602	54,794,382
Equipment and Infrastructure Replacement Fund	146,796,907	131,429,908
Tax Sale Lands Fund	3,975,956	5,789,588
Parks and Greenways Acquisition Fund	2,886,917	2,724,295
Local Amenities	965,636	754,439
Victoria Housing Fund	2,230,915	1,950,332
Climate Action	794,445	850,691
Art in Public Places	467,467	596,335
Downtown Core Area Public Realm Improvements	216,180	153,451
Downtown Heritage Building Seismic Upgrades	150,411	89,112
Less: Underfunded employee benefit obligations (Note 9)	(5,391,342)	(5,965,421)
Total reserves	219,663,592	197,521,385
	\$ 675,279,247	\$ 619,922,465

Notes to Financial Statements

	–	91,602,610	88,404,488
Net taxes available for municipal purposes	\$ 133,485,983	\$ 133,547,760	\$ 127,697,471

Notes to Financial Statements

December 31, 2018

13. Government Transfers

The City recognizes the transfer of government funding as revenues in the period that the events giving rise to the transfer occurred. The Government transfers reported on the Statement of Operations are:

	Financial Plan 2018	2018	2017
Unconditional transfers			
Traffic fine revenue sharing	\$ 1,755,000	\$ 1,861,494	\$ 1,755,723
Conditional transfers			
Jail	34,000	28,947	38,884
Gas tax	3,591,000	3,590,746	3,474,900
Infrastructure grants:			
General capital	250,000	–	1,019,492
Johnson Street Bridge	1,383,000	1,382,687	3,550,355
Cost-sharing agreements:			
General capital	–	–	624,743
	5,258,000	5,002,380	8,708,374
	\$ 7,013,000	\$ 6,863,874	\$ 10,464,097

Traffic Fine Revenue Sharing program is an unconditional grant provided to municipalities to assist in ensuring community safety and addressing community specific strategic priorities. The program returns 100% of net revenues from traffic violations to municipalities that are directly responsible for paying for policing.

Gas Tax is provided by the Government of Canada. The use of the funding is established by a funding agreement between the City and the Union of British Columbia Municipalities. These funds may be used towards designated infrastructure projects that achieve positive environmental results.

Infrastructure grants related to the Johnson Street Bridge Replacement Project are restricted to eligible expenses as defined by the funding agreement established between the City, Union of British Columbia Municipalities and The Government of Canada's Building Canada Fund Program.

14. Miscellaneous Revenue

	Financial Plan 2018	2018	2017
Third party billing, cost sharing and recoveries	\$ 6,208,010	\$ 8,853,770	\$ 3,658,808
Arena lease equivalent, share of naming rights and ticket surcharge	634,000	738,040	504,133
CREST levy	400,000	341,672	338,395
Rezoning applications	371,250	1,237,618	984,657
Dog licences and fines	210,000	384,722	355,476
Bus shelter advertising	150,000	171,765	188,264
Tax certificates	125,000	127,060	145,585
Bonus density	–	280,341	–
Traffic and sidewalk permits	138,250	126,487	118,203
Fortis franchise fee	574,000	573,805	542,359
Development cost charges	671,000	105,147	251,815
Other: administrative fees, lease fees, information sales and asset disposals	613,623	1,173,620	1,250,052
	\$ 10,095,133	\$ 14,114,047	\$ 8,337,747

Notes to Financial Statements

December 31, 2018

14. Miscellaneous Revenue (continued)

Third party billing and CREST levy are offset by expenses therefore budget variance has no impact on the City's operating surplus. Ticket surcharge revenue from the arena is impacted by arena annual operational activity. Amounts for bonus density are not determinable in advance, and do not impact operating surplus as balances are transferred to reserves, therefore no budget amount is provided in the Financial Plan.

15. Trust Funds

Trust funds administered by the City have not been included in the Statement of Financial Position nor have their operations been included in the Statement of Operations.

	2018	2017
Ross Bay Cemetery	\$ 1,024,932	\$ 972,181
Nature Interpretation Centre	632,668	618,928
Bastion Square Revitalization	242,524	237,256
	\$ 1,900,124	\$ 1,828,365

The Ross Bay Cemetery Trust is a fund for the non-commercial Ross Bay Cemetery and is used for perpetual maintenance.

The Nature Interpretation Centre is a trust for the construction of a nature interpretation centre in Beacon Hill Park.

The Bastion Square Revitalization Trust is a trust received from the Bastion Square Association Society for the sole purpose of improving Bastion Square.

16. Contractual Obligations

In the normal course of business, the City enters into commitments for both capital and operational expenses. These commitments have been budgeted for within the appropriate annual budget and have been approved by Council.

17. Contractual Rights

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. The significant contractual rights that existed at December 31, 2018 are as follows:

Lease revenue

The City has entered into a number of fixed term lease agreements for the use of City owned land and/or buildings that are anticipated to provide the City with future revenues.

