I have reviewed the plans of the applicant and have the following comments:

☒ I support the application.
☐ I am opposed to the application.

Comments:

Design of proposed house is very basic which doesn't do the existing heritage house justice (I'm biased because I have a 1913 house). I have concerns about sight lines and elevation for the new driveway to the existing house with the traffic on Alston. No guest parking on street. Drives use our lot to park in. Have now signed it as Tow-a-Way because of this abuse.
