CITY OF VICTORIA | British Columbia

Year Ended December 31, 2020

CITY OF

Welcome to Victoria

Capital City of British Columbia

10000

Located on the southern tip of Vancouver Island on the homelands of the Songhees and Esquimalt People, Victoria is a forward-thinking, active community. The city is home to a dynamic, thriving economy and vibrant arts and culture scene, with an unparalleled natural environment enjoyed by residents and visitors. It's a place where sustainability, health and well-being are the cornerstones of creating a prosperous and inclusive future.

City of Victoria at a Glance

Mayor and City Council

Victoria's Mayor and eight City Councillors were elected to serve a four-year term in October 2018. In December 2020, a by-election was held to fill one vacancy on Council.

The City has 13 formally-recognized neighbourhoods and appoints a Council Liaison to each. Some members of Council are also appointed to the Board of the Capital Regional District (CRD). Appointments are made by the City to external boards and committees. There are also external subcommittees or other groups to which members are appointed by those external bodies.

Council has one committee – Committee of the Whole. Comprised of the Mayor and all eight Councillors, the Committee of the Whole focuses on broad policy issues that affect the community or organization as a whole, land development regulations and policy, and specific land development applications.

Message from Mayor Lisa Helps

Last year was one of the most difficult times in Victoria's history. On behalf of Council, I want to express my appreciation to Victoria residents and business owners for your continued commitment to preventing the spread of COVID-19 in our community. And I want to extend a huge thank you to City staff for providing essential services safely throughout the pandemic.

In March of last year, our world changed. To curb the spread of COVID-19 in our community, we closed City Hall and the Crystal Pool and Fitness Centre. Outdoor recreation facilities and playgrounds soon followed.

We put in-person engagement opportunities and advisory and committee meetings on hold until further notice. And we cancelled the Victoria Reconciliation Dialogues, summer programming, and Victoria's many outdoor festivals and events. We were asked to stay at home and to stay apart.

To keep the community informed of the City's response to COVID-19, we held daily Facebook Live press conferences and dedicated a section of the City's website to sharing helpful information for residents and businesses.

Meetings of Council continued and we invited the community to participate in public hearings virtually. We moved public engagement online and enhanced our digital engagement platform so we could continue to receive input on City projects and initiatives to help inform Council's decision making. In April, Council introduced a relief package to help residents and businesses weather the financial hardship caused by the pandemic, reducing the property tax increase to zero and extending the time to pay tax and utility bills.

Thanks to the hard work and dedication of staff, investment in public assets continued through the City's capital projects. Some of these were moved up to take advantage of less traffic downtown. More than \$80 million in projects moved forward, supporting local jobs and the economy in the midst of the worst economic crisis since the Great Depression.

In May, we launched a COVID Safe Re-opening and Recovery Toolkit to help local businesses get back on their feet and promoted the #yyjBizSupport and #ShopYYJ campaigns to encourage people to shop local. And to make it easier for those who needed to come downtown and park, we reduced parking rates in parkades and on-street.

Our Build Back Victoria initiative continues to be the cornerstone of the City's COVID-19 response and recovery plan to support businesses in every neighbourhood. Within weeks of launching in early June, dozens of patios and retail "flex spaces" had sprung up across the city, and yoga and fitness studios had moved classes outside in parks. I know we'll see even more creative use of public space in 2021. The pandemic also exposed and widened existing cracks in our social safety net, leaving our most vulnerable neighbours in desperate need of housing and support. We worked hard in partnership with the Province to get people inside on a pathway to permanent housing. And staff in the planning department continued their work with both affordable and market housing providers to ensure the housing supply keeps up with the demand, including close to 900 affordable housing units that are in the development process to provide affordable housing for low-income workers and for families

As we continue to implement priority actions in the Victoria Housing Strategy, the City is taking action to increase housing affordability and choice, so that people who love Victoria and work here can afford to live here.

As we look ahead, let's continue to use what we've learned during the pandemic – agility, deep collaboration and a can-do spirit – to position our city and our region for the best possible future.

Lisa Helps

Message from the City Manager

The City of Victoria's Annual Report is an opportunity to reflect on the work completed to carry out Council's Strategic Plan and deliver the more than 200 community services you depend on for a safe, vibrant, inclusive, and prosperous city.

Despite the challenges presented by COVID-19, staff worked tirelessly to deliver core City services with new safety measures in place. 2020 also brought with it some difficult decisions as the orders of the Provincial Health Officer caused the closure of recreation facilities and the Victoria Conference Centre. The Crystal Pool and Fitness Centre also took advantage of the mandated closure to move up some scheduled maintenance in advance of its February 2021 reopening.

With the lifting of various health measures in the summer, the City implemented its COVID-19 Recovery Plan. This plan included a safe reopening of playgrounds and outdoor facilities – essential elements to community health and well-being during the pandemic. In July, the Public Service Centre at City Hall reopened for the public with new COVID-19 safety protocols. The summer also saw the launch of the Build Back Victoria program which had City departments expediting creative use of public space to sustain our local businesses. Over 150 businesses participated in the program last year.

We also made progress on a number of significant projects in 2020, such as the revitalization of Topaz Park, including preparations for the skateboard park and bike park, the approval of Zero Waste Victoria, and the opening of the Dallas Road walkway and bike lanes. City crews completed significant street paving and traffic calming projects downtown and in neighbourhoods across the city.

The summers months are always a time of festivals and events in Victoria. In 2020, the City supported the celebration of many events virtually and also supported community well-being through a new onetime grant with our Everyday Creativity Fund.

In the fall, Council adopted the Accessibility Framework that affirms the City's ongoing commitment to identify, remove and prevent barriers in the community. Also, the City's community-led Participatory Budgeting initiative funded seven projects to benefit newcomers, ranging from food sustainability and by-stander intervention training, to an app focused on improving health outcomes.

To cap off the year, in December we successfully held a safe and physicallydistanced municipal by-election to fill one vacant Council position.

I want to close by expressing my sincere appreciation for the dedication and thoughtful contribution of City staff, residents, neighbourhood associations, and business and community leaders. These achievements would not be possible without each of you.

Sincerely,

Ocelyn Jenfujns

Jocelyn Jenkyns, City Manager

Message from the Chief Financial Officer

I am pleased to present the City of Victoria's audited consolidated financial statements for the year ended December 31, 2020. The financial statements are the responsibility of the City of Victoria's management and have been prepared in compliance with Section 167 of the Community Charter and in accordance with generally accepted accounting principles approved by the Public Sector Accounting Board (PSAB). The City maintains a system of internal accounting controls, including policies and procedures, designed to safeguard the assets of the corporation and provide reliable financial information. The financial statements have been audited by BDO Canada LLP, who have expressed that in their opinion these statements present fairly, in all material aspects, the financial position of the City as at December 31, 2020.

Financial reporting standards require the preparation of four statements, and notes to those statements, to ensure comparability between government organizations nationally. The information in the Financial Statements for the year ended December 31, 2020 reflect the results of the City's policies and principles, as guided by the Financial Sustainability Policy. To highlight financial condition indicators that can be useful to readers of these statements and provide a more detailed explanation of the financial activity, the summary below describes significant operating results for 2020.

Operational Results

As a result of the global pandemic in 2020, the City experienced significant reductions in revenues, as well as increased costs. To mitigate the impact and avoid a deficit, the City implemented a number of strategies, the results of which are reflected in the City's operational results.

The City's net financial position continued to grow in 2020, illustrating the ongoing commitment to strengthening the City's capacity to meet financial obligations. Unlike senior government organizations, municipalities are legislated not to incur deficits and debt for operations. Debt can only be incurred for capital purposes, and an accumulated surplus must be maintained. The City's growing assets to liabilities ratio indicates strengthening sustainability: the City's operations provide resources on hand to meet current obligations and finance future operations.

The accumulated surplus grew in the year to a total of \$789.5 million as a result of the City's investment in capital assets and reserve balances since its inception. Equity in capital assets, such as roads, underground infrastructure, land, and buildings, makes up the most significant portion of the accumulated surplus balance (\$522 million), followed by statutory reserve fund balances (\$255 million). The growth of reserve balances, combined with prudent debt management, are further indicators of strengthening sustainability and flexibility, elements which support the financial health of the City.

The impact of COVID-19 on operations resulted in consolidated revenues for 2020 being \$14 million below 2019, primarily due to reduced revenue from parking services, Victoria Conference Centre, property leases, and investment returns. The largest expense increase was \$3.5 million in Protective Services, a result of additional costs due to COVID-19 and contractual wage and benefit increases. Grants paid out increased \$2 million over 2019, funding services in Social Services and Housing, Planning and Development, and Parks, Recreation and Cultural Services. Significant decreases in expenses for 2020 include General Government property assessment appeals of \$(274k) in 2020 compared to \$2.75 million in 2019, and \$4.6 million reduction in Planning and Development expenses primarily due to reduced Conference Centre activity.

The net result for 2020 increased accumulated surplus of \$47.7 million for the year, consisting of increased investment in tangible capital assets and savings in reserves. Normally the annual surplus includes a small amount of general operating surplus, however for 2020 the mitigation strategies implemented in response to the impact of COVID-19 on operations resulted in a general operating surplus of \$0.

Highlights

The annual report provides a reflection of the City's financial wellness up to December 31, 2020. At the time of publishing, the impact of COVID-19 on the City's financial health is ongoing and the overall result is not determinable. However, based on the results of 2020, performance indicators identify that City policy supports the responsiveness to pivot on short notice to strategically mitigate risk to operations and financial stability. The City's Financial Sustainability Policy provides guidance for careful and deliberate decision-making when considering resource allocations between competing priorities in order to mitigate risks. The City's commitment to long-term financial sustainability, as reflected in its financial policies, investment in capital assets, growth of reserves, and prudent management of debt, supports a solid financial position to continue considering a variety of approaches in response to COVID-19 and through the transition to a post-pandemic environment.

