Dear Mayor and Council,

I am writing in support of John Farquarson's application for off street parking exemption.

My wife Gail Caryn and I own the property at 1000 Chamberlain Street, directly across Brighton Ave. from John.

John has about 8 beautiful Oak trees in his front yard and it seems unreasonable to remove any of them for parking when we have room for 5 cars on our side of the street.

We have three off street parking spots and room for an additional 3 cars on our Chamberlain side as well.

The absence of 1 off street parking spot will in no way negatively impact us or the neighbourhood.

Sincerely,

Leonard Weaver
