Estimated Amount Available to Allocate							\$	2,523,000	\$	3,000,000		
Allocated January 14th							\$	2,527,099	\$	2,990,150		
Unallocated Funds							-\$	4,099	\$	9,850		

Notes

- Resource estimates part of the Climate Leadership discussion
- Report to be presented to Council in 2020
- Resource implications to be brought forward upon completion of the Daylight Feasibility Study
- Cost estimate for Art in Public Space is between \$250,000 - \$300,000
- Cost estimate for Washrooms is between \$260,000 - \$300,000
- Resource estimates part of the Sustainable Mobility discussion
- Due to complexity of this, additional staff resources would be required to scope the project and report back to Council
- If Council should choose to fund on an on-going basis, the funding source would be new tax revenue from new development
- If Council should choose to fund these positions, the funding source could be increased revenue from Development Application Fees
- Cost estimate for the capital is between \$350,000 - \$500,000
- Increase to base grant funding for the 5 Neighbourhoods not serviced by city funded community centres
- The \$60,000 funding is comprised of \$10,000 for artist honorariums and \$50,000 for a grant program
- The capital items included in this line are: installation of water bottle refill Station, 24 hour accessible restrooms and collaborative space making pilot.
If Council approves this funding, the proposed Douglas Street Public Washroom project would be have to be deferred due to limited staff capacity.
