

**Council Member Motion
Committee of the Whole of June 10, 2021**

Date: June 7, 2021

From: Councillor Andrew

Subject: Reconsideration of Public Hearing 1250 Dallas Road

Background:

At a Public Hearing requesting variances for 1250 Dallas Road held on May 27, 2021, Council opposed the applicant's requested variance.

Opposition appeared to be due, in part, to design features and potential use of one structure on the property.

Recommendation:

That Council reconsider its decision of the public hearing of 1250 Dallas Road and reschedule a new hearing.

Respectfully Submitted,
