Further to the application for Development Variance for 1250 Dallas Rd, Victoria, BC V8V 1C4 I am writing to say that I am in support of the changes being proposed. As a resident I am in favour of the development of a shared space that will be offered for use by the residents of the property.

The overall height of the building does not increase with the addition, only the roof line profile.

In regards to the reduced parking spaces, there are currently five separate 'families' living at 1250 Dallas Road and each one has one vehicle for a total of 5. As this property is on a corner lot there is plenty of street parking available on both Dallas Road and Howe Street and the reduction in parking stalls would not, in my opinion, put any further stress on parking availability.

Sincerely, Susan Korneychuk