Sincerely,

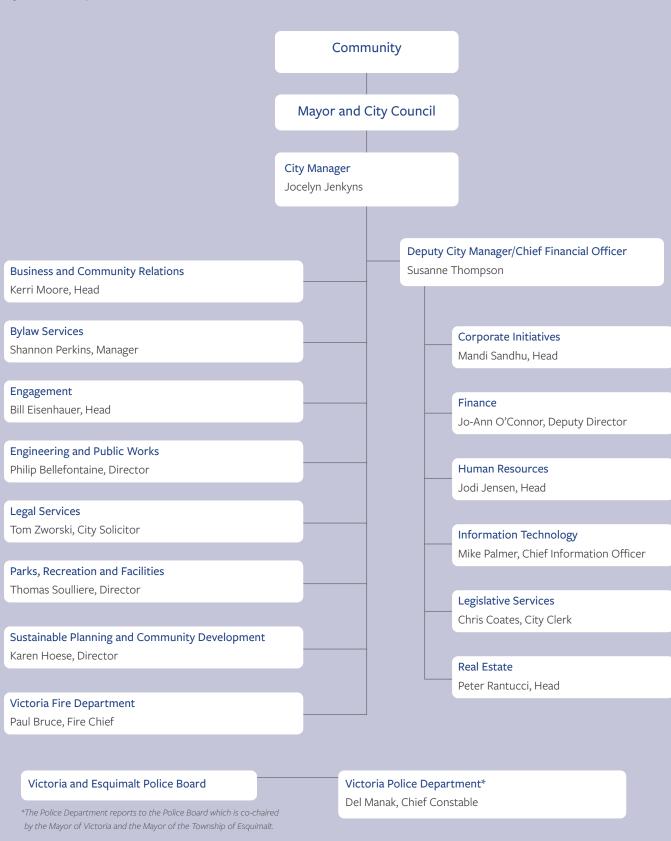

Usame Mongoon

Susanne Thompson, CPA, CGA Deputy City Manager/ Chief Financial Officer

May 6, 2021

2020 Organizational Chart

City of Victoria | as of December 31, 2020

Strategic Plan 2019–2022

In March 2019, Mayor and Council adopted a new Strategic Plan to guide the direction of the City over the next four years.

Goal Statement

By 2022, Victoria will be a bold, thriving, inclusive, and happy city that people love. We will be known globally for our climate leadership practices, multi-modal transportation options, innovative approaches to affordable housing, and for meaningful reconciliation with the Songhees and Esquimalt Nations on whose homelands our city was built.

Strategic Objectives

STRATEGIC OBJECTIVE ONE Good Governance and Civic Engagement

STRATEGIC OBJECTIVE TWO Reconciliation and Indigenous Relations

STRATEGIC OBJECTIVE THREE Affordable Housing

STRATEGIC OBJECTIVE FOUR Prosperity and Economic Inclusion

STRATEGIC OBJECTIVE FIVE Health, Well-Being and a Welcoming City

STRATEGIC OBJECTIVE SIX Climate Leadership and Environmental Stewardship

STRATEGIC OBJECTIVE SEVEN Sustainable Transportation

STRATEGIC OBJECTIVE EIGHT Strong, Liveable Neighbourhoods

STRATEGIC OBJECTIVE ONE

Good Governance and Civic Engagement

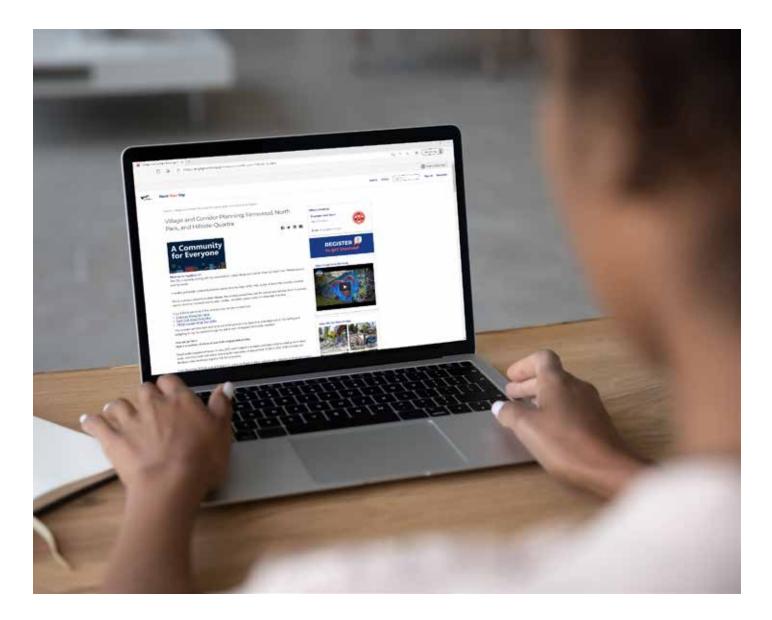

OUTCOMES

- > There is clear, open and transparent two-way communication between the City and the public with the ability for public input to effect change
- > There is broad engagement with a diversity of participants conducted in a respectful and inclusive way
- > The community feels heard
- > The City demonstrates regional leadership in transparency and open government initiatives
- > There are clear, relevant measurable outcomes for each objective that Council measures and reports on

- > Certified as a Living Wage Employer, joining more than 160 employers in B.C. who contribute to poverty reduction by committing to the payment of fair wages to employees and contractors.
- > Developed and implemented new policies, safe job procedures, and mental health and other programs to support City staff and the continued delivery of services to the public, while minimizing the potential spread of COVID-19 within our community.
- > Received an unqualified (clean) opinion on the 2019 Financial Statements from the City's external auditor.
- > Held two community town halls at City Hall including one focused on seniors (pre-COVID) to inform the Seniors Action Plan, and the Build Back Victoria Virtual Town Hall to introduce the City's COVID-19 Re-opening and Recovery Plan.

- > Focused on newcomers for this year's community-led Participatory Budgeting initiative. A record 26 projects to enhance the lives of newcomers to Victoria went out for public voting, with \$50,000 awarded to seven community-led projects ranging from food sustainability to an app to make it easier for newcomers to access healthcare.
- > Kept the public and businesses informed about the City's response to COVID-19 through daily Facebook Live updates, an online Business Info Hub, safe distancing and hygiene, signage, etc.
- > Moved engagement online due to event limitations and physical distancing requirements to curb the spread of the virus. An enhanced online engagement platform was launched in the fall to stay connected with residents and support the City's engagement projects and initiatives.

- > Adapted Community Association Land Use Committee (CALUC) consultation processes to online posting and feedback through the Development Tracker.
- > Awarded \$604,335 to 62 organizations in the city through the Strategic Plan Grants and an additional \$250,000 to 18 organizations through the second stream for COVID-19 Recovery.
- > Engaged with the public about emergency preparedness in new ways. A video of the emergency preparedness workshop was created, published on the website and shared on social media. Staff and volunteers participated in a virtual ShakeOutBC drill.
- > Supported staff career advancement with the new Leadership Development program. More than 50 employees completed or enrolled in 2020.
- Granted over \$2 million in permissive tax exemptions to 108 organizations and 126 properties.

- Created the Social Value Supplier
 Directory to inform local governments across Vancouver Island and the Coast region of suppliers whose practices align with their goals.
- Adopted an Accessibility Framework, Policy, and Short-Term Action Plan to guide planning, programs, infrastructure and services.
- > Held a by-election on December 12 for one councillor position. Work undertaken by the City included the creation of a candidate guide, communicating COVID-19 safety protocols and promoting voting opportunities, which included an expanded vote by mail option due to the pandemic.
- Improved functionality of VicMap to make it easier and faster to generate property reports.

Performance Measures	2020	2019
Participatory budgeting proposals	44	16
Engagement activities	147	77
Participants in engagement activities	18,637	22,521
Social media audience	97,009	88,670
Social media engagement	65,682	50,204
Website user sessions	1,323,861	1,357,700
% actual rate of return on investments	1.72	2.87
% home owner grants claimed online	73	56
% property taxes collected by due date	89.1	87.9
Assessed properties	30,786	30,252
Value of investment interest earned	\$5.2M	\$7.5M
Hours sick time used per FTE	63.7	70.9
Time loss injury claims	67	65
Work Day Lost (Injury Incurred in Prior Year)	501	737
Days lost to workplace injury	1,895	1,150

STRATEGIC OBJECTIVE TWO Reconciliation and Indigenous Relations

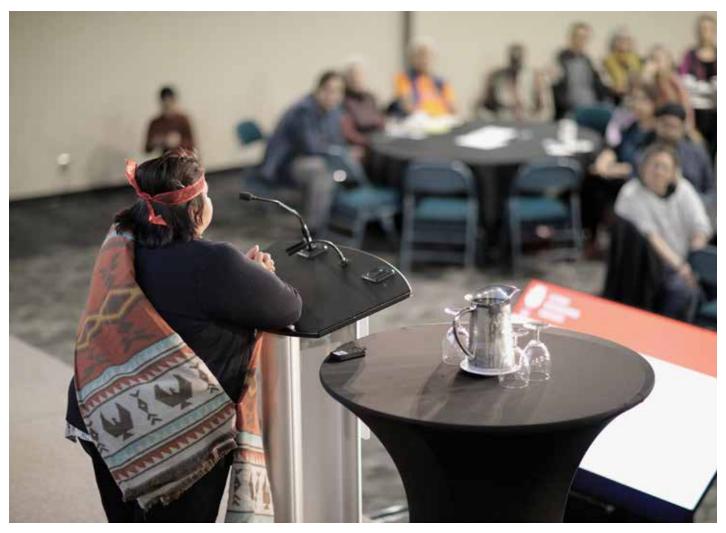

OUTCOMES

- > Deeper and more engagement with Songhees and Esquimalt Nations including with both hereditary and elected chiefs
- > Increased awareness of and support for reconciliation and recognition of Indigenous sovereignty
- City Council, staff and residents are more aware of Indigenous history, treaties, and leadership structures
- > Increased community collaboration and capacity to do the work of reconciliation by harnessing existing expertise in our community
- > More Indigenous involvement and inclusion in all aspects of civic life, including economic development
- > Talent acquisition programs and initiatives are in place that support the diversification of the City's workforce, including programs and initiatives that focus on Indigenous Peoples

- > Held two of the Victoria Reconciliation Dialogues in 2020, which included Newcomers to Canada and Reconciliation and Sir John A. Macdonald in Conversation. Both were well received and well attended.
- > Expanded lakwaŋan|Songhees Park. In July, the Songhees Nation provided the Indigenous name for the land known as Songhees Park: lakwaŋan, which translates to "people of the smoked herring".
- > Held a virtual public open house on the draft design concept for the expanded sčəma@ən|Peter Pollen Waterfront Park. Feedback was collected from residents of Greater Victoria and 79 per cent of respondents agreed that the proposed design aligned with the key objectives for the project. Staff continue to work with representatives of the Songhees Nation to identify opportunities for Indigenous cultural expression in the design.
- > Provided online Indigenous Cultural Safety training for leaders and staff to increase understanding of Indigenous history and employee self-awareness, and strengthen skills for working with Indigenous people.

