

Tiny Home Project

I'll start with saying that it is a great innovative idea for housing that is needed. I may not think it is the best location especially now that it was announced that Our Place would be running it. I still think the Pandora property that the city owns is a better place for it. My issue is the community consultation process that is proposed for this project.

The parking lot is supposed to be cleared out of campers by March 11th to turn it into a construction site for the tiny homes. The application states that the neighbours may get to comment possibly on the 18th. How can you think that this is acceptable? Construction has already begun and then the neighbours concerns will be heard. That is where my neighbours and my frustrations come from. All along Green street right beside this project none of my neighbours have been approached by anyone, not the city, developers or even the North Park Neighbourhood Association. To say that because the NPNA accepts this does not meet the immediate neighbours concerns when no one was consulted or asked about any concerns they may have. I have never seen a development process done this way anywhere in the city.