Developer contributions

The City has entered into a number of public works development agreements which require the developers to contribute various infrastructure assets to the City. The timing and extent of these future contributions vary depending on development activity and fair value of the assets received at time of contribution, which cannot be determined with certainty at this time.

Notes to Financial Statements

December 31, 2018

18. Contingent Liabilities

The City is a defendant in various lawsuits. The City records an accrual in respect of legal claims that are likely to be successful and for which a liability amount is reasonably determinable. The remaining claims, should they be successful as a result of litigation, will be recorded when a liability is likely and determinable. Included in reserve funds is an insurance reserve of \$4,003,695 (2017 – \$3,916,744), maintained to offset settlements and insurance coverage is maintained to provide for insurable claims should they exceed the liability deductible of \$1,000,000 in any year. As of November 2008, the City joined the Municipal Insurance Association and all insurable claims from that date forward will be subject to a liability deductible of \$250,000 in any year.

Change orders for significant additional construction costs have been presented to the City by the contractor responsible for the construction of the Johnson Street Bridge. A smaller amount has been claimed to be owing by the City for additional fees by the designer of the Bridge. The City disputes that it owes any amount to either party. Litigation has been commenced by both parties and the City is represented by legal counsel. Any settlement is subject to approval by City Council.

Under borrowing arrangements with the Municipal Finance Authority, the City is required to lodge security by means of demand notes and interest bearing cash deposits based on the amount of the borrowing. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA as a debt reserve fund. These deposits are included in the City's financial assets as restricted cash and are held by the MFA as security against the possibility of debt repayment default. If the debt is repaid without default, the deposits are refunded to the City. At December 31, 2018 the balance of the deposits was \$1,270,467 (2017 – \$1,243,414). At December 31, 2018 there were contingent demand notes of \$2,490,784 (2017 – \$2,490,784) which are not included in the financial statements of the City.

Capital Regional District debt, under provisions of the Local Government Act, is a direct, joint and several liability of the Capital Regional District and each member municipality within the Capital Regional District, including the City.

The City of Victoria and the District of Saanich established the Board of Cemetery Trustees of Greater Victoria (the "Board") in 1922 under the Municipal Cemeteries Act. The Board is a not-for profit organization that operates the Royal Oak Burial Park. The terms of the agreement provides the Board a borrowing limit of \$3 million with the City and the District of Saanich providing equal guarantee. At December 31, 2018 the Board had an outstanding demand loan of \$1,196,655 (2017 – \$1,819,791) with the Bank of Montreal and long-term debt of \$821,814 (2017 – \$884,041) through the Municipal Finance Authority. The City's guarantee portion of the outstanding debt at December 31, 2018 is \$1,009,235 (2017 – \$1,351,916).

The City is reviewing environmental objectives and potential liabilities for its activities and properties including potential site reclamation obligations. The amount of any such obligations is not presently determinable.

The City is a shareholder and member of Capital Regional Emergency Service Telecommunications (CREST) Incorporated, which provides centralized emergency communications and related public safety information services to municipalities, regional districts, the provincial and federal governments and their agencies, and emergency service organizations throughout the Greater Victoria region and the Gulf Islands. Members' obligations to share in funding ongoing operations and any additional costs relating to capital assets are to be contributed pursuant to a Members' Agreement.

Notes to Financial Statements

20. Segmented Information

The City of Victoria is a diversified municipal organization that provides a wide range of services to its citizens. For management reporting purposes, the City's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations. City services are provided by departments and their activities reported within these funds. Certain functions that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

(i) General Government

The General Government operations provide the functions of Corporate Administration, Finance, Human Resources, Legislative Services and any other functions categorized as non-departmental.

(ii) Protective Services

Protective Services is comprised of four different functions, including the City's Emergency Management Agency, Fire, Police and the permits and inspections function of the Sustainable Planning and Community Development department. The Emergency Management Agency prepares the City to be more prepared and able to respond to, recover from, and be aware of, the devastating effects of a disaster or major catastrophic event that will impact the community. The Fire Department is responsible for providing critical, life saving services in preventing or minimizing the loss of life and property from fire and natural or man made emergencies. The Police Department ensures the safety of the lives and property of Victoria as well as Esquimalt citizens through the enforcement of municipal bylaws, criminal laws and the laws of British Columbia, the maintenance of law and order, and the prevention of crime. The Sustainable Planning and Community Development department has a broad range of policy, regulatory and program responsibilities including processing undertakings related to permits and inspections for Building Permits, Plumbing Permits, Electrical Permits, and signs.

