

Council Member Motion
For the Committee of the Whole Meeting of January 6, 2022

To: Committee of the Whole **Date:** December 31, 2021
From: Councillor Charlayne Thornton-Joe and Mayor Lisa Helps
Subject: North and South Jubilee Neighbourhood

BACKGROUND

In October a motion was passed that: Council refer the following resolution for public comment at a non-statutory public hearing, to take place prior to November 30, 2021:

That the City recognizes a unified Jubilee neighbourhood for land use matters, and invites the North Jubilee Neighbourhood Association and South Jubilee Neighbourhood Association to work with the city on developing terms of reference for a unified Jubilee Community Association Land Use Committee.

In November 2021, Council received a letter from the North Jubilee and South Jubilee Neighbourhood Associations (attached). The letter clarifies that neither organization wants to merge CALUC functions at this time.

RECOMMENDATION

That no non-statutory public hearing be held with respect to the North Jubilee Neighbourhood and South Jubilee Neighbourhood as the neighbourhood associations have currently stated that they are not interested in merging their CALUC functions at this time.
