

**Council Member Motion**  
**For the Committee of the Whole meeting of January 7 2021**

---

**To:** Committee of the Whole **Date:** December 31 2020  
**From:** Mayor Helps  
**Subject:** Refer proposed Jubilee Route to Oak Bay Council for Input

---

**Background**

On December 14<sup>th</sup> 2020 City of Victoria staff presented to Oak Bay Council to share the proposed design for the Richardson bike route. At that meeting Oak Bay Council expressed a desire to have a formal Council to Council referral for the Jubilee route which is currently out for public consultation in the community. See attached document for route details.

As the District of Oak Bay is a key stakeholder along with other key stakeholders including Victoria residents and businesses, I recommend that we refer the options that are currently under consideration by the public to Oak Bay Council to seek their feedback. I recommend that we do this concurrently with the public engagement already underway so that staff will have all the feedback available to them – from the public of Victoria as well as from Oak Bay Council – in order to make a recommendation to Council as soon as possible in order to keep the bike network moving forward and on target for completion by the end of 2022.

The Oak Bay Council input will be considered along with all other stakeholder feedback and weighted alongside the different technical/engineering, community impact and cost considerations that will go into the development of staff's recommendations to Victoria Council.

**Recommendation**

1. That Council refer to the Jubilee route options to Oak Bay Council for their input and request that Oak Bay provide feedback to City of Victoria staff by January 31<sup>st</sup> 2021.
2. That this recommendation be forwarded to the daytime Council meeting of January 7<sup>th</sup> 2021.

**Respectfully submitted,**