- Supported and hosted a virtual Orange Shirt Day event on the City's Facebook Live platform on September 30.
- Indigenous Artist in Residence Dylan Thomas developed original artwork for the City's 11 utility boxes, with repeating patterns that represent nature. He also worked closely with the Songhees Nation to develop designs for three public art pieces that will be installed in Songhees Park in 2021.

Florence Dick provides First Nations blessing and welcome at Victoria Reconciliation Dialogue #3: Newcomers to Canada and Reconciliation.

Ravens – Utility Box Wrap Artwork: Dylan Thomas, Indigenous Artist in Residence

STRATEGIC OBJECTIVE THREE Affordable Housing

OUTCOMES

- > Decrease in number of people spending more than 30 per cent of income on housing
- > Decrease in homelessness (Point-In-Time Count numbers go down)
- > Increase the number of 'Missing Middle' housing units
- > Increase number of co-op housing units
- > Increase in rental apartment and housing vacancy rate
- > Increase in percentage of Victoria residents who own their own homes
- > Victoria is seen as development-friendly
- > Neighbourhoods are diverse, accessible and affordable across all ages, incomes and abilities

- > Approved a grant from the Victoria Housing Reserve Fund to the Gorge View Society in the amount of \$295,000 to assist in the construction of a four-storey, 58-unit affordable housing project for seniors at 11 Chown Place.
- > Approved two Victoria Housing Reserve Fund grant applications to support affordable housing. This included a revised grant of \$105,000 for development of 19 affordable homes in the Hillside Quadra neighbourhood by the Greater Victoria Housing Society, and a new grant of \$450,000 to assist the Victoria Cool Aid Society's construction of 70 affordable homes as part of the Crosstown project on Douglas Street.
- > Brought forward recommendations to re-prioritize Victoria Housing Strategy actions as part of COVID-19 response and recovery, including: supporting the rapid supply of affordable and supportive housing; completing a Rental Property Standards of Maintenance Bylaw; creating a Rental Licensing Bylaw to prevent evictions from renovations and demolitions; and exploring a non-profit administered Rent Bank on a pilot basis.
- > Created a Renters Engagement Toolkit with input from the Renters Advisory Committee to help increase the participation and voice of renters in City engagements. The Toolkit complements the City's Engagement Framework.
- > Developed an in-house Short-Term Rental (STR) tracking program which has flagged multiple unlicensed STR's which the City is working to bring into compliance.

- > Adopted regulations to expand opportunities to convert single-family houses to multi-unit housing. The new regulations incentivize the inclusion of rental, affordable rental, affordable home ownership units and heritage designation.
- > Adopted a new bylaw that took effect in January 2021 to ensure quality, safety and liveability of rental units.
- Completed the Housing Needs
 Assessment for Victoria to inform future planning, in accordance with recent legislative requirements.
- > Completed a strategic land acquisition of 926/930/932 Pandora Avenue to support future affordable housing and community amenity space.

Performance Measures	2020	2019
% overall vacancy rate	2.3%	1.0%
Demolitions	56	56
Rental units created by Housing Reserve Fund	105	138
Construction permits issued	3,731	4,134
Average sale price for condominiums	\$512,320	\$501,352
Average sale price for townhomes	\$740,902	\$683,849
Average sale price for single family homes	\$1M	\$939,066
\$ value construction permits	\$266M	\$285M
Development permit application volume	295	345
Zoning Regulation Bylaw plan checks	1,677	2,045
Inspections performed	3,259	5,591
Development Centre served	30,000	30,000

STRATEGIC OBJECTIVE FOUR

Prosperity and Economic Inclusion

OUTCOMES

- > Business owners feel that it's easy and rewarding to work with City Hall
- > Neighbourhood and village centres have thriving economies
- > Low vacancy rate in downtown retail spaces is maintained
- > Employers can find enough qualified workers to fill available jobs
- > People who work in Victoria can afford to live in Victoria
- > Increase in number of businesses actively engaged in reducing GHGs
- > Increase in number of urban-agriculture related businesses
- > Reduced use of food banks

- > Launched the Build Back Victoria Program (BBV). The program included several initiatives to support local businesses during the COVID-19 pandemic by providing access to public spaces for commercial use, plus the implementation of pedestrian-priority measures on Government Street.
- > Transitioned the Development Centre fully to accepting electronic applications for all types of applications and permits and held virtual meetings with the Heritage Advisory Panel, Advisory Design Panel and Board of Variance.
- Partnered with the Office of Small and Medium Enterprises to host the third annual Innovation Forum to showcase government programs and non-government organizations that support innovation that are available to Victoria businesses.
- > Helped businesses navigate the challenges of opening or pivoting during the pandemic through the services offered at the Business Hub.

- > Pivoted to virtual sales for conferences and events at the Victoria Conference Centre, selling through many online events over the year. The facility was closed to in-person meetings in March 2020. Staff worked through WorkSafe BC health and safety requirements to target a date to reopen.
- Created a new COVID-19 Business Resource online hub to consolidate resources and tools available to support businesses.
- > Animated 10 kiosks along Douglas Street, City parkades and vacant commercial spaces with artwork installations.
- Provided a Downtown Heritage Seismic Upgrade Fund grant to Victoria Civic Heritage Trust to support its Seismic Parapet Incentive program. The grant provides financial assistance to owners of heritage-designated buildings in the Downtown Core Area for seismic upgrading.
- > Launched Victoria 3.0: Recovery Reinvention Resilience – 2020-2041, an economic action plan for a sustainable, influential city that will build a strong innovation ecosystem and create a strong and resilient economy now and for the future. Through the Ocean Futures Cluster Development working group, a smaller committee focusing on the Ocean Futures Innovation Hub as an initial action within Victoria 3.0, helped create the RFP deliverables for a feasibility study and business case. The group also secured \$100,000 in federal funding to support the cost of the study and business case.
- > Awarded \$250,000 to 18 organizations for projects with an exclusive focus on COVID-19 recovery through the Strategic Plan Grant COVID-19 stream.
- Completed negotiations for the conditional sale of the City's downtown APEX site to support development of the *TELUS Ocean* commercial project. The sale of the property is subject to TELUS successfully bringing the *TELUS Ocean*

project through the City's formal land use approval process.

- > Marketed #MyVictoriaMeetingCampaign as a social media contest to encourage people to post photos from past meetings at the Victoria Conference Centre to generate positive memories.
- > Issued 79 film permits related to 95 days of filming in public space.
- > Amended the City's zoning bylaws to accommodate airspace parcel subdivisions throughout the city, helping to streamline the development process. Zoning amendments were also adopted to improve how retaining walls along waterfront properties are regulated.

Performance Measures	2020	2019
Public art pieces	199	158
Park Victoria app transactions	897,465	995,417
# organizations permissive tax exemptions	106	107
# properties permissive tax exemptions	137	143
Parkade transactions	964,441	1,611,272
On street parking #s	2,035,949	2,767,399
New property tax revenue from new construction	\$3.6M	\$3.7M
\$ permissive tax exemptions	\$1.9M	\$2.1M
# of special event permits issued (including block parties)	66	230
# of film permits issued	79	56
Free city organized arts and culture programs and events	106	131
Businesses assisted at Business Hub	178	512
Delegate days at VCC	15,756	118,661
Estimated economic impact at VCC	\$7.1M	\$53.4M

Some facility metrics were significantly impacted by closures in 2020 due to the pandemic.

STRATEGIC OBJECTIVE FIVE Health, Well-Being and a Welcoming City

OUTCOMES

- > Increase sense of belonging and participation in civic life among all demographic groups
- > Increase in number of people who feel safe and part of the community
- > Increase in number of people who have a family doctor and overall increase in the number of people working in the health and well-being professions
- > Increase in availability of free recreation options
- > Increase in people accessing nature
- > Increase in number of people who are more active, including increase in registrations in the City's recreational programs
- > Clear improvement on mental health and addictions
- > Increased local food security
- > Fewer people are living below the poverty line and more people have access to a living wage
- > Increase in cultural literacy, deepening understanding and welcoming of diversity

- > Selected Neko Smart to be the City's 8th Youth Poet Laureate. Smart encourages vulnerability in writing as a way of healing through written word.
- Opened Royal Athletic Park to the public during evenings and weekends to provide free programs, activities and performances.
- > Offered outdoor fitness programs to more than 700 adults to support health and fitness including boot camp, Zumba, yoga, strength and conditioning, and personal training services.
- > Launched the *Fun for Life, Go!* program to help residents stay healthy and well during the pandemic. Resources included exercise videos, interactive games to keep kids active, and ideas to stay active outdoors.

- > Hosted a live stream concert with Artist in Residence Kathryn Calder, for a virtual audience of over 200 people from around the world.
- Completed major repairs to the ventilation system and pool tank at the Crystal Pool and Fitness Centre.
- Supported local festival and event organizers through the Festival Investment Grant funding as they pivoted to alternate formats in order to stay connected with audiences.
- > Launched the new Everyday Creativity Grant program in response to COVID-19 and the need for a creative outlet during the pandemic; 34 applications were received.
- Opened a new park, the Agamemnon and Eleni Kasapi Park in the South Jubilee neighbourhood.

