Wayne Beggs

**Re: Waiving of CALUC process for 941 Fullerton**

Dear Wayne,

The Victoria West Community Association Land Use Committee has determined no concerns with your proposal for 941 Fullerton Street. This decision was based on the plans and drawings provided on November 22nd, 2020. As a result, we would like to waive the CALUC process for your proposal. We request that you notify us of any major developments or changes if they come up.

Thank you for including us in this process. We enjoy collaborating to create a vibrant and connected community.

Sincerely,

VWCA Land Use Committee
