

**Council Member Motion
For the Council Meeting of July 29, 2021**

Date: July 23, 2021
From: Councillor Ben Isitt
Subject: Solid Waste Bylaw Amendment

Background:

Council has received a request from the James Bay Child Care Society for the continuation of solid waste collection services, which they received for a period of several decades prior to 2021.

Due to a technical defect in the City of Victoria Solid Waste Bylaw 12-086, City staff advised the society that they were ineligible to receive solid waste collection services following completion of the redevelopment of the facility earlier this year.

It is therefore recommended that Council approve an amendment to the Solid Waste Bylaw to permit the resumption of solid waste collection services for the James Bay Child Care Society.

Recommendation:

That Council amend the Solid Waste Bylaw 12-086 by adding a new section 4B: "The City may collect solid waste from non-residential properties where it is practical to so do, including but not limited to child care centres and community centres."

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Ben Isitt".

Councillor Isitt