(iii) Transportation Services

Transportation Services is responsible for a wide variety of transportation functions such as Parking, Engineering Operations and Streets. As well, providing services around infrastructure, traffic control, transportation planning, review of land development impacts on transportation, traffic management, pedestrian and cycling issues, on-street parking regulations, including street signs and painting as well as traffic signal timing.

(iv) Environmental and Public Health Services

The Environmental and Public Health Services is comprised of three sections in the areas of Solid Waste Services, Storm Drains, and Street Cleaning. The Solid Waste Collection and Recycling Operations section is responsible for the collection of household garbage. The Storm Drains section provides the design, inspection and technical supervision of civil engineering projects related to the construction and maintenance of the storm drain collection systems to protect public health. The Street cleaning section is responsible for the collection and disposal of litter and debris from streets, sidewalks and squares.

(v) Social Services and Housing

Social Services and Housing includes grants to non-profit organizations for the purpose of facilitating social inclusion and community wellness, and to support affordable housing initiatives.

(vi) Parks, Recreation and Cultural Services

Parks is responsible for the maintenance, planning and development of all park facilities such as ornamental gardens, natural ecosystems, sport and entertainment venues and playgrounds for recreational and cultural enjoyment in a beautiful and safe environment; preserves and enhances green spaces on public lands. Recreation Services facilitates the provision of recreation and wellness programs and services through the Crystal Pool, Save-On Foods Memorial Centre, Royal Athletic Park, and Community and Seniors Centres. The Arts and Culture function supports community vibrancy and economic impact through tourism and visitor attraction.

Notes to Financial Statements

December 31, 2018

20. Segmented Information (continued)

(vii) Planning and Development

This segment is composed of four departments:

Sustainable Planning and Community Development: Supports quality development and economic health of the City. This function includes regulatory and program responsibilities including: community and city-wide land use planning; urban design; planning applications including zoning, development and variance permits, demographic and other planning information services.

Real Estate: Administers the City's portfolio of commercial properties; in particular, negotiating leases and lease renewals with tenants (lease-outs) and landlords (lease ins).

Economic Development: This function is guided by six primary "engines" to drive Victoria's businesses, generate jobs, raise household incomes, and increase well-being. The six engines include: advance education and research and development; the ocean and marine sector; experimental tourism; government; technology; and entrepreneurship, start-ups and social enterprise.

Victoria Conference Centre: Responsible for strengthening the City's economy through the implementation of a vision and action plan for economic sustainability and growth in Victoria. Economic development in Victoria focuses on the prospects for the future as a city with high quality of life which supports the building of a vibrant, prosperous, fiscally sound and economically robust community.

(viii) Water and Sewer Utilities

The Sewer Utility protects the environment and human health from the impacts of liquid wastes generated as a result of human occupation and development in the City. The Water Utility delivers clean, safe and aesthetically pleasing potable water, in accordance with the Provincial Drinking Water Protection Act, to the citizens of the City of Victoria and Township of Esquimalt. The water is for the purpose of domestic consumption and firefighting.

Certain allocation methodologies have been employed in the preparation of the segmented financial information. The General Fund reports on municipal services that are funded primarily by taxation such as property taxes and other tax revenues. Taxation and payments in lieu of taxes are apportioned to the General Fund services based on budgeted taxation revenue as presented in the 2018–2022 consolidated financial plan.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

Looking Forward

Strategic Plan 2019–2022

In March of 2019, Mayor and Council adopted a new Strategic Plan that will guide the direction of the City over the next four years.

Goal Statement

By 2022, Victoria will be a bold, thriving, inclusive, and happy city that people love. We will be known globally for our climate leadership practices, multi-modal transportation options, innovative approaches to affordable housing, and for meaningful reconciliation with the Songhees and Esquimalt Nations on whose homelands our city was built.

Strategic Objectives

STRATEGIC OBJECTIVE ONE

Good Governance and Civic Engagement

STRATEGIC OBJECTIVE FIVE

Health, Well-Being and a Welcoming City

STRATEGIC OBJECTIVE TWO

Reconciliation and Indigenous Relations

STRATEGIC OBJECTIVE SIX

Climate Leadership and Environmental Stewardship

STRATEGIC OBJECTIVE THREE

Affordable Housing

STRATEGIC OBJECTIVE SEVEN

Sustainable Transportation

STRATEGIC OBJECTIVE FOUR

Prosperity and Economic Inclusion

STRATEGIC OBJECTIVE EIGHT

Strong, Liveable Neighbourhoods

The environmental savings below were achieved by printing the Annual Report using post-consumer recycled fibre in place of virgin fibre:

2 trees

6,208 litres of water
18 days of water consumption

72.6 kg of waste
2 waste containers

72.6 kg CO₂
1,681.8 Kms driven

1 MMBtu
6,899 60W light bulbs for one hour

2.3 Kgs NOX

City of Victoria
1 Centennial Square
Victoria, British Columbia
V8W 1P6
