

Committee of the Whole Report
For the Meeting of July 2, 2020

To: Committee of the Whole **Date:** June 26, 2020
From: Councillor Thornton-Joe
Subject: Increase Arts In Public Places Committee Membership

Background:

The Art in Public Places allows for 5 members. There is a desire to ensure that there is diversity on the committee as well as a balance of current experienced members and as well, new members. This is often difficult to achieve with 5 members.

Motion:

To amend the Terms of Reference for number of members to a minimum of 5 and a maximum of 7.

Respectfully submitted by,

Councillor Charlayne Thornton-Joe
