

**Council Member Motion  
For the Committee of the Whole Meeting of Jan.14th, 2021**

---

**To:** Committee of the Whole **Date:** Jan.10th, 2021  
**From:** Councillor Loveday  
**Subject:** Filling vacancies on the Advisory Design Panel

---

**Late Motion Rationale:**

The Advisory Design Panel currently has a number of key vacancies that need to be filled to ensure the expected diversity of expertise and experience is represented on the panel. The ADP is currently considering complex and impactful development projects so it would be beneficial to move forward with appointments without delay.

**Recommendation:**

That Council move forward on a priority basis with filling the vacancies on the Advisory Design Panel including a cross appointment from the Heritage Advisory Committee, an architect, and alternates as outlined in the ADP terms of reference.

And that Council appoint a councillor liaison and councillor liaison alternate to the Advisory Design Panel.

Respectfully submitted,
