

1000-Block Redfern Street

Re-commitment North End Street Closure:

A Pilot Project

Overview

History

Challenges

Resident Engagement

Recommendation

Oldest residential tract (1908)

9 identical character homes

Garry Oak canopy

Residential/Commercial
Abutment

Challenge

Dysfunctional Traffic

Commercial pressures on residential street

- Old, narrow, residential street
- Hill mid-point obstructs sightline
- Street position - commercial traffic funnel

History of Engagement

20+ years

Traffic studies 6+

Letters to City 100+

Mayor, council members, staff

In our homes, on the street, at City Hall

Solution Stalled

2017

18 months of studies & engagement

2018

City Commitment to Pilot Project:

Close North end residential/commercial
abutment
