

**Council Member Letter**

---

**Date:** November 4, 2019  
**From:** Councillor Collins  
**Subject:** Resignation from Council

---

Please accept my resignation from Victoria City Council effective immediately, as I was recently elected at the Member of Parliament for Victoria.

In addition, my unpaid leave from council was from August 9<sup>th</sup> until October 25<sup>th</sup>, and I do not wish to be paid any compensation between the end of my unpaid leave and now.

I have enjoyed working with Council and City staff, and I look forward to continuing to work together for our region.

Respectfully submitted,
