

Attachment A: Licensing and Bylaw Services Comments

No issue with the company/owners/applicants we have no compliance history or concerns for the applicant or Fernwood Green Holdings

The address at 1-1725 Cook St previously had a cannabis dispensary "Ocean Grown Medicinal Society" and later "Ocean Grown" Cannabis, business licence not active since 2019. There was a closed bylaw file from 2016 regarding that retailer which included action from the Community Safety Unit. None of those records appear to include the applicant or Fernwood Green Holdings.
