The proposed change in the opening hours from 11:00am to 9:00am would not have any significant impact on the community (noise, traffic, or other) nor would the change impact the resources for VicPD.

Good morning,

The attached documents are for the Union Club's application to LCRB to adjust hours of licensed service for their liquor primary licence. Only the opening hours are affected through the request to change the daily opening time from 11:00 am to 9:00 am. The closing hours are not proposed to change on any day and the occupant load is not affected.

Please review and submit your comments by June 27th.

Review and comment by City Staff including Police, Bylaw, Engineering, Sustainable Planning & Community Development, and Business and Community Relations is required. The comments will support a recommendation to council and in preparation of your comments please consider the following as requested by LCLB;

- the location of the establishment, and
 - the person capacity and hours of liquor service of the establishment.
- Comments should be focused to the following, also as requested by LCLB:
- The impact of noise on nearby residents; and
 - The impact on the community if the application is approved

Thanks,

Ryan
