EXECUTIVE SUMMARY

The Province of British Columbia is responsible for licensing cannabis retail stores. The Province refers applications to the City for a positive or negative recommendation, which must include residents' views. The City's *Cannabis Retail Store Licensing Consultation Policy and Fee Bylaw 18-120* establishes a public consultation process and fees to manage referrals.

The applicant has been compliant with the municipal bylaws which require that an applicant first obtain a provincial cannabis retail store license and a municipal storefront cannabis retailer business license before opening for business.

The City sent 338 notices and received 2 responses. The City did not receive correspondence from the Burnside/Gorge Community Association.

Staff recommend Council provide a positive recommendation for Jima Cannabis at 2622 Douglas Street.

PURPOSE

The purpose of this report is to seek a Council resolution, in accordance with the requirements of the *Cannabis Control and Licensing Act*, regarding an application by Jima Cannabis at 2622 Douglas Street to obtain a provincial cannabis retail store license.

BACKGROUND

The Liquor and Cannabis Regulation Branch issues cannabis retail store licences under the *Cannabis Control and Licensing Act* (the Act). LCRB refers an application to the City so that Council may recommend to issue or not to issue a provincial cannabis retail store licence. If Council provides a negative recommendation, the LCRB may not issue a licence to the applicant at this location.

As a part of the local government recommendation, the Province requires that the City consider the location of the proposed cannabis retail store, provide comments about community impact, and include the views of residents. The *Cannabis Retail Store Licensing Consultation Policy and Fee Bylaw* establishes a public consultation method and fees. Owners and occupiers of parcels within 100 metres of the proposed location, and the neighbourhood association for the area, and relevant City departments may provide written comments.

A provincially licensed cannabis retail store must obtain a municipal business licence to operate in the City. The *Business Licence Bylaw* and *Storefront Cannabis Retailer Regulation Bylaw 19-053* set out licensing and operating conditions for storefront cannabis retailers. This includes the requirement to ensure that windows on any street frontage of the premises are not blocked by translucent or opaque material, artwork, posters, shelving, display cases or similar elements.

To date, Council has provided 19 positive recommendations and no negative recommendations to the Province in response to proposed cannabis retail store referrals.
