Diverting Waste, Diverting Lives

1

ABOUT THE DIVERTERS FOUNDATION?

The Diverters Foundation is a group of dedicated community members aiming to create sustainable economic opportunities for Victoria's under-served, de-stigmatize waste sorting, and promote social cohesion among the broader Victoria community.

2

WHAT IS DIVERTING?

- Diverting is an *essential* environmental service
- Diverting provides marginalized people with income
- Diverting builds community connections

3

LOCAL RESULTS

We're excited to be working with around 20 local diverters.

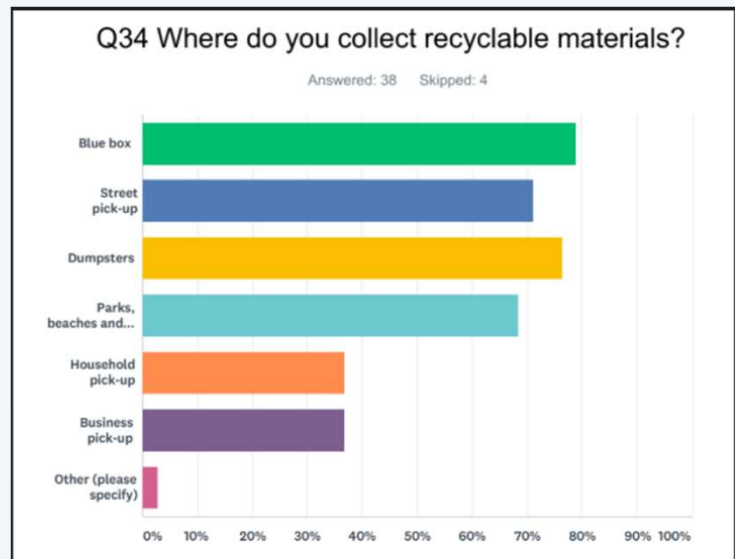

Since our founding in 2019, our diverters have successfully shifted 462.3 kgs from the waste stream and saved these items from finding their way to the landfill.

4

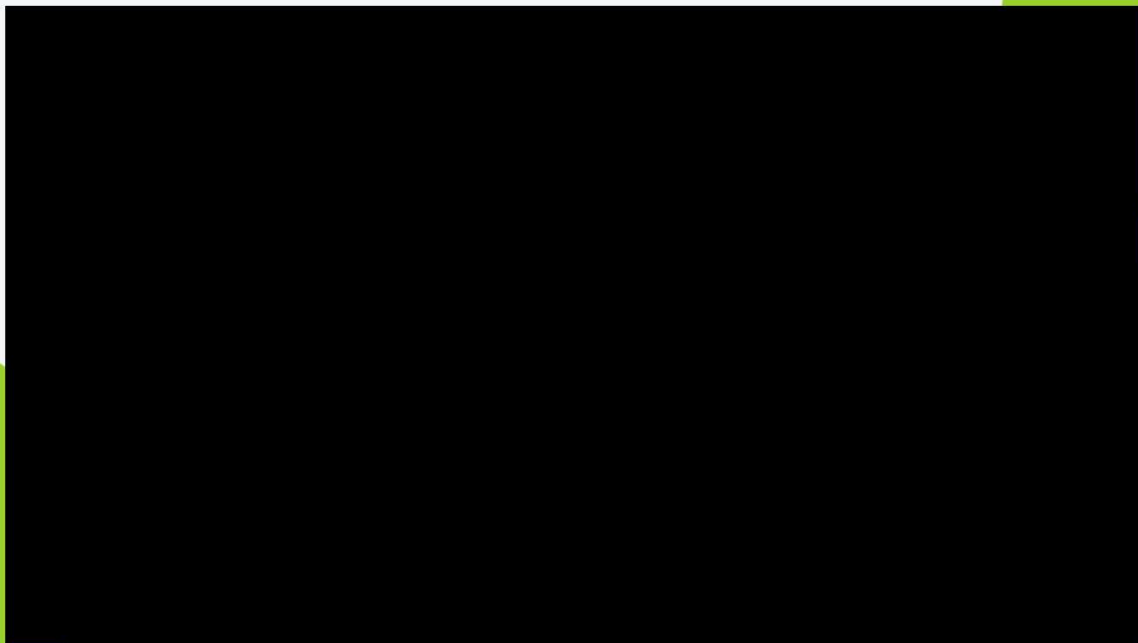

WHO ARE DIVERTERS?

- Diverters are experienced in recycling
- Diverting is a big part of increasing their income
- The Diverters are a diverse group of people from all ages, genders, and ethnicities
