Inspection Results:

You are receiving this notice as a follow-up to your recent inspection on 11/17/2021 11:20 AM. The alleged contravention(s) are identified below, as well as the actions that your inspector may take to address the allegation(s).

Alleged Contravention(s) Identified:

B001139	Failure to comply with term and condition restricting the display of cannabis or cannabis accessories in view of minors	Term and Condition as specified within the Penalty Schedule, Item 12

The inspector will address the alleged contravention(s) through one or more of the following actions:

- Inform the licensee verbally or in writing which corrective measures the licensee must take to bring the licence into voluntary compliance.

- Arrange a compliance meeting with the licensee to discuss one or more of the alleged contraventions and to review the necessary steps the licensee must take to bring the

licence into voluntary compliance, and in addition, conduct subsequent inspections to confirm voluntary compliance

- Recommend the General Manager take enforcement action against the licensee for one or more of the alleged contraventions.

You will generally be notified within 45 days if enforcement action is proposed.

* 30 days has been provided for voluntary compliance. A follow-up inspection will occur after the 17th of December 2021.

Please contact your Liquor and Cannabis Inspector if you have any questions.
