

Hello Mr. Angrove,

I am a neighbour of the above property, living and owning the house at 646 Langford Street. As a citizen, I am writing to indicate my support for the rezoning to enable a suite. This type of accommodation should be quickly and painlessly available to Vic West, particularly since it enables the retention of a character home on the street.

Could you please confirm receipt of this e-mail? Many thanks.

Sincerely,

Laura E. Tate, PhD
