I, Susan Robinson, and my husband Mike Nichols, live at 101-2211 Shelbourne St. at the corner of Shelbourne and Coronation. We are across the street from 1708 Coronation and face the property. We support this Development Permit with Variances Application.

The person who owns 1708 Coronation is a long time resident of the street who, to the best of our knowledge, intends to remain a resident. Her proposal appears to be sensitive to the neighbourhood in size, appearance and affordability.

We would appreciate our email address and phone number be kept confidential.
