

Appendix A - Compliance and Enforcement History for 1545 Fort Street

The City received an application for a cannabis business licence from Jeremy Allan for "Victoria Natural Way Ltd" on November 9, 2015 for 1545 Fort Street. The City did not issue a licence because staff were reviewing business licensing regulations toward the implementation of a cannabis related businesses licensing framework. This business did not receive a business licence at any time during their operations.

On July 11, 2017, the City received information of a sale or arrangement between Victoria Natural Way and Trees.

December 13, 2018 Re-zoning approved by Council for 1545 Fort.

This new business owner never received a business licence for this location, however they made three payments of \$5000.00 to the City on October 18, 2016, February 14, 2017 and January 16, 2018 totalling 15000. They did not make a payment in 2019 when they continued to operate after legalization.
