Subject: 1661 Burton Ave Rezoning

Hello,

I'm currently on a waitlist for a daycare that is trying to be rezoned. There is a huge shortage for infant spots in Victoria so daycares like this are so valuable for the community. I'm really crossing my fingers my son gets in so if this zoning doesn't go through, it would really affect my family.

Kind regards,

Kelsey Shaver

Subject: Gillian Fehr hearing @ 1661 Burton Ave - Gillybird Daycare

To whom it may concern,

Back in November 2018 I secured a daycare spot for my son starting 2019 January 01 as he will be 1 year old and my partner will be returning to work after being off for a year. I currently work for the Province of BC in the Affordable Child Care Benefit Program formerly Child care Subsidy and I know first hand how hard it is to secure daycare spots in BC. I called several daycare's and put my son on some waitlists. We are very lucky to have secured a spot for my son with Gillian and her daycare. The house Gillian plans on using as a daycare is in the area I live and would be impacted if the rezoning does not go through. Please consider this in your decision to rezone.

Thank you for your time,
Dale Armstrong

Subject: Support for childcare development

Just writing to inform the city that my family and I support the development of a childcare centre on 1661 Burton Ave.

The City needs more childcare!

Thank you
