

Council Member Report

For the Committee of the Whole Meeting of Dec 3, 2020

Date: Nov 24, 2020
From: Mayor Lisa Helps
Subject: **Extension of Council committee appointments to end of January 2021**

BACKGROUND

Council's committee and neighbourhood liaison appointments are set to expire at the end of December 2020. With the byelection set for December 12, 2020, I recommend extending our current appointments to the end of January 2021. This will give our new colleague time to get on boarded and will allow council to review and revise 2021-2022 appointments in January.

RECOMMENDATION

That Council extend Council committee and neighbourhood liaison appointments to the end of January 2021, and determine appointments for 2021-2022 at the January 7 Committee of the Whole meeting.

Respectfully submitted,