- Showcased original public artworks by local emerging artists in *Commute*, an art installation at six downtown bus shelters, as well as original art by Emily Thiessen in Commercial Alley.
- Continued the 80-year tradition of hanging basket installations, including 1,300 baskets hung in the downtown core.
- > Hosted weekly summer camps for more than 800 children at Royal Athletic Park.
- > Pivoted community programming to pop-up concerts, new partnerships in neighbourhoods and streaming online concerts during the summer. Highlights included the Eventide Music Series livestream series; virtual Canada Day celebrations; creative spotlight pop-up performances by musicians in Victoria parks, plazas and squares; and arts and craft workshops and dance classes at Royal Athletic Park.

- Transitioned fire safety and emergency management education sessions to an online platform.
- Supported Victoria Poet Laureate John Barton in several poetry-reading events, such as Love and Chocolate, and a video poem showcasing Barton's relationship with the city from the 1970's onwards.
- > Worked with community organizations to develop Get Growing, Victoria!, a new program to grow and distribute vegetable seedlings to support citizens disproportionally impacted by the COVID-19 pandemic. Over 81,000 plant starts were grown by the City and distributed by over 40 community partners.

Performance Measures	2020	2019
% Crystal Pool online registration	43	32
# children who learned to swim	571	2,311
LIFE program participants	495	3,177
# kids at summer camps	811	1,963
Crystal Pool visits annually	80,865	324,935

Some facility metrics were significantly impacted by closures in 2020 due to the pandemic.

STRATEGIC OBJECTIVE SIX

Climate Leadership and Environmental Stewardship

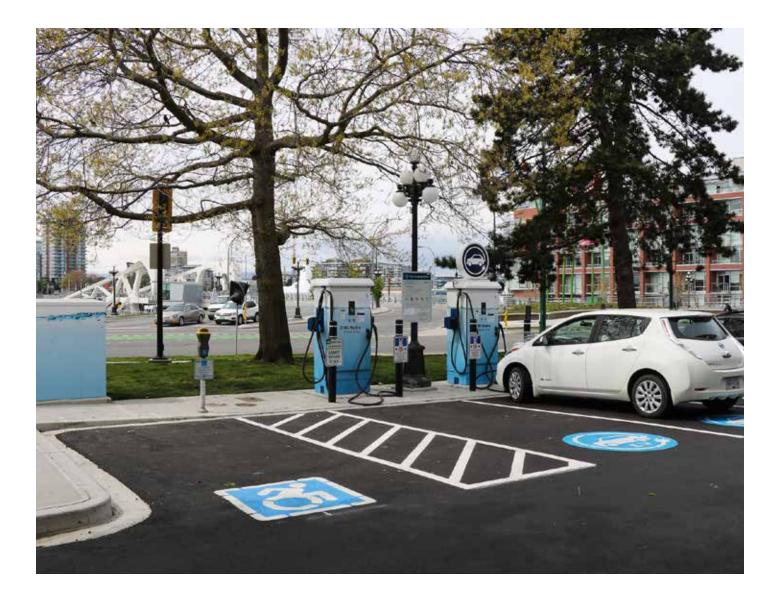

OUTCOMES

- > The City is making measurable advances reducing community GHG emissions by 50 per cent from 2007 levels by 2030, and cutting the City of Victoria's corporate emissions by 60 per cent by 2030
- > Citizens and businesses are empowered and inspired to take meaningful action to reduce carbon pollution
- > Citizens and businesses are making measurable advances in community and business GHG reductions and a tangible movement to 100 per cent renewables to meet or exceed climate targets.
- > There are optimized local compost solutions in place for both food and garden waste
- > Increase in tree canopy on public and private property

- > Produced the first Climate Leadership Plan Progress Report showing the City has achieved 11 per cent community GHG emissions reductions since 2007.
- > Launched the Oil to Heat Pump program and incentives, targeting high-impact energy retrofits which resulted in 282 registrations for City of Victoria heat pump incentive top-ups.
- > Launched in collaboration with the CRD, Saanich and other neighbouring municipalities, Bring it Home for the Climate, a regional online program offering virtual home energy audits and retrofit support.
- > Approved \$135,000 from the Climate Action Reserve Fund for facilities energy improvements, achieving an estimated \$45,000 in savings annually.
- > Joined the Trees in Cities Challenge, an invitation from the United Nations to mayors around the world to make a pledge to plant trees in their city. The City of Victoria was the first city in Canada to join the challenge and pledged to work with the community to plant 5,000 trees on public and private land in 2020.

- > Adopted Zero Waste Victoria Strategy to guide Victoria's transition to a future where products and materials are avoided, reduced and reused instead of disposed in landfill.
- > Introduced new recycling receptacles for street cleaning and janitorial staff to reduce the waste associated with increased use of personal protective equipment.
- > Introduced Zero Waste Stations downtown to improve options for recycling and composting in the public realm.
- > Planted 535 trees on public land, exceeding the City's annual tree target of 500 new trees.
- Introduced new electric vehicle-readiness bylaws requiring new residential and commercial developments to provide electrical capacity for electric vehicle charging.

- > Developed a new set of resources for residents and stakeholders to assist with tree selection and new tree care. These new resources are available for download on the City website.
- Increased from Level 1 to Level 3 for residential buildings and Level 2 for commercial buildings in the B.C. Step Code requirements.
- Installed six new Level 2 on-street EV chargers downtown and signed an agreement with BC Hydro for the City's first DC Fast Charger for installation in Spring 2021.
- > Procured the Victoria Fire Department's first electric cars and a new, more efficient Emergency Support Services van to continue to assist the public in the provision of food, shelter, clothing and incidentals to evacuees affected by fires or other emergency events.

Performance Measures	2020	2019
Watermain breaks	27	47
KM cleaning/flushing sanitary mains	47.8	68.7
Water meters replaced	133	109
Tonnes of garden waste collected (solid waste)	1,091	1,200
Tonnes of organic materials collected (solid waste)	2,247	2,200
Average organic waste diversion rate	39	37
Tonnes of waste collected (solid waste)	5,130	4,200
Properties participating in stormwater utility credits	91	83
Trees removed from public property	272	465
Trees planted on public property	535	516
# City owned trees	33,000	33,000

STRATEGIC OBJECTIVE SEVEN SUSTAINABLE Transportation

OUTCOMES

- > Increase in residents using public transit, walking and cycling
- > Decrease in number of collisions and fatalities on City streets
- > Decrease in transportation-related GHG emissions
- > Fewer cars on the road and decrease in vehicle kilometres travelled
- > Increase in car sharing
- > Decrease in annual household spending on transportation
- > Increase in public and private electric vehicle charging stations
- > New transportation services are available, including rapid transit, to and from Victoria, supported by first-mile and last-mile solutions, mobility-as-a service and a single payment platform
- > There is a positive shift in public attitude towards sustainable transportation
- > There is a direct link between City transportation investments, policies, and services and the City's Climate Leadership goals
- > Victoria is recognized as a global leader in multi-modal transportation

- > Developed and launched the *Build Back Victoria* program.
- Established pedestrian-priority corridors on Gladstone, Broad and Government Streets.
- Installed "no touch" pedestrian button upgrades at 44 traffic signals.
- Installed four temporary "COVID sidewalks" to provide more space for physical distancing in village centres.
- Implemented downtown traffic signal timing updates including longer "walk" times for pedestrians at all intersections.
- > Advanced the All Ages and Abilities (AAA) Bicycle Network completion:
 - Consultation and design recommendations for Kings-Haultain, Kimta Road, Richardson Street and Government Street routes.
 - > Opened Dallas Road and Harbour Road facilities.
 - Construction began on Vancouver/ Graham/Jackson route with completion scheduled for Spring 2021.

- Completed community engagement for the Jubilee route alignment (three options), as well as Fort Central, Oaklands Connector and Fernwood Connector.
- Implemented new online annual U-Pass system where youth ages six to 18 can now apply online for a free annual BC Transit U-Pass. BC Transit provided free transit service for a portion of the year due to the pandemic.
- > Initiated Dallas Road balustrade replacement and coordinated repairs to Dallas Bluff slopes, along with a new bikeway, public open space, seating and accessible parking.
- Performed paving upgrades on major routes across the city including Douglas, Dallas, Blanshard, Cook, Yates and Fort Streets.
- > Repaired approximately 2,000 potholes on City streets.
- Increased daily street cleaning downtown and in neighbourhoods.

- > Conducted 280 bridge lifts of the Johnson Street Bridge.
- > Rehabilitated 2,150 metres of storm drain mains, 700 metres of sanitary sewer mains, and 1,050 metres of watermains.
- Introduced new traffic signals at Gorge and Rock Bay Roads and Blanshard Street and Kings Road, and installed or upgraded 17 crosswalks city-wide.
- > Supported the expansion of six new car share vehicles.
- > Launched a new traffic calming program including the delivery of speed humps on over a dozen local streets, new school safety zone standards for all schools in Victoria and the trial of a new School Street initiative.
- > Initiated construction of the *Triangle Green* public space near the Johnson Street Bridge, which included the relocation of the *Commerce Canoe* public artwork.

