Dear Mayor and Council,

Please accept this letter as an expression of support for the project at 952 Johnson. After meeting with Cox Developments, I was not only impressed with the design of the building, but also that their intention is to make larger suites than what is currently being built and offered. This will go a long way in contributing to the longevity of the neighbourhood. I am a renter who lives downtown and I look forward to seeing this get built.

Warm regards,
Danielle Scott
