#### **PROCEDURES FOR SIGN POSTING – PRE-APPLICATION PUBLIC INPUT**

1. The City shall determine the specifications, format, and content of the sign or signs, and provide the specifications to the applicant or the applicant's agent.
2. The applicant shall, at its sole expense:
  - (a) prepare the sign or signs in accordance with the specifications provided by the City;
  - (b) post the sign or signs on the subject property for 30 consecutive days and no longer than 35 days, with such period of time to be calculated starting from the same day the plans are posted online by the City for public input;
  - (c) post additional signs if required by the City;
  - (d) maintain the sign or signs on the subject property for the duration of the notice period under section 1.
3. The applicant shall post the sign or signs in a prominent location, clearly visible from the street, and on the site that is subject to the application. The City shall determine the required number and location of the sign or signs, taking into account the configuration of the site and visibility to the public.