Performance Measures	2020	2019
KM new and upgraded sidewalk	2.4	0.9
Sidewalk projects completed	3	4
KM roads paved – capital	5.0	3.2
Local street rehabilitation projects completed	12	9
Metres of AAA infrastructure installed	4,059	1,900
KM sidewalks maintained per year (concrete section)	467	465
Square metres sidewalk – maintenance (separate/combination)	1,207	2,940
# of crosswalk projects – new or improved crosswalks	33	30
KM of bike lanes – all types	98.4	94.3
KM roadway maintained	279	279

STRATEGIC OBJECTIVE EIGHT

Strong, Liveable Neighbourhoods

OUTCOMES

- > Increase in number of opportunities for engagement with neighbourhoods
- > People feel listened to and consulted about what makes a neighbourhood distinctive
- > Increase in affordable housing in all neighbourhoods
- > Increased access to social determinants of health in all neighbourhoods
- > People feel that their neighbourhood is safe and walkable
- > Increase number of people walking compared to other modes of getting around within neighbourhoods
- > Increase in the amount of green space in neighbourhoods
- > All neighbourhoods are thriving, distinctive, appealing, viable and have amenities

- > Deployed significant resources from the City and several external agencies to address an increase in the number of people experiencing homelessness seeking shelter in parks and other open spaces in 2020.
- > Delivered emergency management community education programming virtually to 983 recipients.
- > Activated Emergency Social Services 13 times and assisted 118 people through the provision of food, shelter, clothing and incidentals to evacuees affected by fires and water damage.
- > Adopted new house conversion zoning regulations, expanding opportunities to convert single-family houses to multi-unit housing. The new regulations incentivize the inclusion of rental, affordable rental, affordable home ownership units and heritage designation.
- > Extended the lifespan of Fire Boat 1 Protector through a significant refit.

- > Launched the new Local Champions program to help support Victoria residents gain skills, confidence and build relationships to become more active and engaged as champions in their neighbourhood.
- > Launched the first phase of consultation for village and corridor planning in Hillside-Quadra, North Park and Fernwood neighbourhoods.
- > Received 51 applications for the My Great Neighbourhood Grant program and approved a total of \$184,205 in funding.
- > Responded to a total of 928 overdose calls in 2020. This is an annual increase of 17 per cent over 2019 which had 795 overdose calls. Firefighters administered Naloxone at a total of 44 incidents.
- > Created Community Virtuals, a new initiative to connect residents. These free online events focused on community development and resiliency in a lunch and learn format.

- > Assisted the B.C. government in regulation and enforcement of public health orders, specifically to respond, monitor and report on compliance of community facilities such as community halls, museums, places of worship, theatres, parks, sports arenas and casinos.
- > Received 147 calls to the Hoarding Education Action Team (HEAT) hotline, resulting in 10 home visits within the City of Victoria. The new HEAT Facebook Group has continued to see success since implementation and has grown in membership.
- > Completed a map gallery of placemaking projects on *VicMap*.
- > Launched the Connect and Prepare program, providing facilitated sessions to inform residents how to develop and create relationships with their neighbours to be better able to respond to all emergencies.

Performance Measures	2020	2019
Total amount Great Neighbourhood Grant funding provided	\$184,205	\$122,000
Evacuee assistance – team activations	13	3
Volunteer training sessions	20	80
Community life safety education sessions	57	213
Attendees at community life safety education sessions	983	9,027
Fires contained to room of origin	70	52
Structure fires	80	53
Emergency Support Services – people assisted	118	37

Performance Measures	2020	2019
# of calls received on HEAT hotline	147	178
Total fires attended	690	424
Aggregate hours attending emergency events	1,988	2,759
Fire inspections and re-inspections	4,213	4,033
VFD emergency responses	5,583	6,985
Firefighter aggregate training hours	11,623	16,000*
Hectares natural area	91	91
# City parks	138	137
Hectares parkland	254	209

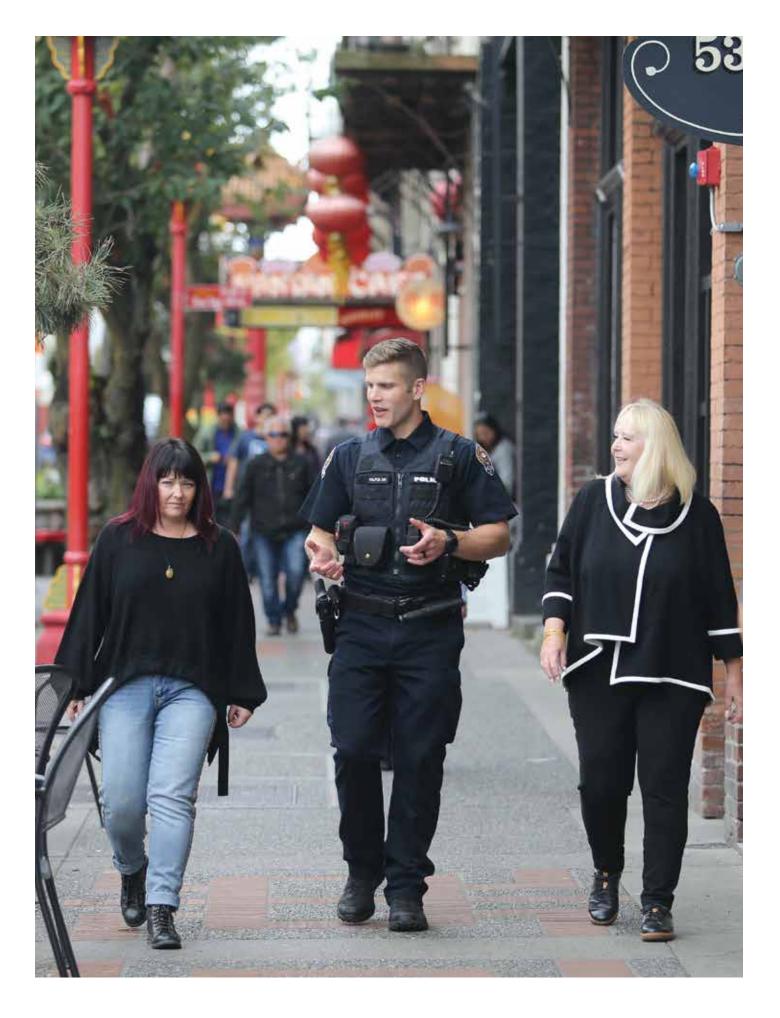

*estimate

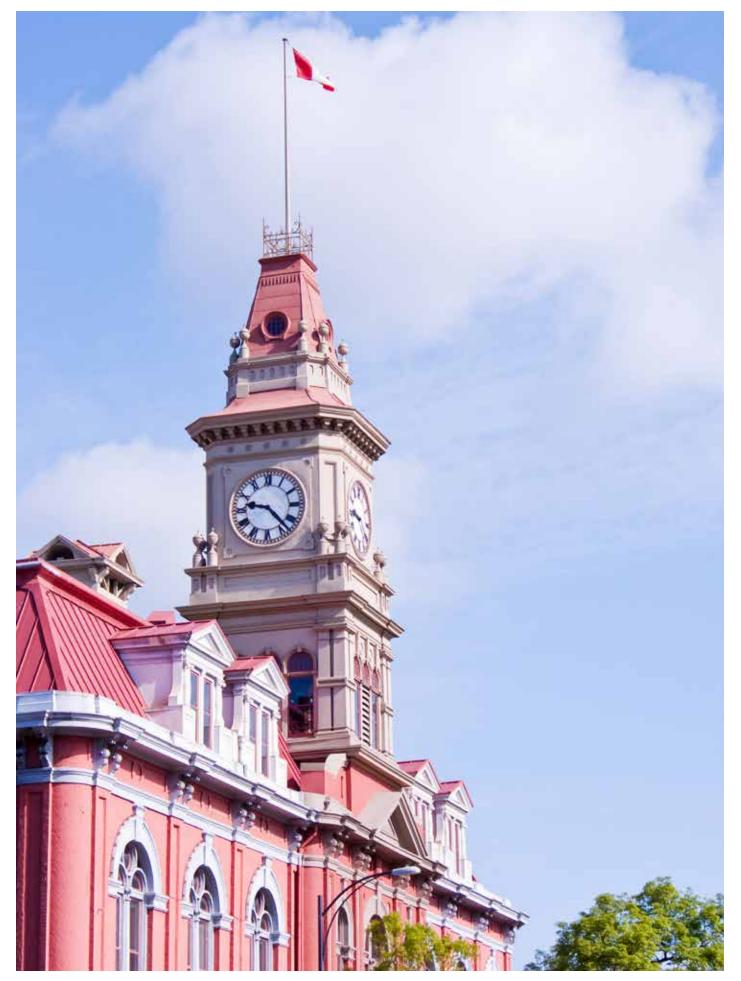

Victoria Police Department

The Victoria Police Department (VicPD) is the oldest municipal police department west of the Great Lakes and has been proudly serving the City of Victoria since 1858 and the Township of Esquimalt since 2003.

- > VicPD continued its efforts in 2020 to explore new ways to deliver policing services as effectively as possible under the three main goals of our strategic plan: support community safety, enhance public trust, and achieve organizational excellence.
- > VicPD is always exploring new ways to share information with the public and to be as open and transparent as possible. To that end, we launched a new information portal called Open VicPD in 2020, which is a one-stop hub for information that includes our new VicPD Community Dashboard, our online Community Safety Report Cards, our community survey results, and other information that tells the story of how VicPD is working towards our strategic vision of "A Safer Community Together." We look forward to introducing more of the public to these new interactive platforms as a way to see how VicPD is doing as the police service of Victoria and Esquimalt.
- > VicPD conducted another successful survey of residents and businesses in 2020. This survey has proven so valuable that, beginning with this 2020 survey, VicPD will now conduct our community survey on an annual basis to allow us to receive more timely and frequent feedback from our citizens about our service delivery and how we can better serve the residents and businesses of Victoria and Esquimalt.
- > COVID-19 resulted in changes to service delivery to our citizens in 2020, including the closing of the lobbies at both the headquarters building and at Esquimalt Division, a suspension of our Volunteer program, and a reduction of our Reserve program. However, VicPD continued to engage with the community and build relationships through proactive patrols, a high-visibility presence, and virtual community meetings while ensuring that our people remained safe and protected.
- In 2020, work progressed in partnership with Island Health regarding the exploration of alternative responses to mental health calls, which is an initiative that VicPD fully supports and will continue to facilitate into 2021.
- > Our Diversity, Inclusion, and Respectful Workplace Committee has been active in 2020, with a current focus on building a process to collect organizational diversity information that can offer insights into the demographic composition of our VicPD team.
- > In 2020, VicPD responded to 51,404 calls for service in both the City of Victoria and the Township of Esquimalt.

FINANCIAL STATEMENTS OF

The Corporation of the City of Victoria

Year Ended December 31, 2020

Management's Responsibility for the Financial Statements

The accompanying financial statements of The Corporation of the City of Victoria (the "City") are the responsibility of management and have been prepared in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of Chartered Professional Accountants Canada. A summary of the significant accounting policies are described in the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The City's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

Mayor and Council meet with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

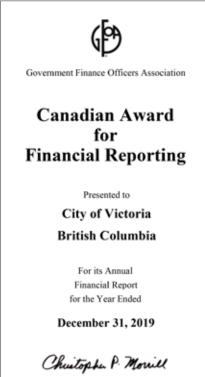

The financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the City. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the City's financial statements.

Docelyn Jenhyns

City Manager

Deputy City Manager/CFO

May 6, 2021

Executive Director/CEO

Independent Auditors' Report

To the Mayor and Councilors of The Corporation of the City of Victoria

Opinion

We have audited the financial statements of The Corporation of the City of Victoria (the "City"), which comprise the Statement of Financial Position as at December 31, 2020, the Statements of Operations, Change in Net Financial Assets and Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2020, and its results of operations, its changes in net financial assets, and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditors' Report

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

December 31, 2020

The Corporation of the City of Victoria (the "City") is incorporated and operates under the provisions of the Local Government Act and the Community Charter of British Columbia. The City provides municipal services such as: protective services, transportation services, environmental and public health services, community planning, parks, recreation and community development, water utility, sewer utility and other general government operations.

The financial statements of The Corporation of the City of Victoria (the "City") are prepared by management in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants Canada. Significant accounting policies adopted by the City are as follows:

1. Significant Accounting Policies

(a) Reporting Entity

The financial statements include the assets, liabilities, accumulated surplus, revenues and expenses of all of the City's activities and funds. Inter-departmental balances and organizational transactions have been eliminated.

The financial statements exclude trust assets that are administered for the benefit of external parties (Note 15).

(b) Basis of Accounting

The City follows the accrual method of accounting for revenues and expenses. Revenues are accounted for in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(c) Government Transfers

Government transfers are recognized in the financial statements as revenues in the period the transfers are authorized and any eligibility criteria have been met, except when and to the extent that the transfer gives rise to an obligation that meets the definition of a liability for the City. Transfers received that meet the definition of a liability are included in deferred revenue and are recognized in the periods that the liability is settled.

(d) Deferred Revenue

Certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred or the services are performed. Building permit fees are recognized individually as inspections are performed.

(e) Deposits and Prepayments

Receipts restricted by third parties for future services or repayment are deferred and reported as deposits and are refundable under certain circumstances. Deposits and prepayments are recognized as revenue when qualifying expenditures are incurred.

(f) Taxation Revenue

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. Annual levies for non-optional municipal services and general administrative services are recorded as taxes for municipal services in the year they are levied. Taxes receivable are recognized net of an allowance for anticipated uncollectible amounts. Levies imposed by other taxing authorities are not included as taxes for municipal purposes.

Through the British Columbia Assessment's appeal process, taxes may be adjusted by way of supplementary roll adjustments. The effects of these adjustments on taxes are recognized at the time they are awarded.

(g) Investment Income

Investment income is reported as revenue in the period earned. When required by the funding agreement, investment income earned on deferred revenue is deferred and forms part of the deferred revenue balance.

(h) Cash and Cash Equivalents

Cash equivalents include short term highly liquid investments with a term to maturity of 90 days or less at acquisition. Cash equivalents also include investments in the Municipal Finance Authority of British Columbia ("MFA") Money Market Funds which are recorded at cost plus earnings reinvested in the funds.

(i) Debt

Long-term debt is recorded net of related sinking fund balances and actuarial earnings.

December 31, 2020

1. Significant Accounting Policies (continued)

(j) Employee Future Benefits

- (i) The City and its employees make contributions to the GVLRA-CUPE Long Term Disability Trust and Municipal Pension Plan. As these are multi-employer pension plans, contributions are expensed as incurred.
- (ii) Sick leave and certain retirement benefits are also available to the City's employees. The costs of these benefits are actuarially determined based on years of service and best estimates of retirement ages and expected future salary and wage increases. The obligations under these benefit plans are accrued based on projected benefits as the employees render services necessary to earn the future benefits.

(k) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The costs, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

	Useful life in years
Land improvements	15 – 50
Buildings	20 - 50
Furniture, equipment, technology and motor vehicles	s 5 – 25
Roads, bridges and highways	10 - 80
Water infrastructure	20 - 125
Sewer infrastructure	50 - 100
Drainage infrastructure	50 - 100

Tangible capital assets are written down when conditions indicate that they no longer contribute to the City's ability to provide goods and services, or when the value of future economic benefits associated with the asset are less than the book value of the asset. Assets under construction are not amortized until the asset is available for service. The City does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

(ii) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(iii) Natural Resources

Natural resources are not recognized as assets in the financial statements.

- (iv) Works of Art and Cultural and Historic Assets
 Works of art and cultural and historic assets are not recorded as assets in these financial statements.
- (v) Leased Tangible Capital Assets

Leases that transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(vi) Inventories of Supplies

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(I) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating useful lives of tangible capital assets, estimating provisions for accrued liabilities, and in performing actuarial valuations of employee future benefits. Actual results could differ from these estimates.

December 31, 2020

1. Significant Accounting Policies (continued)

(m) Contaminated Sites

A Contaminated site is defined as a site at which contamination occurs in concentrations that exceed acceptable amounts permitted under an environmental standard.

Contaminated sites are a result of contamination being introduced into air, soil water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- (i) an environmental standard exists;
- (ii) contamination exceeds the environmental standard;
- (iii) the City is directly responsible or accepts responsibility;
- (iv) it is expected that future economic benefits will be given up; and
- (v) a reasonable estimate of the amount can be made.

The liability is recognized as management's best estimate of the cost of remediation including operation, maintenance and monitoring that are an integral part of the mediation strategy for a contaminated site. No liability for contaminated sites exists as at December 31, 2019 or 2020.

A review of City sites identified one property that was no longer in productive use, at which substances exceeded environmental standards. The City is not directly responsible for the contamination, and has not accepted responsibility for the contamination. As the property was involuntarily acquired by the City through tax sale, Provincial legislation exempts the City from being held liable for the remediation.

2. Cash and Cash Equivalents:

	2020	2019
Cash	\$ 74,273,573	\$ 34,295,362
MFA Money Market Funds	82,191,149	110,680,225
	\$ 156,464,722	\$ 144,975,587

3. Accounts Receivable

	2020	2019
Sewer	\$ 4,062,570	\$ 4,286,749
Water	13,719,384	13,233,361
Grants	496,597	1,407,493
GST and carbon tax	924,212	740,560
Investment interest income	206,261	1,070,372
Parks, recreation and community development	620,031	1,418,408
Municipal tickets	1,275,291	1,484,857
Victoria police department	1,053,199	1,028,355
Rental properties	457,103	128,584

Miscellaneous	1,907,107	3,544,295
Valuation allowance	(638,517)	(937,885)
	\$ 24,717,750	\$ 28,574,624

December 31, 2020

4. Portfolio Investments

	Yield	Maturity	2020	2019
MFA Pooled Bond Funds			\$ 36,844,995	\$ -
Term deposits	0.76% to 1.06%	December 18, 2021	134,000,000	173,000,000
		_	\$ 170,844,995	\$ 173,000,000

Portfolio investments are comprised of Term Deposits of Canadian Banks and Credit Unions as well as Municipal Finance Authority of BC (MFA) pooled bond funds. The GICs held at December 31, 2020 have yields of 0.76% to 1.06% (2019 – 2.15% to 3.04%), and maturity dates to December 18, 2021. The MFA pooled bond funds have varying returns and yields, and are intended to be held for two to five years. The City's investments are carried at cost which approximates market values.

5. Mortgage Receivable

	2020	2019
Mortgage receivable	\$ 950,928	\$ 921,620

In 2011, the Federal Government of Canada entered into an agreement with the Capital Regional District to provide a financial contribution for new permanent, safe, transitional and supportive housing. Subsequently, the Capital Regional District entered into a sub project funding agreement in which \$1,200,000 was contributed to the City towards the purchase of two properties within the City. The agreement states that if the properties are not operated for their intended purpose or are sold and the proceeds of disposition are not applied to providing similar services then the City will be required to repay the contribution amount. The amount of the required repayment is dependent on the length of time that the intended purpose of the contribution is met and extends to March 31, 2026 at which point no further repayment is required.

In 2013, one of the properties was purchased by Provincial Rental Housing Corporation. In 2015, the remaining property was purchased by a not-for-profit housing society and a mortgage of \$1,300,000 was issued by the City. The mortgage bears no interest and is secured by the property. Payment is not due until the mortgage matures on September 15, 2029. The mortgage is guaranteed by BC Housing Management Commission, therefore if the not-for-profit organization defaults on the terms of the loan, BC Housing Management Commission assumes responsibility for the loan repayment. The balance represents the present value of the payment, using the City's estimated cost of borrowing.

Both purchases include transfer of the funding agreement repayment obligation applicable to each property.

6. Accounts Payable and Accrued Liabilities

	2020	2019
Trade accounts payable and other liabilities	\$ 12,668,501	\$ 15,177,283
Capital projects	2,606,937	3,541,649

	\$ 26,749,918	\$ 13,580,665	\$ 332,455	\$ (12,823,900)	\$ 27,839,138

8. Long-Term Debt

	2020	2019
Equipment financing (a)	\$ 1,678,979	\$ -
Debt (b)	60,836,541	65,134,749
	\$ 62,515,520	\$ 65,134,749

(a) Equipment Financing Loan

The Municipal Finance Authority ("MFA") has established an equipment financing program that replaced the former leasing program. Loans under the equipment financing program are available to both regional districts and municipalities under section 175 of the Community Charter, and are direct obligations of the entity requesting funding. In the case of a municipality, it does not have to seek consent of its regional district to obtain an equipment financing loan. The maximum length of an equipment financing loan agreement is five years. Interest rates are based on the Canadian Dollar Offered Rate (CDOR) and the loans have fixed monthly payments with the interest portion calculated on the last day of the month.

As part of the City's 2019 – 2023 Financial Plan approval process, a Council resolution, dated February 28, 2019, authorized up to \$4 million to be borrowed by the MFA Equipment Financing program for the purpose of vehicle fleet funding. The City borrowed

\$1,860,000 in June 2020 to fund fleet equipment purchases. In March 2021, the City applied for the remaining \$2,140,000.

(i) Equipment Financing Loan Report:

			Equipment loan	Equipment loan
MFA Loan No. – Council Resolution	Gross debt	Principal Repaid	payable 2020	payable 2019
0001-0 - 2/28/2019	1,860,000	(181,021)	1,678,979	-

December 31, 2020

8. Long-Term Debt (continued)

(ii) Future estimated payments over the next five years are as follows:

	General Capital Fund	Interest Payment	Total
2021	\$ 372,823	13,776	\$ 386,599
2022	376,287	10,312	386,599
2023	379,726	6,873	386,599
2024	383,183	3,416	386,599
2025	166,960	390	167,350
Thereafter	-	-	-
Total	\$ 1,678,979	\$ 34,767	\$ 1,713,746

(iii) Principal paid during the year was \$181,021 (2019 - \$nil). Interest paid during the year was \$12,667 (2019 - \$nil).

(b) Long-term Borrowing

The City issues debt instruments through the MFA, pursuant to security issuing bylaws under the authority of the Local Government Act, to finance certain capital expenditures. Sinking fund balances, managed by the MFA, are used to reduce long-term debt. Interest rates on long-term debt range from 1.28% to 3.89%. The weighted average interest rate for 2020 was 2.84% (2019 - 2.87%).

(i) Gross amount of debt and the repayment and actuarial earnings to retire the debt are as follows:

	Year of	Rate	Gross debt	Repayment &	Net debt	Net debt
	Maturity			actuarial earnings	2019	2018
Issue 79	2033	2.25%	10,000,000	(4,001,764)	5,998,236	6,336,568
lssue 80	2033	2.85%	10,000,000	(3,936,764)	6,063,236	6,395,914

Issue 110	2025	4.50%	5,200,000	(3,197,738)	2,002,262	2,371,519
lssue 115	2031	3.89%	10,200,000	(3,650,050)	6,549,950	7,020,110
lssue 130	2034	3.00%	23,200,000	(5,211,902)	17,988,098	18,944,189
lssue 139	2036	2.10%	5,500,000	(862,455)	4,637,545	4,862,823
lssue 142	2037	3.15%	9,600,000	(1,112,275)	8,487,725	8,869,509
			\$ 95,249,015	\$ (34,412,474)	\$ 60,836,541	\$ 65,134,749

(ii) Future aggregate sinking fund payments over the next five years and thereafter are as follows:

	General Capital Fund	Actuarial Earnings	Total
2021	3,136,960	1,286,593	\$ 4,423,553
2022	3,155,961	1,446,033	4,601,994
2023	2,950,516	1,431,746	4,382,262
2024	2,881,130	1,516,513	4,397,643
2025	2,640,743	1,463,765	4,104,508
Thereafter	21,223,693	17,702,888	38,926,581
Total	\$ 35,989,003	\$ 24,847,538	\$ 60,836,541

(iii) Scheduled debt repayments may be suspended at the MFA's option in the event of excess sinking fund earnings. Principal paid during the year was \$3,099,220 (2019 - \$3,081,616). Interest paid during the year was \$2,546,901 (2019 - \$2,732,187).

December 31, 2019

9. Employee Future Benefit Liability

Information about liabilities for the City's employee obligation is as follows:

	2020	2019
Accrued benefit obligation		
Balance, beginning of year	\$ 18,570,000	\$ 17,575,200
Service cost	1,410,600	1,257,600
Interest cost	515,200	593,300
Benefits payments	(1,746,700)	(1,736,900)
Immediate recognition loss (gain) for event driven liabilities	75,100	(77,300)
Actuarial loss (gain)	1,940,700	958,100
Accrued benefit obligation, end of year	20,764,900	18,570,000
Less unamortized net actuarial loss	(2,614,513)	(901,736)
Add pension over contributions due to staff	373,795	364,350
Benefit liability, end of year	\$ 18,524,182	\$ 18,032,614

The accrued benefit obligation and the benefit costs for the year were estimated by actuarial valuation as of December 31, 2020 by an independent actuarial firm. Key estimates were used in the valuation including the following:

	2020	2019
Discount rates	1.80%	2.70%
Expected future inflation rates	2.25%	2.25%
Expected wage and salary increases	2.33% to 4.38%	2.33% to 4.38%
Estimated average remaining service life of employees	13 years	11 years

The benefit liability includes both vested and non-vested amounts as follows:

	City	Police	2020	2019
Vested benefits	\$ 4,100,910	\$ 8,600,977	\$ 12,701,887	\$ 12,816,364
Non-vested benefits	4,815,630	1,006,665	5,822,295	5,216,250
Total accrued benefit liabilities Charged to operating fund surplus in current	8,916,540	9,607,642	18,524,182	18,032,614
and past years	(5,104,072)	(8,489,134)	(13,593,205)	(13,289,052)
Portion of benefits charged against reserves	\$ 3,812,468	\$ 1,118,508	\$ 4,930,977	\$ 4,743,562

Vested benefits include lump sum payments, death benefits, and certain sick leave and vacation in the year of retirement benefits. Vested benefits are contractually required to be paid to an employee regardless of their future employment. Non-vested benefits include long service leave, personal leave program and certain sick leave programs. Non-vested benefits are conditional upon future employment.

December 31, 2020

9. Employee Future Benefit Liability (continued)

GVLRA – CUPE Long Term Disability Trust

The Trust was established January 1, 1987 as a result of negotiations between the Greater Victoria Labour Relations Association representing a number of employers and the Canadian Union of Public Employees representing a number of CUPE locals. The Trust's sole purpose is to provide a long term disability income benefit plan. The City and its employees each contribute equal amounts into the Trust. The total plan provision for approved and unreported claims was actuarially determined as of December 31, 2017 with an extrapolation prepared by the actuary as at December 31, 2019. At December 31, 2019, the total plan provision for approved claim was \$17,748,900 and the provision for unreported claims was \$1,332,400 with an accumulated surplus of \$4,244,806. The total plan provision for approved and unreported claims and net surplus or deficit at December 31, 2020 will be available later in 2021.

The City paid \$580,104 (2019 - \$514,924) for employer contributions and City employees paid \$558,096 (2019 - \$514,924) for employee contributions to the Plan in fiscal 2019.

Municipal Pension Plan

The City of Victoria and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan) (the "Plan"). The Board of Trustees, representing Plan members and employers, is responsible for administering the Plan, including investment of assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2020, the Plan has about 213,000 active members and approximately 106,000 retired members. Active members include approximately 41,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the Plan and adequacy of the funding. The actuary determines an appropriate combined employer and member contribution rate to fund the Plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the Plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as of December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis. As a result of the 2015 basic account actuarial valuation surplus and pursuant to the joint trustee agreement, \$1,927 million was transferred to the rate stabilization account and \$297 million of the surplus ensured the required contribution rates remained unchanged.

The next valuation will be as at December 31, 2021, with results available later in 2022.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and costs to individual employers participating in the Plan.

The City of Victoria paid \$12,412,388 (2019 – \$11,474,017) for employer contributions and City of Victoria employees paid \$9,930,919 (2019 – \$9,130,892) for the Plan in fiscal 2020.

December 31, 2020

10. Tangible Capital Assets

December 31, 2020

13. Government Transfers

The City recognizes the transfer of government funding as revenues in the period that the events giving rise to the transfer occurred. The Government transfers reported on the Statement of Operations are:

	Financial Plan 2019	2019	2018
Unconditional transfers			
COVID-19 Safe Restart Grant	\$ –	\$ 6,522,000	\$ –
Traffic fine revenue sharing	1,855,000	2,197,363	1,883,160
	1,855,000	8,719,363	1,883,160
Conditional transfers			
Climate Action Revenue Incentive Program	-	141,941	142,479
Jail	28,800	42,481	29,294
Gas tax	3,666,000	3,667,997	7,257,119
Infrastructure grants:			
Bicycle Master Plan Implementation	1,151,000	1,011,480	895,000
Point Ellice Bridge Rehabilitation/Painting	-	181,100	2,233,566
Cost-sharing agreements:			
Storm Drain	195,000	32,672	-
Sewer	849,000	147,614	-
Water	654,000	113,656	_
	6,543,800	5,338,941	10,557,458
	\$ 8,398,800	\$14,058,304	\$ 12,440,618

Traffic Fine Revenue Sharing program is an unconditional grant provided to municipalities to assist in ensuring community safety and addressing community specific strategic priorities. The program returns 100% of net revenues from traffic violations to municipalities that are directly responsible for paying for policing.

Gas Tax is provided by the Government of Canada. The use of the funding is established by a funding agreement between the City and the Union of British Columbia Municipalities. These funds may be used towards designated infrastructure projects that achieve positive environmental results.

The Canada-BC Safe Restart Grant for Local Governments is an unconditional grant provided through federal/provincial funding and distributed by the Province to support local governments as they deal with increased operating costs and lower revenue due to COVID-19.

December 31, 2020

14. Miscellaneous Revenue

	Financial Plan 2020	2020	2019
Third party billing, cost sharing and recoveries	\$ 2,396,760	\$ 5,811,210	\$ 4,519,779
Arena lease equivalent, share of naming rights			
and ticket surcharge	634,000	411,044	513,634
CREST levy	400,000	301,162	325,539
Rezoning applications	534,500	877,987	919,128
Dog licences and fines	225,000	242,752	218,731
Bus shelter advertising	150,000	154,786	153,936
Tax certificates	125,000	132,540	129,738
Bonus density	-	288,563	1,000,000
Traffic and sidewalk permits	113,350	132,127	143,152
Fortis franchise fee	450,000	497,801	459,016
Development cost charges	5,876,000	1,254,921	2,464,041
Other: administrative fees, lease fees, information sales			
and asset disposals	608,623	1,540,215	954,068
	\$ 11,513,233	\$ 11,645,108	\$ 11,800,762

Third party billing and CREST levy are offset by expenses therefore budget variance has no impact on the City's operating surplus. Ticket surcharge revenue from the arena is impacted by arena annual operational activity. Amounts for bonus density are not determinable in advance, and do not impact operating surplus as balances are transferred to reserves, therefore no budget amount is provided in the Financial Plan.

15. Trust Funds

Trust funds administered by the City have not been included in the Statement of Financial Position nor have their operations been included in the Statement of Operations.

	2020	2019
Ross Bay Cemetery	\$ 1,150,885	\$ 1,079,912
Nature Interpretation Centre	662,020	650,826
Bastion Square Revitalization	230,380	249,484
	\$ 2,043,285	\$ 1,980,222

The Ross Bay Cemetery Trust is a fund for the non-commercial Ross Bay Cemetery and is used for perpetual maintenance. The Nature Interpretation Centre is a trust for the construction of a nature interpretation centre in Beacon Hill Park.

The Bastion Square Revitalization Trust is a trust received from the Bastion Square Association Society for the sole purpose of improving Bastion Square.

December 31, 2020

16. Contingent Liabilities

The City is a defendant in various lawsuits. The City records an accrual in respect of legal claims that are likely to be successful and for which a liability amount is reasonably determinable. The remaining claims, should they be successful as a result of litigation, will be recorded when a liability is likely and determinable. Management does not believe any outstanding claims are likely to result in a material loss to the City. In addition to the amounts accrued as liabilities, included in reserve funds is an insurance reserve of \$4,189,441 (2019 - \$4,118,601), maintained to offset settlements and insurance coverage is maintained to provide for insurable claims should they exceed the liability deductible of \$1,000,000 in any year. As of November 2008, the City joined the Municipal Insurance Association and all insurable claims from that date forward will be subject to a liability deductible of \$250,000 in any year.

Under borrowing arrangements with the Municipal Finance Authority, the City is required to lodge security by means of demand notes and interest bearing cash deposits based on the amount of the borrowing. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA as a debt reserve fund. These deposits are included in the City's financial assets as restricted cash and are held by the MFA as security against the possibility of debt repayment default. If the debt is repaid without default, the deposits are refunded to the City. At December 31, 2020 the balance of the deposits was \$1,326,811 (2019 – \$1,300,059). At December 31, 2020 there were contingent demand notes of \$2,490,784 (2019 – \$2,490,784) which are not included in the financial statements of the City.

Capital Regional District debt, under provisions of the Local Government Act, is a direct, joint and several liability of the Capital Regional District and each member municipality within the Capital Regional District, including the City.

The City of Victoria and the District of Saanich established the Board of Cemetery Trustees of Greater Victoria (the "Board") in 1922 under the Municipal Cemeteries Act. The Board is a not-for profit organization that operates the Royal Oak Burial Park. The terms of the agreement provides the Board a borrowing limit of \$3 million with the City and the District of Saanich providing equal guarantee. At December 31, 2020 the Board had an outstanding demand loan of \$1,091,966 (2019 – \$1,094,259) with the Bank of Montreal and long-term debt of \$687,871 (2019 – \$756,476) through the Municipal Finance Authority. The City's guarantee portion of the outstanding debt at December 31, 2020 is \$889,919 (2019 – \$925,369).

The City is reviewing environmental objectives and potential liabilities for its activities and properties including potential site reclamation obligations. The amount of any such obligations is not presently determinable.

The City is a shareholder and member of Capital Regional Emergency Service Telecommunications (CREST) Incorporated, which provides centralized emergency communications and related public safety information services to municipalities, regional districts, the provincial and federal governments and their agencies, and emergency service organizations throughout the Greater Victoria region and the Gulf Islands. Members' obligations to share in funding ongoing operations and any additional costs relating to capital assets are to be contributed pursuant to a Members' Agreement.

18. Segmented Information

The City of Victoria is a diversified municipal organization that provides a wide range of services to its citizens. For management reporting purposes, the City's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations. City services are provided by departments and their activities reported within these funds. Certain functions that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

(i) General Government

The General Government operations provide the functions of Corporate Administration, Finance, Human Resources, Legislative Services and any other functions categorized as non-departmental.

(ii) Protective Services

Protective Services is comprised of five different functions, including the City's Emergency Management Agency, Fire, Police, Bylaw Services and the permits and inspections function of the Sustainable Planning and Community Development department. The Emergency Management Agency prepares the City to be more prepared and able to respond to, recover from, and be aware of, the devastating effects of a disaster or major catastrophic event that will impact the community. The Fire Department is responsible for providing critical, life saving services in preventing or minimizing the loss of life and property from fire and natural or man made emergencies. The Police Department ensures the safety of the lives and property of Victoria as well as Esquimalt citizens through the enforcement of municipal bylaws, criminal laws and the laws of British Columbia, the maintenance of law and order, and the prevention of crime. The goal of Bylaw Services is to achieve voluntary compliance of the City Bylaws through education and information. The Sustainable Planning and Community Development department has a broad range of policy, regulatory and program responsibilities including processing undertakings related to permits and inspections for Building Permits, Plumbing Permits, Electrical Permits, and signs.

(iii) Transportation Services

Transportation Services is responsible for a wide variety of transportation functions such as Parking, Engineering Operations and Streets. As well, providing services around infrastructure, traffic control, transportation planning, review of land development impacts on transportation, traffic management, pedestrian and cycling issues, on-street parking regulations, including street signs and painting as well as traffic signal timing.

(iv) Environmental and Public Health Services

The Environmental and Public Health Services is comprised of three sections in the areas of Solid Waste Services, Storm Drains, and Street Cleaning. The Solid Waste Collection and Recycling Operations section is responsible for the collection of household garbage. The Storm Drains section provides the design, inspection and technical supervision of civil engineering projects related to the construction and maintenance of the storm drain collection systems to protect public health. The Street cleaning section is responsible for the collection and disposal of litter and debris from streets, sidewalks and squares.

(v) Social Services and Housing

Social Services and Housing includes grants to non-profit organizations for the purpose of facilitating social inclusion and community wellness, and to support affordable housing initiatives.

December 31, 2020

18. Segmented Information (continued)

(vii)Planning and Development

This segment is composed of four departments:

Sustainable Planning and Community Development: Supports quality development and economic health of the City. This function includes regulatory and program responsibilities including: community and city-wide land use planning; urban design; planning applications including zoning, development and variance permits, demographic and other planning information services.

Strategic Real Estate: Manages all aspects of the City's real estate holdings based on an established real estate strategy and a triple bottom line (economic, social and environmental) perspective of returns. The real estate office provides a wide range of services including strategic advice and partnership development; as well as planning and leading transactions for the acquisition, sale, leasing or licensing of lands to meet the City's operational requirements and strategic goals.

Economic Development: This function is guided by six primary "engines" to drive Victoria's businesses, generate jobs, raise household incomes, and increase well- being. The six engines include: advance education and research and development; the ocean and marine sector; experimental tourism; government; technology; and entrepreneurship, start-ups and social enterprise. Economic development in Victoria focuses on the prospects for the future as a city with high quality of life which supports the building of a vibrant, prosperous, fiscally sound and economically robust community.

Victoria Conference Centre: Responsible for strengthening the City's economy through the implementation of a vision and action plan for economic sustainability and growth in Victoria.

(vii) Parks, Recreation and Cultural Services

Parks is responsible for the maintenance, planning and development of all park facilities such as ornamental gardens, natural ecosystems, sport and entertainment venues and playgrounds for recreational and cultural enjoyment in a beautiful and safe environment; preserves and enhances green spaces on public lands. Recreation Services facilitates the provision of recreation and wellness programs and services through the Crystal Pool, Save-On Foods Memorial Centre, Royal Athletic Park, and Community and Seniors Centres. The Arts and Culture function supports community vibrancy and economic impact through tourism and visitor attraction. This function also includes the Victoria Conference Centre which is the second largest conference facility in BC and plays a significant economic impact on the local economy.

(viii) Water and Sewer Utilities

The Sewer Utility protects the environment and human health from the impacts of liquid wastes generated as a result of human occupation and development in the City. The Water Utility delivers clean, safe and aesthetically pleasing potable water, in accordance with the Provincial Drinking Water Protection Act, to the citizens of the City of Victoria and Township of Esquimalt. The water is for the purpose of domestic consumption and firefighting.

Certain allocation methodologies have been employed in the preparation of the segmented financial information. The General Fund reports on municipal services that are funded primarily by taxation such as property taxes and other tax revenues. Taxation and payments in lieu of taxes are apportioned to the General Fund services based on budgeted taxation revenue as presented in the 2020-2024 consolidated financial plan.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

December 31, 2020

19. Covid-19

The impact of COVID-19 in Canada and on the global economy has continued throughout the year. As the impacts of COVID-19 continue, there could be specific impact on the City, its citizens, employees, suppliers and other third party business associates that could impact the timing and amounts realized on the City's assets and future ability to deliver services and projects. At this time, the full potential impact of COVID-19 on the City is not known. Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration of disruption and the related financial impact cannot be reasonably estimated at this time. The City's ability to continue delivering services and employ related staff will depend on the legislative mandates from the various levels of government. The City will continue to focus on collecting receivables, managing expenditures, and, if necessary, leveraging existing reserves and available credit facilities to ensure it is able to continue providing essential services to its citizens.

SUPPLEMENTARY FINANCIAL INFORMATION

The Corporation of the City of Victoria

The following schedule is unaudited:

Year Ended December 31, 2020

Supplementary Financial Information

For the year ended December 31, 2020
